## PLAN FOR INTER-FRAT TRACK MEET

Inter-Greek Athletic Association Discusses Affair at Meeting Yesterday.

### COMMITTEES APPOINTED

Bowling Tournament Considered and Announcement of Dates Will Come Later.

Plans for an inter-fraternity track meet to be held some time in April was the main topic of discussion at a meeting of the inter-fraternity athletic council held yesterday morning.

A committee composed of John Pickett, Alfred Cerney and Fred Fabrenbauch was appointed to take charge of the meet and fix the date for the Greek battle. Entree fees for the meet must be in Tuesday following vacation.

Every fraternity man in school who is not an "N" man and who did not run in the Kansas City meet will be eligible for this meet. In previous years there has been lots of competition between the frats on the cinder path and indications point to a large amount of rivalry this year.

#### Bowling to the Front.

The annual inter-fraternity bowling tournament was also brought into the limelight. A committee was appointed to arrange the schedule as soon as all of the entrees have been sent in. The exact date for the closing of the entrees will be announced later.

The athletic committee also decided to buy a permanent basketball trophy for the annual inter-frat cage tournament. A committee composed of Roy Wythers, John Lawlor and John Pickett was appointed to select the trophy which will probably be in the nature of a cup. This cup will be presented to the fraternity capturing first place in the inter-frat games each year. One fraternity winning the cup three successive seasons will become the permanent owner. The Deltas will be the first possessors of the cup on account of winning this year's tournament.

#### Baseball Under Way.

The Nebraska baseball team will get under way the last week in March according to the report given out by Coach Schissler. A diamond is now being prepared for the Husker athletes to stage this season's contests on. The schedule for the season will be out the latter part of March. Candidates for the pitching and catching staff of the Husker diamond squad are requested to report at the Armory Thursday afternoon at 3 o'clock.

## CHORUS WILL PRESENT

### "A TALE OF OLD JAPAN"

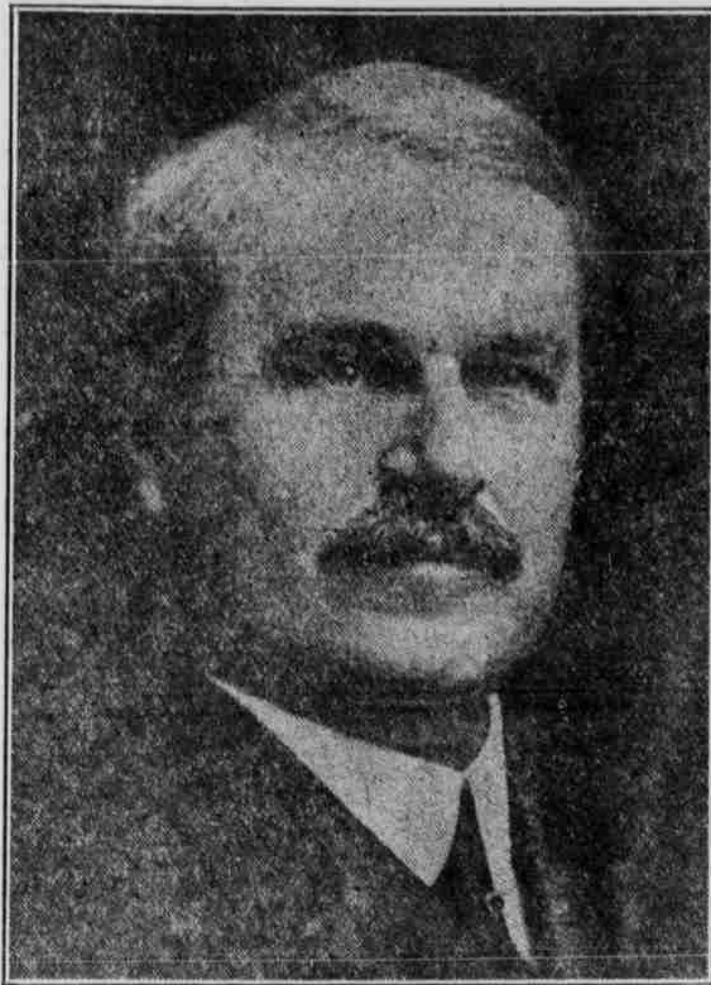

Slated for Musical Convocation March 22—Stringed Quartet Will Accompany.

The University Chorus, under the direction of Mrs. Carrie B. Raymond, will present the cantata, "A Tale of Old Japan," by Coleridge Taylor, at a musical convocation Tuesday, March 22. Very few musical convocations have been given this year but this one will make up in quality for the lack in quantity.

The words of the cantata are taken from the poem of the same name by Alfred Noyes. It is a delicate little story on the order of Madame Butterfly having the same theme for the plot and having the attractive Japanese atmosphere. Unlike most cantatas the Chorus interprets most of the story instead of the soloists.

It will be accompanied by a stringed quartet and piano: Edward Walt, first violin; Mrs. August Molzer, second violin; William T. Quick, viola; Lillian Elche, cello; Mark Pierce, bass; Donna Gustan, piano.

The soloists will be Frances Gettys, soprano; Lucile Cline, mezzo-soprano; Francis Diers, tenor; Oscar Bennett, bass.

Bishop Homer G. Stuntz, world traveler and noted lecturer who will be the main speaker at the second banquet for one thousand students at the St. Paul Methodist church, 12th and M streets Friday evening at 6:15. One thousand students and faculty members are expected to be present.

Bishop Stuntz has been a traveler in South America, Philippine Islands, China and India. He has been in Nebraska work for eight years and is widely known as an interesting and entertaining speaker.

Friday night has been declared closed by the University authorities and the big banquet takes precedence over all other University activities. Tickets at 75 cents per plate are on sale this week.

The Senior Law Class extended to the Junior barristers the privilege of carrying canes. George Craven, for the third year men, said that he thought the Juniors should not carry canes just because the Seniors carry them. He also referred to the custom as an "English habit" of which he became fully tired during the war. Leo Bartunek said that the carrying of canes by Juniors now showed a lack of individuality on their part.

A motion was carried, the substance of which was to appoint a committee whose duty it shall be to find some original custom for the Junior Laws to adopt.

## VOTE TO RETAIN STUDENT COUNCIL

Effort to Abolish Defeated Yesterday By Close Ballot of 177-159.

### ISSUE WAS PECULIAR

Rumors Afloat That the Question Will Again Be Brought to Vote of Students.

By a vote of 177 to 159 the students decided yesterday to keep the Student Council in force. The polls were located in Social Science 107 and were open from 9 until 12 in the morning and from 2 until 5 in the afternoon. There was little campaigning and at no time was there more than a handful of voters in the booth at any one time.

During the class elections February 15th, when officers for the four classes were elected, 1,664 students passed by the election judges. Yesterday only 336 signified their desire either for or against the Council.

The issue has been a peculiar one. Two weeks ago a petition signed by students of the school called a mass meeting at which time a motion was made and carried to have an election to abolish the Student Council. Several days later the Student Council voted unanimously favoring the Council's remaining in force. Later prominent members of the Council openly worked against it.

Already rumors are afloat that the issue will soon be brought before the public when a larger vote will be expected. It is rumored that already petitions to this effect are being circulated.
