**LAURA PFEIFFER TALKS TO NORMAL STUDENTS**

Dr. Laura B. Pfeiffer, associate professor of European history, delivered the commencement address of the Peru Normal recently. She was a guest of the Peru Dinner Club. The following comment upon her address is taken from the "Peru Normalite": "As usual the commencement address was the most dignified part of the commencement program. It was delivered by a guest of the evening, Dr. Laura Pfeiffer of Nebraska State University, who spoke upon "The Present Attempt at World Organization." Miss Pfeiffer has had unusual opportunity to study the political and economic situation at home and abroad. She spoke forcibly and convincingly in favor of the League of Nations as the one solution of the world's problems and in closing paid tribute to the inspirational leadership of Woodrow Wilson."

**SIGMA TAU INITIATED ELEVEN MEN SATURDAY**

Sigma Tau, honorary engineering fraternity, initiated eleven men Saturday afternoon. The initiation took place at the Lincoln hotel and was followed by a banquet in the garden room at 6:30. Fifty active, alumni and faculty members were present. Those initiated Saturday are F. Byng, L. W. Dillon, F. H. Doremus, W. S. Gass, W. H. Mengel, D. McCauley, W. M. Porr, H. O. Peterson, E. T. Seeley, T. A. Wier and J. R. Wilburn. R. C. Talbot, president of the active chapter, presided at the banquet as toastmaster. He was responded to by C. E. Mickey, W. M. Porr and R. A. Gantt on the formal toast list. Each of the seniors and alumni was

**K. U. HUSKER FIELD MEET NEXT ATTRACTION**

(Continued from Page 1.) Kansas has McGinnis and Phillips. The latter will also run in the low hurdles. In the javelin throw Kansas will be well represented by Bradley, Sandefur, Brody or Reese. Bradley and McAdams will high jump. Allison or McGinnis will probably replace McAdams in the high jump. Allison, McAdams and Rogus are the Kansas entrées for the pole vault. In the Varsity tryouts today Ed Smith won his place to run with Deering in the 100-yard dash and with Deering or Hickman in the 220-yard dash. Gish finished second to Wright in both high and low hurdles. Lees and Brown will represent Nebraska in the pole vault. In the discus tryouts, Weller and Moulton showed up the best. Weller was throwing well over 125 feet. Moulton and Dale will be the entrées in the shot put. The javelin throw has not been definitely settled. Carman and Schoepel are the best javelin men in school but are also members of the baseball squad. Carman can make a creditable showing in the high and broad jumps. Hartley, Brown and Moulton rank next to these two men in the javelin throw. Gish, Carson, Deering and Carman will be entered for the broad jump. McDonald and Stromer or McCarthy will run the 440 with Gibbs and Beiser working in the half. Allen and Dorn will run the mile and Kretzler and Coates are entered for the two mile.
