JUNIOR CO-EDS WIN BASKETBALL TROPHY

They Defeated the Freshmen With a Score of 19-6. Was a Close Game.

The "Class of 1922" will again be engraved on the girls' basketball cup. The Juniors defeated the Freshmen with a score of 19 to 6. The Junior forwards, Eleanor Snell and Nannie Roberts were dead shots at the basket and seldom missed a chance. The underclassmen fought hard but were unable to break away from the close guarding of the Juniors. Pearl Safford, freshman forward, made all the score for her class. The game was the fastest game of the season and in spite of the score the juniors did not have a walk-away.

In the second team games played Friday noon the Freshmen beat the Juniors to a tell-tale score of 26 to 8. The Senior-Sophomore consolation game was not played off as previously arranged.

ARMY OFFERS STUDENTS SUMMER TRAINING CAMP

SIX WEEKS SCHOOL FOR R. O. T. C. MEN AT FORT SNELLING

Work and Recreation Will Be Distributed To Make the Course Interesting and Enjoyable.

It is estimated that over seventy-five cadets from the University of Nebraska will attend the R. O. T. C. camp at Fort Snelling, Minnesota, next summer. Saturday, April 9, is the last day that men who are expecting to go will have an opportunity to register. The military department is anxious that all men who are doubtful as to whether they can attend, shall register by this date also and leave the final decision until later. The office of the department is room 202, Nebraska hall.

The period of this camp will be six weeks. It is open to all men or sophomore enrolled in the R. O. T. C. is eligible for the training at Fort Snelling. Those sophomores who have completed the basic course satisfactorily and signed a contract to continue the advanced course will be allowed credit for this work on their advanced course.

Six Weeks Full of Study.

The program for the camps, as explained by Captain Nix, provides for a strenuous but enjoyable and beneficial six weeks. The time will be divided between instruction in fundamentals and in technical subjects. Quizzes will be plentifully interspersed throughout the regular routine and at the close of the camp each successful cadet will be given an individual grade and record report bearing the grade which they have earned during the period. Among the subjects in which the men will receive instruction are physical training, organization and administration, close and extended order drill, target practice, practice marching, ceremonies, care of the equipment, first aid, map reading, minor tactics, and others.

But the officers who made the plans for the camps realized that "all work and no play make Jack a dull boy" so they created the post of Camp Recreational officer. It will be the duty of this officer to provide a camp band, organize mass singing, bring to the camp moving picture shows and other entertainments, promote athletics, make provisions for the care of visitors, and give the men opportunity to read and to attend devotions on Sunday. All kinds of athletics will be introduced. July Fourth has been set aside as field day.

The university men will be exempted from kitchen police and other disagreeable duties that go to make camp life tedious. For the war department had ordered that the camp be provided men to perform these tasks. It has also been decreed that the students with a detachment of regular army shall receive the West Point allowance for rations which exceed the regular army allowance by some thirty cents a day.

The students branch of the American Engineers, at the University Farm, held their monthly meeting Thursday evening, March 3, at which Prof. O. W. Sjogren gave an address.

Professor Sjogren gave a report of his recent trip to the International Tractor show at Columbus, Ohio, explaining the nature of the power machinery and educational factors observed. DELTA TAU DELTA WIN INTER-FRAT TOURNAMENT

GAME WAS TIED UNTIL FINAL MOMENTS.

First Half Ended With the Score 4-1. Schafers and Maxwell Got Most Baskets.

The interfraternity basketball tournament closed yesterday afternoon when the Delts defeated the A. T. O. quintet in the finals. The score was 12 to 7.

Both teams played fast basketball with the A. T. O. men playing a faster passing game than the Delts. Inability to hit the basket held the score down for both teams.

The A. T. O. team scored the first point of the game when Maxwell secured a free throw. Maxwell and Schafers followed with a free throw apiece making the count 2 to 1 in favor of the A. T. O.'s. Hager dropped a long one and Roberts put the ball through, tying up the score. The first half ended with the score tied 4 to 4.

The second half started out with the Delts having more luck with the baskets. Schafers tossed in a free throw and followed with a sensational basket. The A. T. O. men came back strong and tied up the score, making the count 7 to 7. Baskets by Holland and Gass put the Delts four points in the lead and Schafers tossed a free throw just as the final whistle blew.

Won Championship Last Year.

Winning yesterday's game gives the Delts their second consecutive championship of the fraternity basketball tournament. Last year the Phi Delts battled the Delts in the finals with the Delts coming out on top. The majority of the 1920 championship Delt team graduated to the Varsity this year. The addition of Holland and Schafers to the Delt team this year gave them unlimited material. Both of these men were all state performers on last year's championship Lincoln high team.

The A. T. O. team was composed of mostly veteran players with Miller, a freshman, the only new addition. The A. T. O. men played their best game of the tournament against the Delts and were picked as a winner a number of different times throughout the game.

Following is a box score of the game:

DOUBLE VICTORY SEASON'S CLIMAX

Capt. Bailey, Bekins and Newman Play Stellar Ball in Their Last Games.

HUSKERS SHOW SPEED

Friday's Score was 33 to 16 and Saturday's 36 to 12—Nebraska Was Never Once Threatened.

Results of the Nebraska track team at the Illinois Relay Carnival at Urbana:
Deering, first in the 75-yard dash.
Wright, first in the 75-yard hurdles.
Dale, third in the shot-put.

Nebraska wound up the 1920-21 basketball season with two big victories over the Ames Aggies. The Huskers won from the Iowans on Friday night by the score of 33 to 16 and last night by the count of 36 to 12.

The Huskers completely outclassed the visitors in all departments of the game and were never in danger once, during either contest. Captain Bailey, Newman and Bekins played their last games for Nebraska last night. This trio were the big features of both games with their clever playing.

Friday night's contest was somewhat closer than last night's game. The Ames crew threw a scare into the Husker camp with their fast floor work and clever passing. Nebraska came back strong with a burst of speed that dazzled the Aggie quintet and were able to gain a lead that the Iowans could not overcome.

The first half of the Friday night's contest found the Huskers in the lead with the count 16 to 9. During the second half the Nebraska men were able to locate the basket regularly and when time was called the count was 33 to 16 in favor of the Scarlet and Cream. Smith and Bekins were the big point getters in the first contest, Smith making ten and Bekins thirteen.

May Tie With Missouri.

Saturday night's game was a one-sided affair with Nebraska doing most (Continued on Page 3.)
