AN OPPORTUNITY

to own a fraternity home at a bargain and secure it with a very small down payment, the balance to be paid at what you are now paying for rent.

NINE BLOCKS FROM THE CAMPUS

Large house at 1216 H. occupied by Phi Gamma Deltas for several years has been turned in on purchase of another house and is now for sale. Possession this summer.

THE PHI GAMMS DEMONSTRATED THAT IT WAS GOOD BUSINESS TO BUY A MODERATE PRICED HOUSE AND GET IT PAID FOR. When they wanted to buy their permanent home they had a valuable piece of property to help pay for it in place of a few rent receipts. This house has a dining room that will seat thirty-five, kitchen, closets, hall, and three large living rooms on first floor, and a large porch, five bed rooms and bath on second floor and beds for twenty-two in a dormitory on third floor.

You can own this valuable piece of property in a few years if you try.

TRACK AND FIELD EVENTS THIS WEEK

Husker-Haskell Indian Dual Meet and High School Classic Next Saturday.

Track and field will occupy a prominent place in the week's activities for the Huskers. The Scarlet and Cream track squad will meet the Haskell Indians in a dual meet Saturday morning on Nebraska field. Coach Schulte feels confident of a victory on account of the splendid showing made last week against the Kansas Jayhawkers.

Following the Husker-Haskell dual meet the State High School meet will be staged. One of the greatest track meets ever held for state high schools is planned for and with good weather some of the present records are booked for a fall. Coach Schulte will announce his committees for the annual high school classic in a day or two.

The Husker track squad is in first class condition for the meet with the Indians and should take first in most of the events without much trouble. The greatest competition will be in the short dashes and long runs. The Indians have some exceptionally fast men in both classes of these events and are sure to give the Huskers a real battle for first honors.

Entries for both of the teams will be announced in a day or so. Coach Schulte expects to use the same men in the Haskell meet that worked against Kansas last Saturday. Try-outs will be held Wednesday and Thursday of this week for Saturday's meet.

HASKELL INDIANS TO MEET HUSKERS

Strong Indian Diamond Team Invades Schissler's Camp this Week.

The coming week will be one of the biggest of the year for Nebraska in the athletic line. The Husker baseball team will meet the Haskell Indians in a two game series at the State Farm campus diamond on Wednesday and Thursday of this week.

Coach Schissler returned with his athletes from Ames Saturday night where the Nebraska team split even on their two games series, losing the first and winning the second contest. The second contest went to Nebraska by a 7 to 0 score. Munger on the mound for the Nebraska nine pitched invisible ball and allowed the Aggies only a few scattered hits.

The Husker lineup that will face the Indians in tomorrow's game will be practically the same as faced Ames with the exception of Poole, who sustained a wrenched ankle last week. The choice of pitchers will probably be between Atkinson, Schoepel, Carman and Peterson for the first game with Munger working Thursday's contest.

The Haskell Institute is represented by one of the best teams in the Missouri Valley and will provide some real competition for the Huskers. The Indians have won all of their games and defeated Drake who in turn won from the Washington College team, leaders in the conference. These games will be the first home contests of the season and Coach Schissler wants a good crowd out for both games.
