## DELTS AND ATO'S TO PLAY IN FINALS

PI Phi Chis and Big Alphas Defeated in Two Snappy Games in Semi-Final Round.

### BOTH GAMES ARE CLOSE

Final Clash Is Slated for 2:30 Tomorrow Afternoon in Armory—Sensational Battle Expected.

Two snappy contests brought the semi-finals to a close yesterday in the inter-frat basketball tournament. The A. T. O. team defeated the PI Phi quintet by the score of 18 to 17 and the Delts won from the Sig Alph men by the count of 15 to 12.

The finals for the championship of the Greek organizations will be played on tomorrow afternoon in the Armory at 2:30. The A. T. O. team will meet the Delts in what promises to be one of the greatest battles ever pulled off on the Armory floor. Both organizations are represented by strong teams and have a large number of backers.

The first contest of the afternoon was between the Medics and the A. T. O. team. Both teams played exceptionally fast basketball and were evenly matched. The score at the end of the first period stood 9 to 8 with the A. T. O. men on the long end. The second half proved to be a battle on both sides with scoring honors even.

The most exciting contest was played between the Delts and Sig Alph quintets. The Sig Alph team presented a formidable appearance with Weller, Thomson, and Swanson filling positions on the quintet. The downfall of the Sig Alphas was brought about by Gass, the Delt center, who sunk two baskets from the middle of the floor in the last two minutes of play and winning the game for the Delt team.

The first half found the score 7 to 3 with the Delts on the long end. Both teams started the second half with a rush and the Sig Alph men started a scoring spurt that tied up the score. Gass dropped his two baskets and

## JUNIORS AND FRESHMEN WIN IN INTER-CLASS MEET

Senior and Sophomore Girls Fall in First Round—Finals Played Saturday.

The Juniors and the Freshmen won in the first round of the girls' inter-class basketball tournament. The Juniors had the lead on the Sophomores from the beginning and took the game with the score of 28 to 15. Ruby Damme, the Sophomore center, was unable to play during the last half of the game and Dorothy Whelpley substituted. Eleanor Snell and Nannie Roberts piled up the scores for the Juniors. Adelheit Dettman, Sophomore forward and captain, divided the basket laurels with Bessie Epstein, the other Sophomore forward. The Sophomores played a good game but the close guarding by the Juniors kept them from scoring.

The Senior-Freshman game was evenly matched with neither team gaining much headway. The game was tied at 6 to 6. The Freshmen won the game when Marie Snavelly, Freshman forward, made a score just after the decision to play off the tie. The Freshman team was handicapped because of the absence of several of their members. Mary Shepherd, Senior forward, was the star point

## HARRIETTE FORD HAS NARROW ESCAPE

Harriette Ford, '22, of Bertrand, narrowly escaped death Tuesday evening during a swimming class in the High School pool. She was attempting to swim the length of the pool on her back and in some unaccountable manner, the splashing of water against her face checked her progress when she was almost in the center of the pool.

Before she could regain her stride she had gone under three times. After a desperate attempt to hold to a pole that was thrown to her from girls at the edge, she was finally rescued by some of the swimmers. It took a number of minutes to revive her.

## UNIVERSITY CADETS HEAR MAJOR DOUGLAS

Marcus Poteet and Professor Frankfurter Also Addresses Military Convocation Thursday.

A military convocation for the cadets of the military department of the University Thursday afternoon was addressed by Representative Douglas, former major in the United States army and the National Guard. Chancellor Avery presided, introducing the speakers. In addition to Major Douglas' address, short talks were delivered by Marcus Poteet, of the American Legion, who talked about experiences at Fort Snelling, and Professor Frankfurter of the Officers Reserve Corps.

The Chancellor pointed out to the cadets that by taking the full cadet work of the department, including the summer camps at Fort Snelling, a student would receive from the government about \$600 in clothing and pay. "This \$600 if placed at interest would amount to about \$4,000 by the time your oldest son is ready to go to college," Chancellor Avery said.

Major Douglas told the cadets about his three periods of service in the army and what they have meant to him. His enlistments covered periods in the Mexican, Spanish and the late world war. "I hope you will preserve your military records and go on with your training. It will give you a jump on the other fellow if war ever comes. The real inspiration is the chance, that possibility, that in some day, in some future time, it may be our privilege to go out and defend against her enemies that country we love so well."

Marcus Poteet, who spent a period in the training camp at Snelling before receiving his commission in the army, mentioned the benefits to be derived from a vacation in one of the cadet camps. "For a summer vacation you can find no better place. It will profit you physically, morally and financially and in every way increase your well being."

A misunderstanding as to the place in which the convocation was to be held caused some confusion. The original place designated was the Temple theater, and this being occupied at that hour the speakers were forced to transfer to the Social Science auditorium.

## ANNOUNCES CAPTAINS OF SWIMMING TEAMS

Martha Krogmann, swimming sport leader for W. A. A., has announced the following temporary class captains: Sue Stille, senior; Alice Stevens, Juniors; Dorothy Whelpley, Sophomores; Pearl Safford, Freshman. The water sports day will be held in the early part of April, at which time girls will take part in class and individual contests.

## HIGH SCHOOL TOURNAMENT COMMITTEES.

The "N" Club is taking charge of the Nebraska High School Tournament to be held next week. All the committees which were announced in the Daily Nebraskan March 2 should meet Sunday afternoon at 3:30 with Athletic Director Luehring, Coach Schissler and the High School Athletic Board to make final plans for the tournament. It is absolutely essential that every man on these committees be present.

## University Calendar

### Mrs. Caldwell to Give Talk.

Mrs. H. W. Caldwell will give an illustrated lecture on "The City of Washington" at the fortnightly meeting of the Young People's Society of the Unitarian Church, 12th and "H" Streets, Sunday evening. The usual supper will be served at 6:30 to be followed by Mrs. Caldwell's talk and later a short social time.

All university students are cordially invited to attend these gatherings.

## LUNCHEON TICKETS.

Tickets for the Greater Nebraska luncheon at 12 o'clock at the Grand hotel will be on sale at the door for 40 cents. Dr. F. W. Luehring will speak on "Nebraska as Host and Guest in Athletics" immediately after the chicken pie lunch.

Meeting of all candidates for the Freshmen basketball team for the class series at the Armory at 11 o'clock Saturday morning. Bring clothes.

## FEATURE EDITION FOR SUNDAY MORNING

The Daily Nebraskan will issue another feature issue of the paper Sunday morning, March 6. It will have six to eight pages and be chuck full of news and feature stories of university life.

The usual delivery service will get papers to the different organizations on the campus early in the morning. Students that call for their copies of the rag may obtain them at the Temple between 9 and 11 o'clock. Subscribers unable to call for their papers on Sunday may get them as usual on Monday morning from the Postoffice in U. Hall.

## NEBRASKA WRESTLERS TO CLASH WITH IOWA

Huskers and Hawkeyes Will Meet in Final Event of the Season for Scarlet and Cream.

Nebraska grapplers will meet the Iowa mat men in a dual meet at Iowa City in the last dual meet of the season for the Husker athletes. Dr. Clapp, coach of the Nebraska team has had his men working hard the past few weeks in preparation for the Iowa invasion and feels confident that the Huskers will bring home another victory.

Iowa has one of the greatest wrestling teams that ever represented that school and promise to give the Huskers a real battle. The Iowa mat men have already defeated Illinois, who won the Western Intercollegiate championship last year and secured a victory over the Minnesota wrestlers also.

Practically the same men will represent the Scarlet and Cream against the Iowa men as went against the Ames and Oklahoma A. & M. teams. Bengston will wrestle in the 115-pound class with Power acting in the 125-pound division. Long is scheduled to perform in the 135-pound group with Wertz or Reed wrestling in the 145-pound division. Gayle Pickwell will be the Husker representative in the 158-pound class and Troutman and Captain Hoyt will wrestle in the 175 and heavyweight divisions.

Following the Iowa meet Dr. Clapp will start preparations for the Western Intercollegiate meet which will be held at Bloomington. Nebraska was well represented last year in this meet and should make an equally good showing this year.

## PILFERING FROM STUDENTS.

Hoagland Says This Is What It Is and Statement Obtained Reconsideration of Bill.

The Senate committee on education recommended that S. F. 325, by Hoagland, be indefinitely postponed and the report was adopted, but the introducer of the bill obtained reconsideration and the bill was referred back to the committee on education. Hoagland got this concession by stating that he had some facts that might be startling for the senate. "These facts relate to what I term petty pilfering from university students. I do not want to present them to the senate, but will have to do if the committee does not give a hearing."

The bill introduced by Hoagland which was the subject of this action, provides that non-resident pupils at the university shall pay the actual cost of instruction instead of fixed registration fees.

## AMES HERE TO BATTLE HUSKERS

Nebraska Team and Cyclones Will Meet in First of Two-Game Series in Coliseum Tonight.

### IOWA TEAM IS STRONG

Games this Week Will Mark Close of Basketball Season for Schissler's Team.

The Husker basketball quintet will meet the Ames team in the first game of the series tonight at the Coliseum. The Iowans arrived in Lincoln yesterday and took a good workout on the local floor last evening.

Coach Schissler feels confident that the Nebraska quintet can defeat the Aggies in both contests but expects a hard battle in both games. Practically the same team will be used against the Iowa men that faced the Colgate team last week. Captain Bailey and Newman will work the guard positions with Bekins at the pivot position. Smith, Carman and Warren will probably alternate at the forwards.

The two games with the Ames aggregation will be the last chance the followers of the Huskers will have to see the 1920-21 basketball team in action. Director Luehring is planning for two of the biggest crowds of the season at the closing games.

### Inter-Class Basketball.

The first round of the inter-class series will be played off Monday of next week. The Freshmen will meet the Juniors and the Sophomores will mix with the Seniors.

Interest in the class games is a little slow in developing with the inter-frat contests on but Coach Schissler feels that all of the classes will be well represented in the contests.

### State High School Tournament.

Drawing and classifications of the various teams entered for the State High School classic were completed last night late and will be announced in the Sunday edition of the Daily Nebraskan.

## HUSKERS TO COMPETE IN ILLINOIS RELAY CARNIVAL

Schulte Takes Dale, Wright and Deering to Enter Classic at Urbana Tomorrow.

Coach Schulte will leave this evening with Dale, Wright, and Deering for the Illinois Relay Carnival at Urbana tomorrow. The relay team was expected to go but could not make the trip.

In competing in the Illinois meet, Nebraska will meet some of the fastest men in the country in the different events. Deering will enter the dashes for the Scarlet and Cream and should grab off some of the honors here. The Husker athlete won first at the K. C. A. C. meet last week in Kansas City in the 50 yard dash from a large field of entries.

Wright will be entered in the hurdle events. Wright was the victor over Williams of Missouri in the preliminaries at the K. C. A. C. meet but had to be satisfied with second place in the finals. Dale did not take part in the Kansas City meet but can be depended upon to bring home some honors. The big Nebraskan will be in the the weight event. Dale won the Missouri Valley shot put last year and has been showing good form this year.

LAST GAMES OF THE SEASON  
**Coliseum AMES Versus NEBRASKA Eight P.M.**  
AMES 23 - NEBRASKA 32 PAST SCORES AMES 36 - NEBRASKA 30
