

THE DAILY NEBRASKAN

VOL. XX. NO. 83.

LINCOLN, NEBRASKA, THURSDAY, FEBRUARY 3, 1921.

PRICE FIVE CENTS.

TWO THOUSAND NAMED AS GOAL

Circulation Department Wants this Many Subscribers by Saturday Night.

TO MAKE CLOSE CHECK

Plan to Deliver Papers to Each Fraternity House Having 100% Subscription.

"Two thousand subscriptions by Saturday evening" is the slogan of the circulation department of the Daily Nebraskan. Several organizations have reached the 100% mark in response to the offer to deliver the papers by 7 o'clock each morning to fraternity and rooming houses subscribing 100%. It has been announced that with fewer subscribers getting their papers at Station "A" names will be checked more carefully when the papers are distributed so that "Rag-picking" will be difficult and the list of paid subscribers will be larger.

The announced purpose of the staff to "decrease the number of 'Rag pickers' and to increase the number of paid subscribers, is having an effect on the number of subscriptions being turned in.

Green Goblins who have charge of selling subscriptions in the fraternity houses are reporting many houses almost up to the goal and anxious to be included in the new delivery service plan. Members of Mystic Fish are gathering subscriptions in the sorority houses and also are canvassing on the campus. Any student who is not solicited on the campus will be able to have his subscription taken at the Student Activities office this week.

Several of the canvassers have passed the fifty mark and are trying hard to reach 100 before Saturday night. The prizes as offered by the management are divided as follows: First, \$25; second, \$15; and third, \$10. (Continued on Page Four.)

HIGH SCHOOL CLASSIC AND HASKELL DUAL MEET MAY 14

Banner Day for Nebraska Cinder Competitors—Thirty-six Entries Last Year.

The annual Nebraska scholastic track meet will be held at the University of Nebraska May 1, 1921. On the same day the University of Nebraska track team will compete with the Haskell Institute track squad on University field.

Last year thirty-six Nebraska high schools entered the state scholastic meet and over three hundred athletes competed for honors.

The entries were divided into three classes. Beatrice High carried off first honors in Class A. In this division Lincoln High took second place. In the Class B division Wilber captured first and Cambridge second. DeWitt won the Class C division with Franklin Academy second. Reid of Franklin Academy was the individual point winner.

A two manual pipe organ has been installed in the Conservatory and will be used by Laurence Robbins in his studio work.

SAVE THIS DATE

Men, save the date Friday noon from 12 to 12:50 for the first Greater Nebraska Luncheon to be given at the Grand Hotel. Tickets are forty cents for the feed; discussion and talks to be announced later.

Watch the "Rag" for later announcements and plan to be there.

PHI ALPHA TAU HOLDS BANQUET FOR INITIATES

Eight students of the University of Nebraska were initiated into Phi Alpha Tau, honorary public speaking fraternity, Wednesday afternoon. Membership in Phi Alpha Tau is gained by some distinctive performance in forensic dramatic art.

Members of the fraternity gathered for the annual banquet Wednesday evening. Professor Anton Jensen of the University of Nebraska acted as toastmaster. He called on the following toast list.

Presumptions Carl Peterson
Artists Rudgers Van Brunt
Talkers Oscar Drake

The following men were initiated into the fraternity:

Clyde B. Ellis, Wymore.
Rhue E. Green, Dover
Gregg J. McBride, University Place.
Stoddard M. Robinson, Lincoln.
Clarence Dunham, Omaha.
Harry D. Hubbard, Ypsilanti, Mich.
Harland V. Boyer, York.
Ray W. Nedrow, Fairmont.

HUSKER WRESTLERS LEAVE TO GRAPPLE AMES AGGIES

Nebraska Team Looks Forward to Hard Matches with Iowa Squad.

The University of Nebraska wrestling team will leave today for Ames, Iowa, where the Huskers grapplers will meet the Ames wrestling team in a dual meet.

This is one of the hardest matches on the Nebraska wrestling schedule. The Ames grapplers took the long end of a 46-8 count in their meet with the Wisconsin University squad. This meet was held last Saturday night.

In a previous match with the University of Indiana the Ames wrestlers took five out of seven of the bouts.

Ames rates as one of the strongest colleges in the west in the mat sport. Six of the seven men on the team are veterans and a number have two years of varsity experience. The school has six or eight dual meets a year and the members of the varsity squad receive excellent experience from the year's work.

Beat Y. M. C. A. Teams.

In the two meets this year the University of Nebraska has emerged the victor with ease. The Lincoln Y. M. C. A. team was dumped when the Husker mat artists took every match on the bill. Last week the Nebraska grapplers trimmed the Omaha association team by taking every match on the slate with the exception of one.

Captain Hoyt will represent the Nebraska team at Ames in the heavy-weight class. In the 115 pound class Bengtson will wear the Nebraska colors. Power will enter the 125 pound class. The 135 pound representative will be Long. Wertz or Reed will be the pick for the 145 pound division. In the 158 pound group Gayle Pickwell will be the entry. Renner or Thompson will compete in the 158 pound class.

FRESHMAN HOP TICKETS ARE SELLING RAPIDLY

Tickets for the Freshman "Hop" are selling well, members of the Hop committee announced after receiving reports from the Green Goblins who are in charge of the sales.

Plans for the "Hop" are complete. A six-piece orchestra has been secured to furnish music for dancing. Refreshments will be served and good checking service has been assured.

There has been some misunderstanding about the price of the tickets which are on sale at the present time on the campus. The tickets are priced at \$1.00 and admit a couple. Any reports that the price charged is \$1.00 each is unfounded. The committee has brought the price down to the low figure so that the admission will come under the price regulations adopted by the students.

TRACK COACH WANTS THREE HUNDRED MEN

Schulte Sounds Call to Cinder Artists to Begin Daily Grinds on Track.

"Three hundred men out for track. This is the slogan at the University of Nebraska. To aid in keeping the interest of students centered on training for the spring track events, the University of Nebraska athletic department has initiated a special athletic program for novices in track work and members of the freshman class who are ineligible for varsity places.

Coach Henry F. Schulte has inaugurated the system of an all-season number meet for the new track enthusiasts. Entries include members of the freshman class and those upper classmen who have not won an "N" in track.

The athletics race against time and the records made by the men account towards the winning of a "numeral."

Interest in track is increasing here and one hundred men are out for the winter training, working on the board track. Last year 175 athletes responded to the call for work at the opening of the spring season. Coach Schulte expects double the number to begin training when the spring season opens.

(Continued on Page Four.)

NEWS OF THE DAY

Senate Act on Soldierly Dispatch.
WASHINGTON, Feb. 2.—The Senate foreign relations committee will act on the proposition of sending United States soldiers to Siberia. They will also decide their activities and accomplishments there. The situation of citizens of the United States in Siberia will be discussed and a solution offered. An investigation will be conducted into the circumstances attending the participation of Americans in government affairs in Nicaragua and San Domingo.

Labor Fight On.

CHICAGO, Feb. 2.—A fight is on between capital and union labor. Railroad union leaders, faced by a request of railroad owners for abrogation of national agreement and wage reduction, have prepared an answer for the United States railroad labor board. The decision of this proposition will influence other crafts, as it is said that should the railroads succeed in forcing a reduction, it will be followed by a reduction in other crafts.

Ford Sued for \$5,000,000.

CHICAGO, Feb. 2.—Morris Gest, theatrical producer, is preparing to press a \$5,000,000 libel suit against Henry Ford. This suit is based on an article published in Ford's newspaper. Gest claims that this article has cast aspersions upon his origin, honor and productions. The article discussed Gest's productions, "Aphrodite" and "Mecca," referring to them as the most salacious spectacles ever shown.

Austria's Fate Settled.

VIENNA, Feb. 2.—The fate of Austria is definitely settled, says the inter-allied supreme council at Paris. It is a common belief that disintegration is imminent. The Paris council says that no material aid can be expected from outside. The Christian socialist government is facing overwhelming difficulties. The greater Germany party is working for a merger of Germany and Austria.

Disarming Unsafe.

WASHINGTON, Feb. 2.—General Pershing declares that the United States should not disarm. She may take the step in calling a disarmament conference to prevent future wars. The nation which declines to come into the conference should be viewed with suspicion. President-elect Harding's call for this conference will be received very favorably, if all nations are included.

TIME FOR CORNHUSKER PICTURES IS EXTENDED

On account of the rush for individual and organizations pictures to be taken at Townsend's studio for the Cornhusker, the Cornhusker management has extended the time until the end of the present week. A large majority of the juniors and seniors and organizations have had their pictures taken already.

Saturday of this week is absolutely the final date for having Cornhusker pictures taken at Townsend's. Word of arranging the junior and senior pictures in the page panels will begin immediately after the pictures taken Saturday of this week are developed.

There are still one or two pictures missing in several of the sorority groups. These pictures must be taken immediately in order to be placed in the sorority group panels.

The Cornhusker staff picture will be taken at 12:30 o'clock Friday. On account of the large number of freshman editors working on the book at the present time, they will be omitted from the group unless they have been assigned to some particular work on some section of the book. All other members of the staff should report for pictures at 12:30 Friday.

RUTHERFORD SIGNS LONG CONTRACT WITH OREGON

Former Nebraska Star To Install School for Coaches at Aggie School.

Word comes to Nebraska that R. B. Rutherford, better known to Nebraska football fans as "Dick," has signed a three year contract with the Oregon Agricultural College.

One of Coach Rutherford's first recommendations to the O. A. C. authorities is that a summer training school for the instruction of teachers and coaches in athletics be installed. The plan for instructing teachers and coaches of the high schools and district schools of the state in coaching and conducting competitive games, such as football, basketball, and baseball, will be very much similar to that which Director Luehring has outlined for the summer term at Nebraska.

Rutherford was graduated from the University of Nebraska in 1916 and the following year served in the capacity of Freshmen coach in both football and basketball. He is very well known throughout the country for his athletic prowess while attending the University. From Nebraska Rutherford went to Washington University at St. Louis with the position as Director of Athletics. Rutherford coached the O. A. C. football team to a successful season this year and is developing a basketball team that is considered one of the best on the Pacific coast.

LIEURANCE WILL MAKE RECORDS FOR VICTOR

Mr. and Mrs. Thurlow Lieurance and George B. Tac, flutist, have gone to Washington and from there to Camden, N. J., where they will make Victor records of Indian music which Mr. Lieurance has composed. Later they will make a concert tour through Texas and Oklahoma.

Mr. Lieurance is a nationally recognized composer and the University College of Music is proud to have him connected with it. Artists on the concert course show their appreciation of his compositions by having one or two of them on their programs.

Organize Chautauqua Company.

About twenty companies for the chautauqua circuit will be organized at the College of Music with rehearsals beginning in April. These companies are under the direction of Mr. Lieurance who chooses talent from students at the College of Music or from outside talent. The companies are sold to different chautauqua systems operating in various parts of the country.

HUSKERS WILL INVADE IOWA

Scarlet and Cream to Make Four-Game Conquest of Hawkeye State.

DEFEAT STEWART-AVERYS

Ames Aggies and Grinnell Will Each Be Met Twice by Nebraskans on Tour.

The Husker basketball squad commenced preparations for their Iowa invasion last night when Coach Schissler sent the Scarlet and Cream quintet against the Stewart-Avery team of the city league.

The Huskers defeated the automobile men by a good margin but are not playing up to their old time form yet. Coach Schissler was not at all pleased with the showing made against the Oklahoma "Sooners" in their two game series here the first of the week.

The Nebraska squad will leave for Ames probably next Tuesday under the direction of Coach Schissler. The Huskers will meet the Ames Aggies in a two game series and will then journey to Grinnell for a two game series. The next contests that will be staged at the Coliseum will be the two contests with Notre Dame on the 18 and 19 of this month.

Prescribes Stiff Scrimmage.

Coach Schissler will put the Varsity through a stiff scrimmage every night this week in preparation for the coming games. The first team will meet the Freshmen on the Armory floor tonight. Coach Schissler plans to use both the Armory and Coliseum for practice this week, thus giving the men a chance to get used to a small floor which they will encounter at Grinnell.

Nebraska defeated the Grinnell cage men earlier in the season and should have no difficulty in winning (Continued on Page Four.)

SCHISSLER TO INAUGURATE INTRA-MURAL BASKETBALL

Meeting Called for 11:50 Friday Morning in Chapel of the Armory.

Coach Schissler has called a meeting for Friday at 11:50 in the chapel of the Armory for everyone interested in the inter-class and inter-college basketball games. The meeting will be of very short duration; the main purpose will be to talk over the organization of the league and rules governing the tournament.

Representatives of the various classes will be appointed to see about the teams representing their classes and get in touch with the athletic department regarding the time for practicing.

A schedule will be arranged as soon as possible for the different teams in the various colleges and classes. Coach Schissler wants every one interested in these contests to be on hand Friday noon at the meeting so that some idea may be derived as to just what steps may be taken in putting on the games.

DELIAN BANQUET IS SLATED FOR DELAVAN

The Delian Literary Society will hold its annual banquet at 6:30 Saturday evening at the Delavan hotel. The Rev. W. T. Elmore, pastor of the First Baptist church of Lincoln, an alumnus of the society, will act as toastmaster.

A partial list of those on the toast list is as follows: Dr. J. C. Lyman, Dr. Alice C. Hunter, Miss Florence Williams, Mr. Geo. E. Darlington and Miss Vera Rigdon.

Ruby Wolvenden, president of the club, stated that "there are still a few of the members who had not made their reservations as yet, who should do so immediately as no tickets will be sold after 6 o'clock Thursday evening except to out-of-town alumni."
