

THE DAILY NEBRASKAN

VOL. XX. NO. 107.

LINCOLN, NEBRASKA, TUESDAY, MARCH 8, 1921.

PRICE FIVE CENTS

NEBRASKA MECCA FOR SCHOOL LADS

Seventeen Hundred Athletes to Flock to Lincoln for Cage Carnival.

FINAL PLANS ARE COMPLETE

Over Two Hundred Quintets Enter Eleventh Annual Tourney Slated for This Week.

Nebraska will be host to the largest group of high school students that were ever congregated at the University in the history of the school during the latter part of the week.

The eleventh annual high school state basketball tournament will bring nearly two thousand contestants alone. Along with these players will be their coaches and a large number of people interested in the individual teams.

Last year Nebraska conducted a great tournament but the 1921 affair will outstrip last year's affair by a big margin. There are more teams entered this year than took part in the 1920 tournament. The two hundred teams entered have been divided into thirteen classes according to their record made the past season.

Final arrangements were completed Sunday at a meeting of all the "N" men and the various committees appointed for the tournament. Director Luehring is finding some difficulty in housing all of the visiting men, but feels that everyone will be taken care of in the best manner possible.

Games Early Thursday.

The first games will commence promptly at 8 o'clock on Thursday morning. Playing will continue all day and evening. The same program will be used for Friday and Saturday also. Programs containing everything pertaining to the tournament will be on sale Thursday morning in order that every team will know the place and time it is to play.

Every floor that if of any size in the city will be used for the tournament. All of the Class A and B games are to be placed at the Coliseum. Other floors that are to be used are the Armory floor, Y. M. C. A. floor, Chapel, Auditorium and Lincoln High School.

Couch Schissler, who will have charge of all of the referees, will have a large staff of men at work at all places, insuring the promptness of playing the contests.

FRESHMEN SLIP ONE OVER ON JUNIORS IN BASKETBALL

Easily Outclass Older Opponents by 21-14 Score—Finals This Afternoon at 4:30.

The first round of the class basketball contests was played yesterday afternoon in the Armory. The Freshmen handed the Juniors the short end of the score in their game and the Seniors were forced to forfeit to the Sophomores on account of not having a team.

The Freshmen surprised the Juniors somewhat and won handily by the count of 21 to 14. Keith and Spear for the Freshmen were the big point winners of the game. Keith made eight of the Freshmen points with Spear contributing seven.

The first half found the Freshmen leading the Juniors by a 12 to 7 score. Norton for the Juniors had a keen eye for the basket and was the main scoring factor for the Juniors. The third year men staged some what of a comeback during the second half and held the yearlings to nine points to their seven. When time was called the final score stood 21 to 14.

The finals will be played this afternoon at 4:30 in the Armory when the Freshmen will battle the Sophomores and the Juniors will meet the Seniors. The Sophomores have a strong line-up and will make the Freshmen go the limit for the long end of the score.

Y. M. C. A. Elections Today.

All University men are eligible to vote at the annual election of officers for the Y. M. C. A. The polls will be open in the Temple offices of the association on Tuesday and Wednesday from 11 to 1 and 5 to 6.

PRESS CLUB MEETING CALLED FOR TONIGHT

A short meeting of the University Press Club has been called for this evening, March 8, at 7:15 in room 101, Law Hall.

It is desired that a large number of the charter members attend this meeting, which will be in the nature of a business discussion.

New members will be voted upon. Several other matters of importance, including the probability of giving a Press Club dance, will be discussed.

SECOND BANQUET TO BE HELD NEXT WEEK

Thousand Students Expected to Attend Affair at St. Paul Church.

The second banquet for 1000 students this year conducted under the auspices of the Committee of two hundred is scheduled for March 13 at the St. Paul Church. The evening has been declared closed on account of the banquet and the speech to be delivered by Bishop Homer Stuntz. Tickets are on sale by members of the Committee of two hundred at the former price of 75c per plate.

The topic of the speech to be delivered by Bishop Stuntz as well as for the talk to be given by some member of the faculty or prominent alumnus will be, "After College What." The last banquet for 1000 students was held in October at the Scottish Rite Cathedral. At this banquet more students were present than at any other University banquet ever held. Because the Cathedral is not being used for such gatherings this spring, the Committee in charge was forced to select some other place. The members are anxious that students and faculty members should buy their tickets this week in order that exact counts may be turned in to the management.

Lawrence Slater is chairman of the committee on arrangements. He announces that fraternities and sororities as well as other groups who wish to attend in a body should secure the number of tickets required at the Temple building early in the week so that arrangements may be made. A large number of the houses have decided not to serve dinner on the night of the banquet.

The Committee of two hundred will be re-organized immediately after the banquet and plans for the coming school year will occupy its attention during the remaining weeks of this semester. The main reason for the re-organization is the desire to include in the Committee the religious organizations on the campus which have not yet come into contact with the activities of the Committee of two hundred. The leaders of the Committee this semester have announced that the benefits derived this year from united action are well worth the efforts and that the work for the coming year will be more extensive than ever.

JUNIOR CLASS MEETING TO BE HELD THIS MORNING

The first meeting of the junior class for the second semester will be held this morning, March 8, at 11 o'clock in the auditorium of Social Science Hall. Every member of the class of 1922 is urged to be present.

Minor officers for the second semester will be elected and general class business will be discussed. The probability of beginning work on a junior play to be given some time before school closes will be taken up.

Committees for the second semester for the junior class will be announced soon.

FEW STUDENTS DELAY CORNHUSKER WORK

A few members of the junior and senior classes are holding up the panel section of the Cornhusker. The following people's pictures are still at Townsend's studio and they should be checked up, as they have not been accepted.

Juniors: Eeva Halloway, V. L. Taft, J. M. Blankenship.

Seniors: M. V. Johnson, Jos. Kramer, F. G. Meserve, G. A. Milby, G. B. Quinn, R. B. Stepnicka.

ENGINEER WEEK PLANS HAVE BEEN ANNOUNCED

Speaker of National Prominence To Address Students—Special Issue of Nebraska.

The general plan of the program for the annual Engineers Week, which is scheduled for April 18 to 23 this year, has been announced by A. V. Lindgren, general chairman of the committees in charge.

A speaker of national engineering prominence will address the Engineers at a special convocation Tuesday. A special Engineers edition of the Daily Nebraskan will be distributed that day it will announce the program for the rest of the week in detail.

All Engineers will be dismissed from classes for Engineers Field Day Wednesday of that week, and a full day of events such as level races with prizes has been scheduled to take place at the Farm Campus.

On Thursday night the laboratories of the University will be thrown open to the interested public and the complete operation will be carried on. C. O. Hedges, chairman, reports a big program including demonstrations of the wireless station in operation. The forge and foundry laboratories, the steam power and materials testing laboratories will have demonstrations to interest persons not acquainted with the technical and practical application of engineering sciences. Souvenirs from the various laboratories will be given to the visitors.

The Nebraska Assembly of the American Association of Engineers, which will be holding its convention here at that time, will join with the student engineers in holding a banquet at the Lincoln Hotel Friday evening. Jim Harvey, '08, Engineer and "N" man, who was toastmaster at the Cornhusker banquet in 1915 will have charge of a short, snappy toast list. Tickets for the banquet have not been placed on sale yet, but reservations have been asked for by so many that advertising will hardly be needed to dispose of the tickets.

The events of the week will reach the climax in a dance Saturday evening.

ART CLUB INITIATES NEW MEMBERS LAST WEEK

The University Art club initiated twenty-two members Thursday evening from 6 to 8 o'clock. The initiation began in the gallery but ended in some "wild dark corners" several blocks from where it began.

It is easy to tell who are the new members because their hands and arms are artistically designed with silver nitrate.

The students initiated are: Frieda Amos, Mary Bost, Helen Bachmer, Paul Ninas, Frank Engle, Darl Turnbull, Fred Penny, Esther Triplett, Laurie Oelgen, Helen Smith, Murvin Gilbert, Eulalia Grether, Elenore Guhl, Helen Wiggins, Violet Leopold, LaMona Mapes, Jean Roberts, Jane Marron, Lillian Underhill, Lillian Lewis, Paul Simon, Emma Hansen, Aileen Hilliard.

STUDENT COUNCIL WANTS TO REMAIN

Organization Would Stay on Job According to Resolution Passed Monday.

TAKES A RAP AT PETITION

Group Declares Against Document Calling for Disbanding of Student Circle.

The Student Council voted against having its organization abolished. At a meeting Monday it unanimously adopted a resolution as the stand, which the Student Council takes in opposition to the reasons set forth in the petition submitted to the president of the Student Council prior to the mass meeting of March 1. The resolution follows:

"The Student Council is the only organization in the University of Nebraska that is representative of everybody on the campus, men and women, fraternity and non-fraternity people. A movement has been started to abolish the Student Council. The reasons for this movement are stated in a petition to the council, circulated before March second.

We, the members of the Student Council, would like to point out some of the fallacies in this document of glittering generalities. First, article 1. The Student Council of the University of Nebraska, as designed and existing at the present time, would, if it should function, coerce the well defined and properly placed powers of the Dean of Women and the Executive Dean. Specifically, what powers? And specifically, how? It sounds threatening, but it is not supported by facts.

The second article of the petition is no better than the first. We are told that The Student Council would, if it should function, supplant the faculty committees and bodies which have heretofore directed well "the scholarship, eligibility, student activities, school elections, publications, University lyceum, etc." The Student Council has never attempted to take any of the work of the faculty, except the task of managing the school elections and it was from the students themselves that the demand for student management of elections came.

The third article of the petition is (Continued on page four.)

IRVIN COBB INVITED TO ADDRESS SIGMA DELTA CHI

Honorary Journalistic Fraternity To Hear Noted Humorist on Visit to Lincoln.

Irvin S. Cobb has been invited to be the guest of Sigma Delta Chi, honorary journalistic fraternity for men, at a banquet to be given the evening of his address in Lincoln, March 22. Alumni of Sigma Delta Chi and Lincoln newspaper men will be included in the cover list for the banquet.

Cobb comes to this city under the auspices of the Axis Club. He will make his address on "Made In America" at the auditorium in the evening.

The banquet was proposed in order that members of the fraternity might have the opportunity to meet the speaker personally. Howard Murfin, '21, is chairman of the arrangement committee. Professor M. M. Fogg of the department of journalism will be asked to introduce the humorist. It is expected that covers will be laid for about fifty at the banquet.

SENIOR CLASS MEETING SLATED FOR TODAY

The senior class will hold the first meeting of the second semester today at 11 o'clock in room 101 of Social Science Hall. Minor officers will be elected at this time and general class business will be transacted.
