LINCOLN, NEBRASKA, TUESDAY, FEBRUARY 22, 1921.

PRICE FIVE CENTS.

INTER-FRAT GAMES

Finals Will Be Played a Week from Saturday-All Games in Armory.

DELTS AND SIG EPS STRONG

Teams Are Practicing for the Fray -Students Interested in Outcome.

The schedule for the coming interfraternity tournament has been completed and the first games will be played Wednesday afternoon. Four games will be played beginning at 5 o'clock and continuing up until 8.

The remainder of the games in the first round will be played on Thursday and Friday afternoons. The second round will start at 1 o'clock on Saturday and continue the rest of the afternoon. The three remaining contests in the second round will be played on Monday.

Tuesday, Wednesday and Thursday will see the tournament brought up to the finals. The finals will be played on Saturday at 2:30. All of the games will be held on the Armory floor, enabling the different frats to have plenty of rooters on hand to help out in the games.

Delts and Sig Eps Are Strong.

Probably the closest contest on the schedule will be the battle between the Delts and Sig Eps. Both of these teams are of championship calibre and should put up a real battle. The Deltswere last year's champs and have been greatty strengthened by the addition of some of last year's high school basketball star athletes. The Sig Eps will present an equally strong lineup and promise to show the other teams some real speed on

On account of the large number of byes drawn there will be only nine contests in the first round with eight in the second part of the tournament. All of the frats have been practicing for the last few weeks and a great deal of enthusiasm is being displayed on the campus over the outcome of the tournament.

TWENTY ARE TAKING THE RURAL LEADERSHIP COURSE

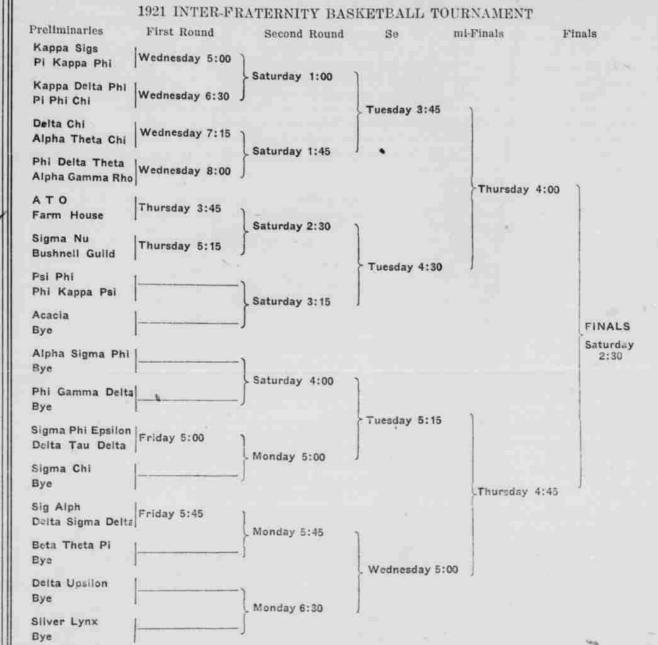

Sixteen men and four women have enrolled in the course in rural leadership, which has been arranged by the University Y. M. C. A. to be given by Prof. J. O. Rankin in Rural Economics Hall on the Farm Campus Wednesday evening at 7:30.

The tentative plan for the remainchurch, March 9; tenancy and leadership, March 16; the farmer in polithe farm bureau, April 21.

The majority of the students now to control this moth." registered for the course are doing additional reading and survey or research work. One hour of University ALPHA ZETA WILL AID credit will be given for this.

INTERCLASS BASKETBALL

Our inter-class basketball tournament will be played Thursday and Friday afternoon March 4 and 5, at the University Arory. The Freshmen will play the Juniors at 4 p. m., Friday, and the Sophomores the Seniors at 4:15 p. m. Finals will be played Saturday afternoon the winners of Friday games playing 2:30 p. m., and the losers of Fridays games at 2:45 p. m. Leaders of class organizations should meet Coach Schissler as soon as possible to arrange for practice periods.

PEST INFECTED TREES TO ARRIVE HERE SOON

Professor Swenk Will Inspect Fruit Seedling for Harmful Moths.

Prof. Marion N. Swenk, state entomologist, has just received a notice from Washington, D. C., that there is a shipment of 15,000 French fruit seedlings enroute to Nebraska nurseries, which will arrive about February 21 or 22. These seedlings are infested with gypsy moth or browntail moth.

This is the first time in a number o' years that an importation of these pests has occurred.

Several members of the entomology staff will inspect these trees, in order to detect either winter nests of the brown-tailed moth or egg masses of the gypsy moth. The packing moss, excelsior, chaff, straw, leaves, paper, will be carefully removed and burned. Professor Swenk made the following

"The brown-tail moth is most likely to be introduced in the very small caterpillar stage. In this form it occurrs hidden away in the winter webs. ing eight lectures is as follows: The These webs are conspicious and read nature and needs of rural leadership, Hy detected, but occasionally the February 23; leadership and recrea- webs are small and so tucked away in tion. March 2; leadership and the crotches of branches that they are not easily seen. A single web passed by the inspector may contain from fifty tics, March 23; leadership in health, to three or four hundred moths, half March 30; leadership based on sur- of which are likely to be females, with veys, April 7; leadership and the an egg laying capacity of several printed page, April 14; leadership and hundred eggs. Once introduced into a locality, constant vigor is necessary

IN CHOOSING MAJORS

Prof. O. W. Sjogren talked on "The Possibilities of Agricultural Engineer ing" at the monthly meeting of Alpha Zeta, honorary agricultural fraternity, Friday. He discussed sanitation, power farming, farm drainage, irrigation and designing of farm buildings.

In order to offer the students in the Agricultural College a chance to acquaint themselves with the various apportunities offered in choosing their majors, Alpha Zeta will present a program which will show the possibilities of each field.

The next open meeting will be held March 17. The field of animal husbandry will be discussed by a member of that department.

STUDENT VOLUNTEERS HOLD CONFERENCE NEXT FRIDAY

No Delegates Appointed-All Students May Attend Meeting.

The annual Student Volunteer state conference will be held at Midland College, Fremont, February 25-27, beginning Friday evening. All students are invited to attend.

Harry F. White, national Y. M. had charge of the Y. M. C. A. work in India and Egypt during the war. He plans to return to India soon to out. do Y. M. C. A. work.

Other speakers are C. H. Haase, M. D.; Dr. Mason and Miss Ruth Roche, national traveling secretary of Student Volunteer. Dr. Haase has been doing medical work in Arabia, ne of the hardest places to work. He is now national traveling secretary of Student Volunteer. Miss Roche is a graduate of Wellesley.

The purpose of this conference is to acquaint students with the conditions in foreign countries. The addresses are planned to help those who wish to understand better the relation of the American citizen to the foreigner as well as to prepare the student volunteers for work in foreign

versity are not selecting delegates. Palladian Club open meeting, 8.30 but are inviting all students to at tend. Most of the Student Volunteers will go. The railroad fare for the round trip is \$2.71. A \$2 registration TO REPRESENT FIRM IN IOWA fee will be charged, which will pay for lodging Friday and Saturday nights and for the two breakfasts.

> schools in Nebraska have Student Volunteer organizations and will be represented at the conference.

Nebraska did not hold a state conference last year, as the national con- fice at Des Moines. ference was held at Des Moines. A was held at Crete in 1918.

Max Gentry of the School of Medicine at Omaha, is president of the ter at a business meeting at 5 o'clock Nebraska organization of Student Volunteers. Mr. Gentry and the other state officers have charge of

Further information may be obtained from Hattie Hepperly or any other Student Volunteer.

Easterners Have One of the Strongest Teams in That Section of the Country.

MISSOURI LEADS CONFERENCE

Nebraska is Second on Valley List -Kansas May Defeat Tigers.

Coach Schissler gave the Husker basketball men a needed rest yesterday and will begin preparations today for the coming Colgate games on Friday and Saturday of this week. The squad is in fairly good condition onsidering the two hard games that were played with the Notre Dame aggregation.

Nebraska followers of the cage sport will have a chance to see how the Cornhusker quintet compares with the hest teams in the east when the Colgate and Husker quintets mix in their two game series. Colgate has one of the greatest basketball squads n the east and have scored a total of more than five hundred points tready this season from their oppo-

Colgate Has Strong Team.

Every man on the Colgate squad 's an experienced basketball player and the regular team is composed of eve men who are known all over the eastern conference for their basketball ability. The Colgate crew are on a western tour at present asd have een winning all of their games without much opposition.

Coach Schissler will put the entire quad through a stiff signal practice his evening and will scrimmage Wednesday and Thursday evenings. he team has come out of the slump that was giving all of the men trouble and are playing their best basketball of the season. The team worked against the Notre Dame in clock-like ashion and completely outplayed the strong Catholic team. Coach Schissler is fast developing a number of men to fill the shoes of Patty. Carman and Warren showed a great deal of improvement in the games Friday C. A. worker, will speak. Mr. White and Saturday nights and they should develop into players that will be as good as Nebraska has ever turned

Missouri Leads Conference.

Four games remain on the schedule for the Huskers. Two contests the Ames Aggies next week will with Colgate this week and two with round out the eighteen games on the Husker schedule. Nebraska is second in the Missouri Valley race with Missouri at the top of the list. The Huskers have dropped one conference game, that to Ames, while the Missourl athletes have a perfect record.

Missouri will play her final games this week, by winning these contests she will have a clear title to the conference race. Nebraska was tied with the Tigers for first place up until the first contest with the Ames aggregation which the Huskers dropped by a small score. Nebraska's The Student Volunteers of the Uni- only chance of capturing the conference flag now is by the Tigers losing their two remaining games.

GRAVENGAARD CONTRACTS

H. P. Gravengaard, '20, who took special work at Harvard University Most of the colleges and normal last semester has signed a contract with Worth & Co., of Philadelphia, a large financial institution of the east, to represent them in Iowa. He will begin his work March 4, with his of-
