1921 FOOTBALL SCHEDULE FILLED

Director of Athletics Luehring Announces State of Games for Next Fall.

COLORADO AGGIES IS LAST GAME

Huskers to Play Notre Dame at South Bend Next October.

The 1921 Cornhusker football schedule was completed Saturday when Director Luehring completed negotiations with the Colorado Agricultural School for the appearance of the Aggies here on Turkey day.

Another big feature of the Husker schedule is the contest with Notre Dame at South Bend on October 22. The Nebraska-Notre Dame contest has always been a big feature in football circles in the middle west and will be viewed with much interest next fall.

The Husker schedule includes eight games altogether. Three games will be played away from home with five contests on the local field.

The first opponent of the Huskers will be Nebraska Wesleyan. The Methodists have always been at the top in the State Conference and should be a good workout for the Nebraska eleven. This contest will give the coaches a chance to see the new material in action and give them some idea as to the strength of the Huskers.

Huskers to Meet Indians.

The Haskell Indians will play the Huskers on October 15. The Indians are old-time opponents of the Nebraska eleven and should test the strength of the Husker machine to its greatest extent.

The Huskers next journey to South Bend where they meet the Notre Dame eleven. The Irish-Husker contest has always been a feature event and this will be the initial appearance of the Huskers at the home of the Catholics. The Notre Dame-Husker contest will be held on the Catholics' Homecoming day and will probably be witnessed by one of the greatest crowds that ever attended a football contest at the Irish school.

The Cornhuskers mix with the Oklahoma team of the Missouri Valley Conference at Lincoln on October 29. The Oklahoma eleven were champions of the Missouri Valley Conference and this game will in all probabilities settle the title for the Conference championship.

Play Famous Pitt Eleven.

The Huskers then take the road and go to Pittsburgh where they meet the famous Pitt eleven. The Panthers held the Penn State eleven to a scoreless tie last season while the Huskers lost to the Penn State aggregation. In playing Pitt the Huskers are mixing with one of the leading football elevens in the country.

Kansas and Ames are the next contests on the Husker calendar. The Jayhawks will be seen on University field while the Huskers go to Ames to meet the Iowa Farmers. Both of these contests will be hard games and will be deciding games for the championship of the Missouri Valley. The Huskers are anxious to make good the tie score inflicted by the Jayhawks the past season.

The final contest will be with the Colorado Aggies on Thanksgiving day. The Aggies furnished some real competition for the Huskers the past season and will have to be reckoned with to a great extent. The Nebraskans were able to defeat the Aggies by a lone touchdown last season.

This schedule of games is one of the greatest ever arranged by the athletic department of the University.

Helen Stines Elected President of Art Club

Helen Stines was elected president of the University Art Club Thursday evening at a meeting of that organization. Other officers chosen were: Charlotte Kizer, vice-president; Leslie Stout, secretary and treasurer; and Carita Herzog, club reporter.

Herbert Yenne and Iris Wood were appointed as a committee to see to the making of pins for organization members. These pins will be designed by a member of the Art Club. Each member is asked to hand in a design some time during this week. The person, whose design is chosen, will be presented with a pin by the club.

UNIVERSITY DEBATE MEN ARE HONORED

One Hundred Forty-four Members of Intercollegiate Seminar Listed.

To the 144 members of the University of Nebraska Intercollegiate Debate Seminar—twenty of whom are in Omaha and the rest are scattered from Tokyo to London, to New York, to Frisco—last week was sent the eleventh annual news-letter by Prof. M. M. Fogg—some 10,000 words of 1920 biographical news and of various statistical information from the "Think Shop" as the members call the Seminar and its archives, covering the twenty years since the course was organized in 1901-1902.

On the high scholarship attained by Seminary and team members these are the outstanding facts: Elected to Phi Beta Kappa, one-third of those who were graduated from the Arts and Science College; to the Order of the Coif (which elects the first tenth of the Senior Law class), nearly two-thirds of the Law graduates.

Three of the University's first four (it has had five) Rhodes Scholars were members of debating teams (S. M. Rinaker, Beatrice, Chicago lawyer; Prof. H. E. English, Wellesley College; Paul F. Good, Lincoln lawyer).

Harvard, Yale, Chicago, Cornell, Columbia and Wisconsin have awarded seven fellowships and ten scholarships to Seminary members; and forty-four have taken advanced degrees at other institutions, including eleven at the Harvard Law School.

As to occupation, over half (78) are lawyers (43 graduates of the Nebraska College of Law), including two assistant United States attorneys, one assistant attorney-general, two assistant general counsels to the Burlington railroad and the American Telegraph and Telephone company, one chairman state public service commission, one district judge.

In educational work are nineteen—ten college professors, one president of normal school, and the president of the National Educational Association—Supt. Fred H. Hunter, '04, of Oakland, Calif., formerly of Ashland, Norfolk and Lincoln.

One is state commissioner (New Jersey) of charities and institutions—B. G. Lewis, '04, formerly commissioner of correction, New York City, author of "The Offender" (Harper's).

In politics, one has been primary nominee for governor, one for Congress, three (1920) for attorney general (Idaho, Utah, Nebraska); four were members of the Nebraska Constitutional Convention; seven have been in legislature (five in Nebraska); and one is regent of the University—W. L. Bates, '12, of Kimball.

Fraternity members won over half (78) of the appointments to Seminary and team membership. The leader is Alpha Theta Chi:

Alpha Tau Omega, 2; Alpha Theta Chi, 18; Acacia, 8; Beta Theta Pi, 1; Bushnell Guild, 2; Delta Chi, 8; Delta Tau Delta, 6; Delta Upsilon, 8; Phi Delta Theta, 3; Phi Gamma Delta, 2; Phi Kappa Psi, 9; Sigma Alpha Epsilon, 1; Sigma Nu, 1; Silver Lynx, 9.

MARION, Ohio, Jan. 8.—Harding sanctions the report given by Thomas Butler, congressman of Pennsylvania. Butler states that now is the time to take up the naval questions if it is ever to be taken up. The present congress is to vote on the request of the navy department for \$187,000,000 to round out the present naval program. Completion of ships now under construction will give America 200,000 tons greater than the naval tonnage of Great Britain.

Investigating Prices of Common Articles.

Camp Funston Abandoned.

LINCOLN, Neb., Jan. 9.—Most of Nebraska men who were in the world war received part of their training at Camp Funston. News comes that this camp is to be abandoned and it is with a feeling of regret that Nebraskans receive it. It is difficult to forget a place in which severe training was received for army service.

California All-Alien Land Law Doomed

SACRAMENTO, Cal., Jan. 8.—The all alien land bill which would extend to all aliens from owning and leasing land is doomed. The state administration is opposed to this measure because it would affect a large number of individual and corporations operating in California.

Missionary Will Speak at Vespers

Mrs. W. T. Elmore, who has been a missionary to India, will speak at Vesper services Tuesday evening at 5 o'clock in Ellen Smith Hall. Mrs. Elmore is the wife of Rev. W. T. Elmore, pastor of the First Baptist church.

"Following Jesus Christ" is the topic for the meeting. Mrs. Elmore will talk about service. Miss Wilma Winter will sing.

Mrs. Elmore was considered one of the best speakers sent out from national headquarters in the Inter-Church campaign last year. She has spoken in a great many colleges. Her talk here promises to be both interesting and instructive.

SENIOR GIRLS TEAM WINS CHAMPIONSHIP

Inter-Class Hockey Tourney Held Saturday on Athletic Field.

The senior girls' hockey team won the championship in the girls' inter-class hockey tournament when they defeated the junior team in the final Saturday afternoon on the athletic field. The score stood 2 to 1 in favor of the seniors when the final whistle blew.

In the preliminary games Saturday morning the senior team beat the sophomore eleven by a score of 2 to 0, and the juniors won from the freshmen 2 to 1.

The final struggle was the hardest fought and fastest game of the tourney. The senior eleven made a whirlwind start and scored two goals before the juniors were fully aware of what was happening. In the second quarter the juniors played more of a defensive game. Neither team scored. At the beginning of the second half the juniors rallied and sent the ball through the senior goal posts for the only score they made throughout the game. The inter period was scoreless. The upperclass elevens were evenly matched and did brilliant playing.

The sophomores did not have much show against the senior eleven in the first game of the tournament. They did good individual playing, but lacked the team work which the seniors displayed. However, the game was not as one-sided as the 2 to 0 nothing score might indicate. The seniors had to put up a real fight.

For a first year team the freshman eleven did exceedingly good work playing against the strong junior aggregation. The juniors scored twice during the first half. In the second half the freshmen successfully defended their goal and also made one goal.

Saturday's victory for the seniors is the second championship won by this class this year as they also won the soccer tournament. It is an unusual record for a senior class.

HUSKERS READY FOR FIRST GAME

Nebraskans Will Stage Contest at Coliseum—Grinnell Comes this Week.

SEASON TICKETS ON SALE

Bob Russell Returns to Squad—Jesse Patty Laid Up with Sprained Ankle.

Nebraska's Cornhusker basketball quintet inaugurates the 1921 basketball season here next Friday and Saturday nights when the Grinnell College team invade Lincoln for a two game series.

The Huskers have already participated in three games, winning two and losing one. Coach Schickler and his proteges have been taking work outs the past week in preparation for the invasion of the Iowans.

Grinnell has always been noted for its basketball teams in the past and reports from the Iowa school indicate that the Congregationalists will put up a stiff battle against the Huskers.

The Huskers will play a series of eleven home games on the local floor. Such teams as Notre Dame and Colgate as well as Iowa State should furnish some real competition for the Husker quintet.

Season tickets for the home contests will go on sale some time this week. The books will cost \$5 which will entitle the holder to go to two other athletic contests under the auspices of the University as well as the All-University dances held after the games.

Floor is Ready.

The floor is all ready for use and the Huskers will commence work today at the Coliseum. The seating arrangements have almost been completed and everything will be in readiness for the big celebration which will be held next Friday and Saturday nights.

The Husker squad is practically intact after the Illinois invasion with the exception of Jesse Patty, the star Husker forward who has been out of the game with a injured ankle. Bob Russell has raised the Husker stock considerable. Russell was a member of the Husker squad last season and will be a valuable addition for the present squad.

Director Luehring has requested that Friday and Saturday nights be closed nights and that every organization in school attend the contests and make the opening one of the greatest events in the history of the University.

Room for Everyone.

The seating capacity is such that everyone will be accommodated and the difficulty experienced in finding room for the big crowds last year in the Armory will be done away with. The building will be well lighted and the conveniences will be up to the standard.

BACK BASKETBALL.

The basketball games will be held at the State Coliseum commencing January 14 and 15. Director Fred W. Luehring has requested that every organization in school get behind the team and lend all the support possible.

After the game Saturday evening there will be dancing with music furnished by a large orchestra. Entertainment will be furnished as well as refreshments.

Director Fred Luehring has requested that these two nights be made closed nights by every organization in school. This will be in the form of a reception to the basketball team after their successful invasion of the east. Additional details will be in tomorrow's paper.
