

## TRACK ASPIRANTS OUT IN NUMBERS

Schulte Wants Two Hundred and Fifty Men—Prospects Bright For Record Year.

Numerals to be Awarded Again This Year—Thirty-six Men Earn Honor Last Year.

"Two hundred and fifty candidates for the track and cross-country teams" is the plea of Coaches Henry T. Schulte and J. Loyd McMasters. There are about seventy men now on the squad but the coaches want at least three times as many candidates for the team. This number of men can be handled easily and individual attention given to the candidates. Those familiar with track work say that this is an exceptional opportunity for all those interested in track and cross-country to secure valuable individual instruction.

The track and cross-country squad which numbers seventy men is showing up well in the daily workouts. There are from thirty-five to forty candidates for the team on the field daily. Twenty-five men at the state farm have turned out for cross-country running while at the medical school in Omaha a squad of about twenty are seeking berths on the cross-country teams.

Coaches Schulte and McMasters state that individual attention will be given to all candidates for the track and cross-country teams. The coaches declare that the freshmen especially should not pass up this opportunity, because it affords them an excellent chance to be developed into a good track or cross-country man.

**Veterans Assist Coaching.**  
Coach Schulte is developing a staff of track coaches among the varsity men. He has selected some experienced men and is making very capable coaches out of them. Captain Smith is coaching the sprinters, McDonald the quarter-milers, McCarthy the half-milers, and Moulton the weight men. These athletes are doing very creditable work as coaches and are materially assisting Coach Schulte in building up the track team.

Varsity men are all showing the old-time Nebraska spirit in track and cross-country running. They are helping the new men out to condition themselves and become acquainted with track work. As a result, the whole track and cross-country squad are enthusiastic over the outlook. High interest in teams is evidenced by the keen competition and friendly rivalry between those seeking places on the team.

The coaches state that numerals will be given out this year. They will be also awarded to freshmen. The winning of a numeral, which is a high honor, does not require that a man shall obtain a place on the track team. The practice of awarding numerals was begun last year, and thirty-six athletes received this honor. Numerals will also be awarded this year to members of the cross-country squad.

The Missouri valley cross-country run will be held in Lincoln on Homecoming day, November 12. All the valley conference schools are expected to have entries in this run. Nebraska finished third in the valley cross-country run held at Ames last year.

## OMAHA CLUB WILL HOLD WIENER ROAST AND MIXER

At a meeting of the Omaha club last evening plans were made to hold a wiener roast, and a mixer, both events to take place before the Christmas recess.

The wiener roast will be held in Epworth park, October 22, and is in charge of a committee consisting of Gladys Mickel, Harry Latowsky, Dick Dearmont, Jesse Tucker, and Nathan Greenstone. All Omaha students are invited and will meet at Tenth and O streets at 4 o'clock on that day.

Plans were also made for a mixer, which will be held in Ellen Smith hall. The date will be announced later.

Regular meetings of the Omaha club are held on the second and last Wednesday evenings of each month at 7:30 in social science hall.

### In Years Gone By

**1901**  
E. T. Colton, international college secretary of the Y. M. C. A. addressed the association and the students of the University in the old chapel.

The Rock Island route made cuts in its rates to Minneapolis to accommodate the large bunch of rooters wishing to attend the Nebraska-Minneapolis game. Over two hundred rooters made the trip.

**1902**  
Hon. W. H. Thompson, democratic nominee for governor, addressed the students and faculty at convocation.

**1903**  
The Nebraska football team left over the Rock Island for Denver, accompanied by the coaches, the manager, a physician, and a contingent of rooters.

**1907**  
Two hundred girls registered for Bible, under the supervision of the Y. W. C. A.

**1909**  
Nebraska Cornhuskers defeated Knox by an overwhelming score of 32-0.
