WEDDINGS.

Leavitt-Lipetz—Cohen-Frumkin.
Three members of the Menorah Society were married during Christmas vacation in Omaha. Elijah Y. Lipetz, '21, president of the Menorah, and Miss Ruth D. Leavitt, A. S., were quietly married Monday afternoon, December 27; and Herman Frumkin, '22, former treasurer of the Society, and Miss Tillie Cohen of Omaha, were married Sunday, December 26, at the home of the bride's parents.
The marriage of Mr. Lipetz and Miss Leavitt came as a complete surprise to their friends. Although their engagement had been announced some time ago, it was thought that the wedding would not take place until early in the spring, after Mr. Lipetz's graduation. Only immediate relatives were present at the ceremony.

Mr. Frumkin and Miss Cohen were married in the presence of a large number of friends and relatives. The bride was charmingly gowned in flesh-colored georgette and carried a shower bouquet of bride's roses and lilies-of-the-valley. A number of University of Nebraska students were present at the ceremony, including the Misses Lillian Margolin and Celia Ross, and the Messrs. Louis B. Finkelstein and Joe Kramer.

Both Mr. and Mrs. Lipetz and Mr. and Mrs. Frumkin are residing in Lincoln.

Basketball Game Resume of Monday's

The Cornhuskers suffered the first defeat of the season Monday night when the Illinois "Indians" captured the Husker scalp by the count of 26 to 24.

Coach Schissler used the same team in Monday night's fray as was used in Saturday's game. Reports on the game show that the Nebraska athletes outplayed the Illinois men at all points of the game.

A crowd estimated at 4,000 people witnessed the contest. The playing of Captain Bailey and Newman for the Husker quintet was a big feature of the battle.

The team will meet the Illinois Wesleyan five at Bloomington in the next contest. The Huskers have one more game after this with the Bloomington A. C. and will then return home and commence preparations for a strenuous schedule of games on the local floor.

The strength of the Husker's next opponents cannot be determined at this time, but the Wesleyan quintet is rated as the class of the Illinois State college conference.

Following is a detailed account of the game relayed by the Star:

CHAMPAIGN, Ill., Jan. 4.—With only ten seconds to play, the Nebraska Cornhuskers last night were edged out of the final basketball game of the two-game series with the University of Illinois when Referee Young gave the Indians a double foul and allowed a field goal by Reitsch, made just as the whistle blew.

The Cornhuskers were leading, 24 to 22, when Reitsch, under the basket, was pushed by Newman. Reitsch pivoted away from Newman and tossed the ball through the ring. Referee Young allowed the goal and also gave Illinois two free throws. Mee, Illinois forward, tossed both into the basket, and as the ball was tossed up at center, the pistol sounded the end of the contest.

It was a hard game for the Huskers to lose. They played rings around their opponents in team play, but missed shot after shot beneath the basket.

The score:

POLITICAL SCIENCE EXPERT SPEAKS AT CONVOCATION

Emphasizes Value of the Subject as a Study for University Students.

"Some states like New York and California are finding that they don't have a responsible government but are governed by an invisible government outside of the official one," said Dr. Edgar Dawson, representative of the National Municipal League and author of several well known works on political science and government, Thursday morning at 11 o'clock in the Temple theatre, before a large University convocation audience.

The speaker was introduced by Prof. Paul F. Grumann of the Fine Arts Department and chairman of convocations. This meeting was planned as a special convocation for Arts and Science students. Classes in that college were dismissed.

Urges Study of Government.
The value of political science as a study for University students was emphasized by Dr. Dawson. In bringing out the fact that an invisible government outside the official one really governs New York, the speaker said that Albany was only the capital of the state in name, while the real seat of the government could be easily traced to the vicinity of Wall Street. "The burden rests upon the students of America to put the politics and government of this country on a sounder footing," was a conclusion drawn by Dr. Dawson.

The speaker arrived in Lincoln from Kansas City. He will be the guest of honor at a supper planned under the auspices of the Faculty Men's Dinner club this evening in the Grand hotel.

Professor of political science and history in Hunter College, New York City, and visiting professor in the University of California, are two of the titles which the speaker holds. He received degrees from the Universities of Virginia and Leipzig.

Small Boy (proudly)—"My sister's in the movies."

Small Girl—"That's nothing ma's there all the time.—Lamb.
