Kappa Delta.
Kappa Delta held the annual banquet at the Brown Betty Saturday evening. Pastel shades predominated in the decorations. Ophelia roses were on the tables and the nut cups were crepe paper Ophelia roses. The menus were diamond shaped and painted in green and white, the sorority colors. Miss Vivienne Cleveland, toastmistress, called for the following responses: "Kappa Delta's Diamond," Margradelle Aitkens; "The Pearls," Mary McCoy; "The Guard," Dorothy English; "The Pi Guard," Elsie G. Ainger. Odella Jensen gave a solo dance and at its conclusion drew from an imitation pie the sorority paper. Kappa Delta Pie. Gerolyn Walrath gave several violin solos between the courses. Out-of-town guests were Leatha Ryon, Herman; Gertrude Hughes, Gretna; Margaret Ulry, Tilden; Marjorie Hedblom and Hazel Hedblom, Stromsburg; Esther Killpack, Council Bluffs; Lynn Thompson, Burwell; Eleanor Human, Shelby, and Dorothy English, Omaha.

Alpha Chi Omega.
One hundred active and alumnae members of Alpha Chi Omega were present at the sixteenth annual banquet held at the chapter house Saturday evening. Low bowls of red carnations and ferns formed the center pieces on the tables. Strands of red and green electric lights wound with smilax extended from the center pieces to the corner of the room. The menus were sealed with red wax and tied with green ribbon. Marion Whitmore Webster was toastmistress. The freshman gave a prologue presenting the idea of the toasts which represented the evolution of Alpha Chi. The toast list was as follows: "Chaos," Dorothy Seacrest; "Order," Erma McGowan; "Amboeba," Grace Stuff; "Ape," Ruth Duncan; "Man," Doris Arnold. Lincoln alumnae entertained at tea

Amazons Hit Road For Hikes--Eat Half Cooked Bacon and Soup

All roads lead from Lincoln. So thought the thirty-three girls who hit the high roads last week-end and covered the sum total of two hundred and fifty two miles. With only a month and a half left to get in their hiking credits and with such a Sunday for out of doors, is it any wonder that the sport that is so detrimental to shoe leather was so popular for the day. Six separate groups of hikers went on jaunts. Some went east, some went west, some early and some late. Almost any highway was enlivened some time Sunday by a group of girls with no place to go but hike, and no place to hike but out—just so the required number of miles were covered.

One group went east to Stevens Creek and enjoyed half-cooked bacon over a real camp fire. One radical group of hikers featured the popular army trousers, which they unskirted on the outskirts of the city. The group that went west on the Emerald road specialized on tomato soup for the day's main dish. Some wandered aimlessly along with no object but to enjoy themselves and to cover so many miles while enjoying the latest bits of scandal within possession of the group.

The group that took the prize for the number of miles covered was the one which walked out past Rokeby and back. The next day found several of them stiff and weary and denying that the feat was worth the doing, considering the compensation.
