LINCOLN, NEBRASKA, FRIDAY, APRIL 8, 1921.

PRICE FIVE CENTS

FRATERNITY TRACK ATHLETES READY

Majority of Organizations Have Entered Annual Event to Be Held Saturday.

RELAY TRYOUTS SAME DAY

Nebraska to Send Team to Penn Relays First of May.

The annual inter-fraternity track meet will occupy the center of the stage tomorrow afternoon when "Greek meets Greek" on Nebraska field. The majority of the fraternities have made some sort of an entry for the meet.

Tryouts for the Drake Relay Carnival at Des Moines, April 23, will be held in connection with the inter-fraternity meet. The men who represented Nebraska at the K. C. A. C. games along with all the other "N" men will take part in a special tryout.

Deering and Smith are scheduled to run a special 100 yard dash. Gibbs, Stromer, McCarthy, McDonald and Bleser will compete in the 440 yard run. The mile will have five entrees with Dorn, Bowman, Coates, Bachkora and Myers on the list. Wright and Gish will run the hurdles and Dale, Moulton, Carson and Brown will work with the weights. Lees and Brown will vault.

Nebraska will be well represented at Des Moines in the Drake Relays. Deering, the star Husker sprinter is entered for the 100 yard dash and Wright will compete in the 120 yard high hurdles. The Cornhuskers are also entered for the half, mile and four mile relays.

Go to Penn Relay.

The Huskers will have a number of entrees for the Penn Relay Carnival, May 1, at Philadelphia. Deering will run the 100 yard dash and Wright is entered for the 120 yard high hurdles and 440 yard low hurdles. Dale will put the shot and throw the 56-pound weight and Moulton will heave the discus and the javelin. Carson will be the Husker representative for the Pentathlon and is also entered for the hop, step and jump. Teams are entered in the Spring Medley relay and the mile relay.

Season Ticket Sale.

Season tickets for the home meets have been placed on sale and can be purchased for one dollar. Coach Schulte is anxious to sell 2,500 of the pasteboards before April 16. Tickets will be on sale by most of the men out for track and can also be purchased at the Student Activities office.

The books will contain tickets for all of the home meets to be staged on Nebraska field beginning next Saturday. Coach Schulte is giving the students of the University a real bargain in putting out the season tickets for one dollar. Should a person pay for each individual meet the amount of money would be in the neighborhood of \$2.50 or \$3.00.

The students have turned out exceptionally well for the cinder path sport this spring and Coach Schulte wants the University to go over the top in the financial support also. The members of the "N" club and other people interested in the sale of the season tickets will make a complete canvass of all fraternity and sorority houses in a few days.

All men who expect to participate in the inter-fraternity track meet next Saturday, April 9, must complete their physical examination before that date. This applies also to men who have been examined previously this year. Candidates should report to Doctor Clapp or Doctor Webb.

H. F. SCHULTE, Coach.
F. W. LUEHRING, Director of Athletics.

NEBRASKA LUNCHEON SLATED FOR TODAY

The Greater Nebraska luncheon at 12 o'clock promptly today at the Grand hotel is the first noon day meeting since the spring vacation. Tickets for the chicken pie dinner and the talk by E. M. Baber, state student secretary of the Nebraska Y. M. C. A., will be sold at the door only for 40 cents.

Mr. Baber, who will be in Lincoln only for a few days, will speak on "One of Nebraska's Graduates." He was associated with Steele Holcombe for three years in his work in this state and is particularly well fitted to tell of the work which Mr. Holcombe is carrying on in Egypt at the present time.

FORDYCE RESIGNS AS COLLEGE HEAD

Prominent in School Affairs, Was Dean of Teachers College for Thirteen Years.

Plans to Continue With University as Professor of Educational Measurements and Research.

Dean Charles F. Fordyce, head of the Teachers College for the past 13 years, handed his resignation to Chancellor Avery Thursday and will continue his University work as professor and chairman of the department of educational measurements and research. The resignation was accepted by Chancellor Avery subject to approval of the Board of Regents to become effective August 31, 1921.

Dean Fordyce states as reason for wishing to be relieved from the executive burdens of dean, a desire to devote full time to the departments of educational measurements and research. Dean Fordyce has for some time conducted experiments along this line and has won notable recognition for some of his researches.

The letter which Dean Fordyce wrote to the chancellor follows:

"To the Chancellor and the Board of Regents: I desire hereby to tender my resignation as dean of the Teachers College to take effect August 31, 1921, that I may devote my full time to the growing needs of the department of educational measurements and research in which I have worked since I connected myself with the University.

"Respectfully,
"CHAS FORDYCE."

IRON SPHINX MAKES PLANS FOR DANCE SATURDAY EVE

Sophomore Organization to Give Hop in Honor of Alumni.

The Iron Sphinx had a business meeting Thursday evening at the Phi Kappa Psi house. Final arrangements were made for the party that is to be given by the organization Saturday evening at the Commercial Club.

The dance Saturday evening is to be in honor of the alumni. It is a tradition of the society that once a year the active men give a dance for their predecessors active in the University. The dance is restricted to members of the Iron Sphinx and former members not now in the University may come but will be required to pay \$1.50.

The organization will hold another meeting May 3 at which time the members for 1921-22 will be voted upon and final plans for their initiation completed.

The Iron Sphinx have been taking an active part in the University affairs this year. A constitutional committee was appointed by the president to make such changes and additions to the present constitution as will enable the organization to better enter into school activities next year.

Friendly Students

Attract the Cop As Ginn Speeds

Amos Ginn, charged with speeding was the victim of friendly greeting from fellow students he told Judge Whitmore in police court Thursday morning.

While riding down North Sixteenth street Tuesday evening in his big gray speedster, he was loudly hailed by the occupants of various fraternity and sorority houses which line R street, Ginn informed the court. The warm greeting attracted the attention of Speed Cop Gross, who was hovering around the corner waiting for speedsters, and he arrested Ginn.

Officer Gross estimated that Ginn crossed the intersection of Sixteenth and R streets at thirty miles an hour.

Ginn estimated that his speed was nearer 18.

Police Judge Whitmore estimated that a fine of \$5 and costs totalling \$11.90 would be about right.

FORDYCE WILL SPEAK TO DAKOTA STUDENTS

Dean Charles Fordyce of the Teachers' College has just completed arrangements with the president of the State Teachers' College of South Dakota at Aberdeen to give a series of lectures on "Educational Research" at the summer term immediately after the close of the first term of summer school at Nebraska University.

GREATER NEBRASKA LUNCHEON.

Tickets for the Greater Nebraska luncheon at 12 o'clock today at the Grand hotel will be on sale at the door for 40 cents. After the chicken pie luncheon, E. M. Baber will talk on "One of Nebraska's Graduates."

BUSINESS ADMINISTRATION POPULAR IN SCHOOLS

"Of late the business world has called so many of the graduates of our colleges that there is now a serious dlith of trained men and women to fill the positions of instructors in our colleges and high schools," said Dean LeRossignol of the College of Business Administration, who has recently received several urgent calls for men capable of teaching economics and business administration to college students. He continued, "There are good opportunities for thoroughly trained men and women in the faculties of our colleges. There are scarcely one-half enough trained students graduated from the colleges of Nebraska to meet the present needs of teaching staffs of the high schools of this state."

FRAT BOWLERS GO THRU SECOND ROUND

Pin-Maulers Now in Semi-Finals of Annual Tourney.

The second round of the inter-fraternity bowling tournament was rolled last night and when the smoke of the battles had cleared away the Xi Psi Phis, Kappa Deltas, Alpha Sigs and Sig Eps emerged the victors.

The Kappa Delta quintet suffered defeat in the first contest at the hands of the Delta Sigs but made a strong comeback and won the two final games. The Xi Psi Phis defeated the A. T. O. team in two straight games. The Dentists look like likely pennant winners.

The Alpha Sigs and Sig Alphas put on a real battle with the Alpha Sig five taking the first and third game of the series. Lucas of the Alpha Sig team rolled high game of 213. Kutak of the Kappa Deltas had high total with 543 pins for three games. The Sig Eps handed the Silver Lynx team the short end of the score in two successive games.

Semi-Finals Today.

The semi-finals of the tournament will be rolled this afternoon at 2:30 p. m. The Xi Psi Phis and Kappa Deltas will mix with the Sig Ep and Alpha Sig crews battling each other. The winners of these contests will meet for the championship tomorrow afternoon. The winner this year will (Continued for Page 2.)

GEOLOGY STUDENTS MAKE SURVEY NEAR CHADRON

Twenty Members in Party That Made Trip During Spring Vacation.

Twenty students of geology made an survey during the spring recess at Chadron, Nebraska. Prof. L. O. Whyman accompanied the man when they left Lincoln, Friday night, March 25. After an all night ride they reached Chadron and were taken by automobile fourteen miles northeast of the city.

The men bunked in an old homesteader's shack, a driller's shack, and a box tent. Many difficulties were encountered during the week and they began at once when a blizzard swept down on them and lasted for nearly twenty four hours. The box tent was nearly blown over several times during the storm.

The White river which only a few hundred feet from the camp furnished all the water used by the men. The cooking was done by a cook engaged from Chadron.

Prof. E. E. Schram joined the party Wednesday evening and returned with the men. During the inspection he fell in the White river.

The men taking this trip covered six square miles of land which they mapped. Many fossils were found and the structure and formation of the land was thoroughly investigated. Final reports on the investigation will be made by the men before full credit will be allowed them.

In announcing these parts the committee wishes to thank all those who "tried out." It also wishes to explain to all contestants how the parts were chosen. Each part was chosen upon a basis of three qualifications: Personality, acting ability and singing ability. Some of the best actors who tried out, could not sing, others who sang well could not act, and some who could both sing and act, were not the type demanded. Those who were chosen seemed to more nearly fit the part in the three particulars. The list is not complete. Another list of names will be announced at an early date.

The Kosmet Klub was organized during the winter of 1910 for the purpose of encouraging the writing of plays and music. This is the first play to be presented for several years. The custom of producing one annually was discontinued during the war.
