

THE DAILY NEBRASKAN

VOL. XXI, No. 22.

LINCOLN, NEBRASKA, THURSDAY, OCTOBER 13, 1921

PRICE FIVE CENTS

TENNIS TOURNEY FINALS PLAYED

Skallberg Defeats Limjoco in Final Contest of Mens' Racquet Tournament.

COYOTE NET MATCH FRIDAY

Wesleyan Will be Represented By a Strong Aggregation This Year.

Minor Skallberg, winning three out of four sets, won the title as the champion tennis player of the University, yesterday afternoon on the University courts. A gallery of over two hundred tennis enthusiasts lined the fences on all sides and loudly applauded some of the fastest tennis witnessed on the courts this season. Skallberg won the first set 6-3 but Limjoco came back in the second and took it 6-2, the next two sets, and match were taken by Skallberg 6-2 and 6-1.

Skallberg is a junior registered in the dental college and comes from Holdrege where he annexed the Southwestern Nebraska singles championship last summer. He was a member of last year's tennis team and also member of the double team representing the Xi Psi Phi which was the runner up in the inter-fraternity tennis championship matches.

Tomorrow afternoon at two o'clock the University team, composed of Skallberg, Limjoco, Matthews, Crawford, Peddicord and Colby will meet the Wesleyan University team lead by Archard, Captain of Wesleyan's team of last spring. Both double and single matches will be played, and there is no doubt but that there will be some very close contests as Wesleyan has some men of no mean tennis ability.

Co-ed Tourney Starts Friday

The drawings for the girls tennis tournament have been made and playing will start immediately, the first round matches to be played by Friday. There will be the single individual matches to be played first and afterwards the singles matches for the class championship. A good number of girls have signed up for the tournament and about as much interest is manifested among the girls as there has been during the last week in regards to the men's championship. "Meach" Miller is out to defend her title as the girls champion of which she has held for the last two years but there are a number of good girl players who are determined in their attempt to wrest the crown from her and some very interesting and close matches are anticipated. Nannie Roberts, Zoe Schalek, and Dorothy Teal are girls who have shown up best in previous tournaments and these, with some probable "dark horses," will be sure to give "Meach" some good playing in the defense of her title.

CROSS COUNTRY RUNNERS WILL HOLD PEP MEETING

Plans Will be Discussed For Meets to Be Held Later in the Season.

A meeting of all men interested in cross-country will be held in the chapel Thursday night at 7:30. There will be short talks given by Director Leuhring, Coach Schulte and Coach J. Loyd McMaster. The subjects to be discussed are, different class meets, inter-fraternity and inter-collegian meets that are to be held this fall and next spring. The main reason for this meeting is to have general get-together of all the cross-country men. Methods of training will also be talked of so the men can start at once to have the best team in the valley this year.

Every cross-country man is supposed to be present and bring another man who has not yet been out but is willing to get out and work.

The official "Bizad" cap to be worn by all students in the college of business administration can be secured at the College book store on Friday. These caps are to be worn at all the football games and other athletic contests. All "Bizad" students are requested to meet at the main entrance to the social sciences building on Saturday at 2 p. m. and proceed in a body to the special Bizad section at the football field.

LIBRARY ASSOCIATION TO HOLD STATE MEETING

The twenty-seventh annual meeting of the State library association will be held at Grand Island, October 13 to 15. Miss Josephine Lamm, reference librarian in the University library, is president of the association. Several members of the library staff will attend the meeting.

Professor Lawrence Fossler, Professor H. C. Filley, Professor J. O. Rankin, and Professor B. E. Holland of the University will give addresses at this meeting.

SENIOR BARRISTERS HOLD FIRST MEETING

Class Adopts Resolutions—Will Act As Advisory Board For Freshman Laws.

President Eugene Dornbaugh of the senior laws called the class together Wednesday morning for the first important business session of the semester. The resignation of Emerson McCarthy from the office of secretary was taken up and accepted. R. Nedro was elected to fill the vacancy. After the election three resolutions were discussed and acted upon favorably. They read as follows:

1.—Be it resolved that the senior class of the law college constitute an advisory board for the benefit of freshmen law students in matters relating to the study of law, and that each senior shall have his relative portion of freshmen as shall be allotted by a committee named for that purpose.

2.—Be it resolved that no student shall be eligible to any class office until, or unless, he is in good standing, and has no delinquencies.

3.—Be it resolved that official class roll and penalty system be abandoned in the senior law class, until the average attendance shall fall below an established precedent or some precedent set by the authorities, in which event the penalty system will again come into force.

The plan outlined in the first resolution is the idea of Professor H. H. Foster, who brought the matter before the seniors last week at an unofficial meeting. Its adoption by the class shows a willingness on the part of the seniors to convey to the freshmen, bits of useful information which have been accumulated by experience and study.

The second resolution is a bit of legislation, which pushes the requirements of a senior law class office holder higher than there in any other class in any college on the campus. The class members seem not content that their officers be up in a mere majority of hours, but demand an absolutely clean record.

The adoption of the third proposition follows the action taken by the two lower classes last Friday morning at general lecture.

Immediately after the meeting President Dornbaugh gave out a list of the committee members, who are to select the freshmen for each senior and allot them to his care. The committee is composed of: Doane Kiechel, Fred Walrath, and Robert Van Pelt.

FACULTY MEMBER ADDRESSES AMERICAN BANKERS MEETING

Professor Tells Association of the Effect of Over-Government on Roman Empire.

"What Paternalism Did to the Roman Empire" was the subject of an address delivered last Friday before the American bankers' association at Los Angeles, by Professor Donald McFayden of the history department.

Prof. McFayden returned to Lincoln Tuesday after an absence of a little more than a week.

Prof. McFayden stressed over-government as the cardinal cause of the downfall of Rome. He maintained that in the latter days of Rome the people shifted to the government, responsibilities they themselves should have born. The people were subordinated to the government with a result that they became indolent and avoided their natural burdens. He compared some of the tendencies of the Roman people with tendencies of our people today.

The association was in session all last week. Bankers from all over the country attended the meetings.

Editorial

During the last school election the Student Council was in charge of the balloting. Every possible effort was made to prevent fraudulent voting. Precautions were taken to cut out, if possible, the practice of double voting which has occurred at elections in the past. How successful the Student Council was, we do not know.

In one case, however, it was conclusively shown that a student voted twice. The council investigated the affair thoroughly and the individual responsible was severely punished. The thing most dear to loyal Nebraskans was taken from him—the right to engage in the activities of our school.

This case must be the last of its kind at our University. The rotten political practices of the past must be throttled so that the vicious poison of dishonesty shall not destroy the worth while things at Nebraska. No organization, no publication, no athletic team, can have the Cornhusker spirit, if its framework is based upon the yellowest thing in the world—the habit of not playing square.

We must look the situation in the face and approach courageously the problem which confronts us. Not only is it the duty of the Student Council to take a stand in this matter, but also that of every man and woman at Nebraska who feels that any school activity is worth while.

The solution, perhaps, may be a voluntary honor system that will so threaten one who attempts by fraud and deceit to accomplish an evil purpose, that the would-be offenders will slink away disgraced in the eyes of former associations.

Because no precedent has been established, the Council did not feel that the severance of the connection between the offender and the University would be the wisest thing, but the decision of the Student Council is that the penalty for such a future offense will be immediate expulsion from Nebraska.

STUDENT DIRECTORY WILL BE OUT SOON

This Year's Issue Will Contain Several New Features and Handy Departments.

The editors of the 1921 student directory are sparing neither time nor labor to make the book the most complete and authentic directory that has ever been placed in the hands of Nebraska students. Midnight oil is being consumed by the barrel and a large staff of workers are diligently compiling the material to be printed.

The book to be edited this year will be entirely different from all other directories in many ways, every change being an improvement. It will contain all the good features of other directories, will eliminate all the bad ones, and will be equipped with a number of additional departments.

Here is one of the big features. The names of all students will not only be listed in alphabetical order, but a separate list will be indexed by home towns. All the students coming from a certain town will be listed under that town. Towns that have clubs will be so designated.

Students coming from the larger places are not acquainted with all of their fellow townsmen. The new directory will take care of that. It will give students a chance to learn the names of persons in the university who come from their neighboring town, also. This is a feature that will fill a long felt want.

The directory is coming out early this year. It has seldom, if ever, been placed on sale before November 15. This year, barring all accidents, the sales campaign will begin November 1.

All in all, the 1921 directory will be a winner. It will be complete, accurate, authentic, and will be placed on the campus in record time.

NEBRASKA GRADUATE RECEIVES PROMOTION

Alvin A. Miller, E. E. '98, has recently been promoted to the position of manager of the power department of the Seattle, Washington office of the Westinghouse Electric & Manufacturing Company. Mr. Miller has spent quite a number of years in sales work with the Westinghouse company. He received a degree of Bachelor of Science from the University in 1898.

NEBRASKA DEAN RECEIVES CHAIRMANSHIP

Dean Lyman has just been notified by the president of the American Pharmaceutical association that he has been made chairman of the committee on education and legislation to co-operate with the American Conference of Pharmaceutical Faculties and the National association of boards of Pharmacy to obtain pre-requisite legislation throughout the country.

The particular object of the committee is to use every means possible to obtain higher educational standards for the study of pharmacy as well as to increase the standards and improve the methods of teaching pharmacy in colleges and universities in the United States.

DEAN BUCK DELIVERS CITIZENSHIP LECTURE

Dean Philo M. Buck delivered a lecture Tuesday at Duchesne college, Omaha, on Americanization and citizenship. This lecture was first of a series which the department of political science is sponsoring. The second lecture of the series will, in a short time, follow.

Today (Thursday) Dean Buck will lecture before the Womens club of this city, opening a lecture course sponsored by the English department. Modern literature will be his subject.

COMMERCIAL CLUB HOLDS INITIATION

Largest Class in History is Taken In—Men Will Hear Nelson Speak This Morning.

One hundred and thirty new members of the university commercial club were "sent thru the mill" at the annual initiation held in room 311, social science building, Wednesday evening. The members kept a steady grind for two hours sending the men thru and to show how good they really were, "set 'em up" to apples and doughnuts as a finale.

The class taken into the club Wednesday evening is the largest in its history. The greater part of the freshmen registered in the college of business administration were among the men taken into the club. Sophomore men who failed to join in their freshman year, "rode the goat" Wednesday evening.

The first meeting of the commercial club following the initiation will be held Thursday morning at 11 o'clock in the social science auditorium. E. W. Nelson, credit manager of Rudge & Guenzel Co., and president of the national credit men's association, will speak.

The first monthly dinner of the commercial club will be held October 26 at the Grand hotel. Dean LeRossignol will be among the speakers. Following is the list of new initiates:

- Harry Pecka
 - Irvin Jetter
 - W. O. Usher
 - Edward Simpkins
 - Wilbur C. Peterson
 - Otto E. Skold
 - Edward Mangers
 - Charles Williams
 - John Rollin
 - Noel Rorby
 - Lewis P. Anderson
 - O. L. Osterland
 - Carl Carlson
 - John Comstock
 - Perry Detrick
 - S. B. Abbott
 - J. L. Kinney
 - Leroy Lundberg
 - G. Gifford Talbot
 - Willard D. Edberg
- (Continued on Page Four.)

NOVEL GRIDSTER PROGRAMS FOR SOUVENIRS THIS YEAR

Separate Lines Planned Each Contest—Football Books Will Be Worth Keeping.

The souvenir football programs to be sold at all gridiron games this season are a unique article in the program line, according to the men who are editing them.

They will contain excellent cuts of all the Nebraska players and also of the visiting teams. Pictures of all the athletic officials and members of the coaching staff will also be featured in the books. These will include Director Leuhring, Coach Dawson, and Assistant Coaches Day, Frank, and Young.

Accurate lineups of both teams will be given. The numbers to be worn by the players will also be included so all spectators can keep a play-by-play account of the game. It will be easy to recognize the individual players by means of the numbers.

The programs will be a souvenir of Nebraska football well worth keeping. A different program will be issued for every game. They will be sold on the field and in the stands and bleachers. The cost will only be 1 cent. This is a very nominal charge for such a program.

Captain Clarence Swanson has charge of editing the programs. He has spent nearly three weeks compiling the material and asserts that the programs are the best he has ever seen.

HUSKER GRID CLAN SHOWS REAL FIGHT

HUSKER GRID CLAN SHOWS REAL FIGHT

Signal Practice Only Scheduled For This Evening—Scrimmage is Called Off.

INDIANS ARRIVE TOMORROW

Lineup For Saturday's Pigskin Scrap Fairly Certain Except For Two Positions.

The Huskers went through a strenuous workout last evening that lasted until dark. Coach Dawson was a great deal more pleased with the exhibition of football displayed yesterday than that of the previous day. The Frosh took most of the punishment but put up a real fight against their heavier and more experienced opponents.

Signal work will be on the program this evening with the scrimmage scratched off. Coach Dawson continues to shift the line around and is giving every man an equal chance to demonstrate his ability at the pigskin sport. The Husker line seems weakest at the center position but the rest of the line is like a stone wall.

The Haskell tribe will arrive tomorrow sometime with their hatchets extra sharp to carry home the scalp of the Huskers. Reports indicate that the Indians are fully prepared for a real battle and have several tricks up their sleeves. The contest with the Indians will be the first one that Nebraska has played with the Kansas eleven for some time. Out of the seven contests played in the last twenty years the Huskers have been victorious five times. The two defeats came in 1904 and 1909, both were small scores.

Just how the Cornhusker eleven will line up against the dusky skinned braves will probably not be decided until a few minutes before the initial whistle blows. The probable lineup will be, Captain Swanson and Klempe at the ends and Pucelik and Lyman at the two tackle positions. Weller and Wenke or Berquist should start at the guards.

The choice of center rests between three men, Herb Nye and Peterson. Preston O. ... will be at quarter with De ... and Hartley making up the rest of the backfield. Coach Dawson worked a big majority of the men last night and may make some last minute changes.

AG. COLLEGE STAGES ITS CROSS-COUNTRY TRYOUTS

Are Preparing For Inter-College Meet Which is Planned for the Near Future.

Cross-country tryouts were staged at the college of Ag. last evening with eighteen men taking part. Both varsity and novice men run the five miles to determine who should represent the Ag. men in the inter-college meet to be held a little later.

Nelsen completed the five miles first in thirty minutes which is pretty fast time for this early in the season. The following men finished in the order named respectively: Weakley, Sprague, Cook, Sommers, McKinnon, Heim, Sprague, and Jones.

PROFESSOR SCHRAM TO SPEAK ON OIL AND GAS

The third speaker of the Chemistry club lecture course will be Prof. H. K. Schram of the department of geology, who will give an illustrated talk on "Possibilities of Oil and Gas in Nebraska," Thursday October 13, at 5 p. m., general lecture room, chemistry hall. Professor Schram is an author-
