

THE DAILY NEBRASKAN

VOL. XX. NO. 103.

LINCOLN, NEBRASKA, WEDNESDAY, MARCH 2, 1921.

PRICE FIVE CENTS.

OFFICIALS CHOSEN FOR STATE TOURNEY

The Entire "N" Club Will Act as Reception Committee for Visitors.

TO USE EIGHT FLOORS

Over Two Hundred Teams Are Entered in the Tournament Which Will Be One of the Largest.

Director Leuhring has announced the committees for the state high school basketball tournament here next Thursday, Friday and Saturday.

The first committee on the list is the reception committee. This committee will be headed by the "N" Club of Nebraska with every "N" man in the University a member. The chairman for the "N" Club will be Jack Egan. The University Y. M. C. A. will co-operate with the "N" Club in receiving the visitors. The chairman of the Y. M. C. A. committee is Mr. Heffely, who has his office in the Temple building. The Temple building will be the headquarters for all the visiting teams which they are in Lincoln.

The "housing committee" will be under the direction of the Lincoln Chamber of Commerce with Mr. Thoms acting in the capacity of chairman. Eugene Ebersole will be joint chairman of the committee for the University. The medical examination committee will be under the direction of Dr. Waite, acting as chairman, with Drs. Clapp, Webb, Harry Everett and Oliver Everett as assistants.

"Bill" Day Heads a Committee.

The manager's committee will be headed by "Bill" Day as chairman. Day will also have charge of the Coliseum during the tournament. John Pickett will be in charge of the Armory. Andrew Schoepel will take care of the Auditorium, and Mr. Furber will be in charge of the Y. M. C. A. floor. Harold McGlasson will manage the chapel in the Armory and William McCrory will take charge of the Lincoln high school gymnasium where both floors will be used. Coach Dew of University Place will be in charge of the University Place high school.

The official committee will be in charge of Paul Schissler and Russell Bailey, who will act as joint chairmen. The following men have been picked for referees and umpires: Dana,

THREE HUNDRED ATTEND ORD DEPUTATION MEETING

Members of the Team Fill the Methodist Pulpit on Sunday.

The University Y. M. C. A. deputation team returned Monday afternoon from Ord where it conducted a three-day series of meetings for High School and older grade school boys. The meetings were held under the auspices of the Community Club of Ord in connection with the teachers of that town.

Three hundred men and boys attended the father and son banquet which was held Friday evening at which "Bill" Day, one of the team members discussed "The Changing System." During Saturday morning the team held conferences with some of the older boys and during the afternoon, they conducted athletic games. The members of the team were "Bill" Day, Leslie Cadwallader, Clyde Wilcox and Harry Linton.

The Sunday meetings were attended by a large number of the boys. The Methodist church pulpit was filled by two of the team members and special meetings were held Sunday evening at which the purposes of the gatherings were shown. Over fifty boys signified their desire to live up to the rules of clean sportsmanship.

Arrangements are being completed for a team to be sent to Grand Island during the latter part of this month to conduct a series of meetings for the younger boys there. Dr. D. E. Thomas has been drilling the deputation teams.

TELEPHONE MEN VISIT HERE LAST WEEK-END

A number of men in the engineering work visited the University last Friday and Saturday and interviewed seniors in the College of Engineering in regard to openings in the development of telephone research fields. The following men were here: W. E. Wickenden of the Western Electric company, L. P. Ferris of the American Telephone and Telegraph company, R. H. Fair representing the northwest group of the Bell Telephone system and L. S. Lambert of the Nebraska Telephone company.

DEAN LEROSIGNOL SPEAKS TO FRESHMEN ON SOCIALISM

Says That This Social System Attacks the Present System—That It Is Theory of Social Evolution.

Socialism can be defined in four ways, said Dr. J. E. LeRosignol, dean of the College of Business Administration, in his lecture to freshmen Tuesday, in speaking on the subject of "Socialism and Other Isms." Socialism is an attack on the present social system; it is a theory of social evolution. It is a scheme of social evolution and, lastly, it is a missionary movement. The negative way of stating the idea is to say that society is all wrong.

Karl Marx was the father of socialism. He was a German Jew and because he was a Jew a great many people make a broad statement that all Jews are socialists, but this is not true. Socialism is really a religion with many people, and like all religions it has its prophets. Karl Marx was its Moses. By its followers it is called a science, but by those who disbelieve it, it is said to be a Utopia,—a condition that can ever exist, an impossibility.

"There are several different kinds of socialism," said Dean LeRosignol. "There is scientific socialism, utopian socialism, christian socialism, state socialism, I. W. W. socialism and gild socialism. Each of these has good points, but all have yet to be proved successful."

In conclusion the Dean called attention to the socialism practiced in Russia. This is commonly known as Bolshevism. It deals with anarchy, violence and revolution. The whole world is awaiting the success of this government—or lack of government. If it is successful more than likely the whole world will take socialism for its guide.

BLOCK AND BRIDLE CLUB ARRANGES TWO CONTESTS

Dates for two judging contests were arranged at a business meeting of the Block and Bridle club, Tuesday evening, at the University Farm.

Plans were inaugurated for a contest, in which all students taking work in the Animal Husbandry Department, will be allowed to enter, and compete for prizes which will be offered by this department. This contest will be staged April 9, at the animal husbandry judging pavilion.

COMMERCIAL CLUB TO INITIATE SEVENTY-FIVE

The Commercial club will hold initiation Thursday, 7:15, at the Grand hotel, following the initiation a smoker will be held and followed by a lunch.

About seventy-five men will be initiated by the club. These men are requested to appear promptly at the Grand hotel Thursday evening.

SENIOR ENGINEERS ATTEND LEGISLATURE

A number of seniors in the College of Engineering attended the legislative hearing in relation to the regulation of public utilities Tuesday afternoon. The engineering students are showing special interest in engineering problems of the state to be taken up by the legislature.

MR. D. EICHE TO ADDRESS THE COMMERCIAL CLUB

Mr. D. Eiche, owner of the Firestone Tire agency of Lincoln will address the members and pledges of the University of Nebraska Commercial club, Thursday morning in Social Science 305 on "Something."

Mr. Eiche is a business man of Lincoln who has a message for the students studying business. Members of the program committee promise a talk on business questions that come up daily in the administration of business. Students attending are asked to be prepared to ask questions.

GENERAL PERSHING TO ADDRESS COMMENCEMENT

General John J. Pershing of Lincoln, will be the commencement day orator for the University of Nebraska. Chancellor Avery made this announcement at a meeting of the American Legion at a meeting held Monday night.

The American Legion, of which Chancellor Avery is a member, will handle the plans for General Pershing's reception and entertainment. George Fawell, commander of the local post of the Legion, has named the committee to arrange the details.

NEBRASKA QUINTET PREPARES FOR AGGIES

Pi Phi Chi, A. T. O. and Delta Tau Delta win in the Third Round of Interfrat Tourney.

Coach Schissler put the men through a stiff workout yesterday afternoon at the Coliseum. The entire squad is showing up well and from all indications Nebraska should win the double bill from the Ames aggregation on Friday and Saturday of this week.

Practically the same men will face the Aggies that started against the Colgate quintet. Ames is well represented this year and being able to take the measure of the Huskers once speaks well for them. The Iowa quintet is composed of little fellows but what they lack in size is made up in speed. The Huskers were forced to the limit to defeat the Ames quintet in the contest at Ames some time ago.

These two games will wind up the season for the Husker basketball squad. Nebraska has thus far made a very good record, winning thirteen games and losing three. Nebraska has successfully come back at the teams that have defeated them and have come out with the larger end of the score in every contest.

Inter-Frat Games.

The third round of the inter-frat contest started off with a bang yesterday when three games were played. In the first contest the Pi Phi Chi quintet defeated the Delta Chi five by the score of 23 to 7. Ability of the medical men to locate the basket was responsible for the victory.

The second game went to the A. T. O. team, winning from the Acacias by the count of 16 to 5. The Acacias put up a good battle but could not put the ball through the hoop when necessary. In the final contest of the afternoon the Deltas continued their winning streak, snowing the Alpha Sigma Phi by the score of 23 to 1. The final contest of the third round will be played tomorrow when the Sig Alpha team will meet the Silver Lynx men.

INDUSTRIAL RELATIONS CLUB PLANS MEETINGS

Prof. Orin Stepanek to Speak Informally on Czecho-Slovakia—Plan Two More Programs.

The International Relations club will meet Wednesday, March 2, at 7:15 in Social Science 205. There will be a short, but very important, business meeting, and all members are urged to be present. Prof. Orin Stepanek will talk informally on Czecho-Slovakia.

The club has planned two meetings in March to which everyone is invited. It has secured two of the best speakers sent by the Institute of International Education of which the International Relations club is a section.

Friday, March 11, at 7:30 in the Social Science auditorium Prof. C. D. Allin, head of the department of political science at the University of Minnesota, who recently had a sojourn in England and Europe, will speak on "Economic and Political Conditions in England with Special Reference to Foreign Affairs." The meeting will last not more than an hour.

Friday, March 18, at 7:30 in the Social Science auditorium Bishop

MAY ABOLISH THE STUDENT COUNCIL

Mass Meeting, Last Night, Passes Motion to Hold Election in Weeks.

ASK A SPECIAL MEETING

Council Would Coerce Executive Dean and Dean of Women if Allowed to Exist.

At a mass meeting called by L. W. Metzger, president of the Student Council, a petition was presented for the purpose of considering the holding of an election to vote upon the question of abolishing the Student Council. A motion was made and carried to hold this election within two weeks after the mass meeting.

Under the constitution of the Student Council a mass meeting may be called at any time. A petition circulated among students of the University made the meeting possible. The petition as it was circulated follows:

The Petition.
To the President of the Student Council of the University of Nebraska, Greetings:

Whereas, the Student Council of the University of Nebraska, as designed and existing at the present time, would if it should function, coerce the well defined and properly placed powers of the Dean of Women and the Executive Dean.

Whereas, in the future, the Student Council, would, if it should function, supplant the faculty committees and bodies which have heretofore directed well, the supervision of Student Organizations, Scholarship, Eligibility, Student Activities, School Elections, Publications, University Lyceum, etc.

Whereas, the Student Council would, if it should function, supplant the traditional committees, organizations and societies which have been a part, some for the past thirty years, of University tradition and life.

Whereas, although the Student Council was originally designed and brought into being for the explicit purpose of functioning as stated, it has to date failed absolutely in every respect and further, it has failed to promulgate during two years of its existence, one single piece of constructive legislation for the benefit of the University of Nebraska.

Therefore, be it resolved, that the President of the Student Council, as specified in the constitution of the Student Council, call a mass meeting for the purpose of duly considering the holding of an election to vote solely upon the question of abolishing the Student Council, which is and always has been a non-functioning, superfluous and unneeded student organization.

We, the undersigned, all students of the University of Nebraska, are heartily in favor of the above resolution.

DEAN FORDYCE SPEAKS ON EDUCATIONAL TESTS

Addressed the National Educational Association on the Classifying of Children in School.

Dean Charles Fordyce of the Teachers College of the University of Nebraska spoke at the meeting of the National Educational Association at Atlantic City, N. J., last Friday on educational tests in forecasting the educational career and in classifying children in the elementary school.

This is one of the biggest meetings in the history of the National Educational Association. Over eight thousand leading educators from all sections of the United States, representing every phase of education, are in attendance. There are fifty-two separate programs.

At the beginning of the second semester of 1919-1920 the Army Alpha Intelligence examination was given 110 students in the Teachers College High School in the University of Nebraska.
