LINCOLN, NEBRASKA, SUNDAY, FEBRUARY 19, 1922.

PRICE FIVE CENTS

HUSKERS DEFEAT GOPHER MAT MEN

Nebraska Grapplers Win Hard Fought Dual Meet From Minnesota Mat Artists.

FINAL COUNT IS 26-22 IN FAVOR OF HUSKERS

Minnesota Captures First Two Bout But Huskers Stage a Strong Comeback.

Winning four matches out of seven, Nebraska's grapplers triumphed over the Minnesota mat men, 2 to 22, in the Husker's first home meet this season. The meet was a hard fought one, the Cornhusker wrestlers taking three bouts by decision and one by fall; while the Minnesota took two matches by falls and one by decision. The strong comeback of the Scarlet and Cream mat artists, after losing the first two matches, featured the meet.

The meet was held at the armory Saturday afternoon. A crowd of four hundred enthusiastic students witnessed the contest. E. C. Schroder of Iowa refereed the matches. The university band played before the meet. In the first two matches Minnesota had everything her own way.

Start of the Meet.

In the first match, the 115 pounders, Pickwell of Nebraska was pitted against Gaalaas of Minnesota. After five minutes of fast wrestling, in which Pickwell seemed to have the better of his Gopher opponent, Gaalaas made a clever twist and pinned Pickwell to the mat with a half Nelson and body hold in five minutes and twenty seconds.

In the 125 pound class, De Ford of Nebraska was matched with Leahy of Minnesota. After three minutes and fifty seconds of fast grappling, the speedy Gopher flattened De Ford's shoulders to the mat with a half Nelson and a body hold. Minnesota was leading, 16-0.

Nebraska's wrestlers stiffened after the 125 pound match. In the 135 pound division Isaacson of Nebraska met Tunnell of Minnesota. The Husker, Isaacson, had little difficulty with Tunnell, throwing him to the mat in two minutes and thirty seconds with a reverse Nelson.

Stoner, the Minnesota captain, was matched with Thomas, Nebraska, in the 145 pound class. During twelve minutes of clever wrestling neither man secured a fall, and Thomas, the Husker representative, won the match by decision. Minnesota was still leading, 16-14.

In the 155 pound class, Captain Reed of Nebraska, was pitted against Brown of Minnesota. Neither man secured a fall in the twelve minutes of furious wrestling, and Reed won the match by decision. Nebraska went into the lead, 20-16.

Troutman of Nebraska met Bailey, Minnesota, in the 175 pound class. The Husker grappler clearly outclassed the Minnesotan throughout the match but was unable to secure a fall. Troutman received a decision.

In the heavyweight division, Renner of Nebraska was matched with Copper of Minnesota. Although out-weighted by the husky Gopher, Renner put up a game fight, but lost to the Minnesota by decision. The final score was Nebraska, 26; Minnesota, 22.

"STUDENT LIFE."

"Everybody's Cornhusker" wants contributions! Write something for the "Student Life" section, and bring it to the Cornhusker office, Law 106, any afternoon, between one and five.

If you have a pet peeve, or a favorite enemy—tell it to the Cornhusker! Or if you happen to know any really funny jokes on anybody on the campus—tell it to the rest of us, and we can laugh too.

Remember! Any afternoon between one and five—and make it snappy, and make it clever. Everybody contribute to "Everybody's Cornhusker."

CONGREGATIONALISTS TO BANQUET AT GRAND HOTEL

Six hundred invitations to a banquet for Congregationalist students, to be held at the Grand hotel on February 22, have been sent to all students of that denomination in the university. Dr. Frank M. Sheldon, secretary of the Education society, has come from Boston, Mass., to speak. Dr. Sheldon is the foremost promoter of university religious work in the Congregational congregation, and his talk will be of much interest to university students.

D. E. Thomas, the Congregational pastor at the university, has organized this rally and expects that the unusual event will draw enough of the students and others invited so that the two hundred and fifty places reserved will be more than filled. Seats may be reserved at Dr. Thomas' office at a cost of 10 cents each.

NEBRASKA LOSES TO IOWA STATE

Cornhusker Cinderpath Team Drop Dual Meet to Cyclones by Close Score.

HUSKER ATHLETES WIN SEVEN FIRST PLACES

Get Early Lead on Iowa Aggies But Lose Out in the Final Events.

AMES, Ia., Feb. 18.—Nebraska piled up an early substantial lead in the dual track meet held here today, but was unable to hold it, and the Ames squad took the best end of a 59 to 44 count.

A complete summary of the meet is as follows:

Broad jump—First, Deering, Nebraska; second, Allen, Ames. Distance, 19 feet 11 and 4-10 inches.

Shot put—First, Molton, Nebraska; second, Hartman, Nebraska. Distance 40 feet 3 inches.

High jump—Turner and Noble, Nebraska, tied for first place at 6 feet and 3 inches.

Pole vault—Tracing, Golby and Boyd, Ames, tied for first place, at 10 feet.

50-yard dash—First, Smith, Nebraska; second, Noble, Nebraska. Time 5 and 3-5 seconds.

100-yard dash—First, Webb, Ames; second, Bierman, Ames. Time 4 minutes 38 and 1-5 seconds.

50-yard low hurdles—First, Lukens, Nebraska; second, Keating, Ames. Time 6 1-10 seconds.

440-yard run—First, Higgins, Ames; second, Wolters, Ames. Time 56 3-10 seconds.

50-yard high hurdles—First, Gish, Nebraska; second, Bock, Ames. Time, 6 4-5 seconds.

880-yard run—First, Webb, Ames; second, Wolters, Ames. Time, 2:09 3-5.

2-mile run—First, Rathburn, Ames; second, W. E. Frevert, Ames. Time, 9:55 1-5.

1-mile relay—Won by Davidson, Hawkins, Smith, Layton, Nebraska. Time, 3:46 3-5.

FACULTY INTRODUCE GRADUATION PLANS

Members of Arts and Science College Faculty Propose Honor Graduation Scheme.

A meeting of the faculty of the college of arts and sciences was held Wednesday evening, February 15, 6:30 at the Hotel Grand for the purpose of discussing various suggested plans for graduation with honors of students properly qualified.

The object of the meeting was to devise some scheme by which students possessing unusual ability in the college might be permitted to do more or less independent work under the supervision of a professor, which would lead to graduation with honors. The number of these students is very small, but the kind of work they now do is somewhat hampered by the routine of class work and the presence of students in the classes of less ability. The plan proposed would allow the student to select a major and two minors. He would do such class room work as his preceptor would deem necessary and in addition would do independent work in the library or laboratory.

The plan it is claimed would give the faculty a number of earnest and enthusiastic students devoted to scholarly studies, and the effect on the college and university as a whole would be extremely valuable. The matter will come up in a very short time before the faculty for approval, modification or rejection.

The plans drawn up provide that students in the senior division may proceed to the baccalaureate degree from the college of arts and sciences by either of two paths, as follows:

A. As under the present regulations.

B. Students who have shown exceptional ability in the work of the Junior division may apply to the honors board for registration in the senior division as "honors candidates." Such registration may also be made by properly qualified students who are already in the senior division.

1.—The courses in honors shall be administered by a board nominated by the dean. The duties of this board nominated by the dean. The duties of this board shall be as follows:

(a) To outline, in consultation with the departments concerned, the courses in "honors"; such outlines to be subject to the approval of the course of study committee.

(b) An interview the candidates for honors in the selection of their preceptors.

(c) To assist the candidates for honors in the selection of their preceptors.

(d) To report the work of the candidate to the registrar in terms of semester hours.

(e) To appoint committees to examine the candidates.

(f) To formulate such additional regulations as may from time to time seem necessary, such regulations to be subject to the approval of the faculty.

11.—The work of the candidate for honors shall be done under a preceptor whose duties shall be as follows:

(a) To supervise the work of the candidate for honors.

(b) To meet the candidate for honors at least once each week for conferences.

(c) To present a report to the honors board at the end of each semester on the progress of the candidate for honors and an outline of his work for the following semester.

111.—The course of the candidate shall consist of three subjects one of which shall be designated the major.

IV.—The final title for graduation with honors shall depend upon:

(a) Written reports submitted to the committee of examiners by the preceptor and instructors under whose direction the candidate has worked.

(b) Formal work submitted by the candidate.

(c) Formal examination, written by the honors board. If the candidate's preceptor be a member of this committee of examiners he shall take no part in the examination of the candidate except to the extent of assisting the other members of the committee in setting the papers.

V.—No candidate for honors may present himself for examination with less than two school years of resident work, except upon formal permission from the honors board.

VI.—Successful candidates for honors shall be graduated with baccalaureate degree with "honors in major subject."

UNIVERSITY CO-EDS LEARNING TO SWIM

Director Luehring Instructs Girls in Manner of Navigation and Preparing Tests.

University of Nebraska girls can swim—some of them. Under the stern guidance of Mr. Luehring the co-eds have undertaken the senior life saving test. Dorothy Teal, Lois Pedersen, Frances Cable, and Katherine Wolfe have made best progress. They hope to finish the tests before Mr. Luehring leaves for Minnesota.

These standard tests were prepared under the direction and supervision of the swimming committee of the national association of directors of girls camps of which Mr. Luehring is a member. They are real tests, too, qualifying the swimmer to save the life of another person:

1.—Cramer must be at least sixteen years of age and must have passed satisfactory physical and medical examinations.

2.—Swim fifty yards, using legs only, crawl kick debarred.

3.—Swim fifty yards, using arms only.

4.—Treading water three minutes with both hands above water.

5.—Swim fifty yards dressed in camp costume and undress with support in at least seven feet of water then swim fifty yards more.

6.—Break following holds of swimming instructor or other well qualified assistant:

(A) Wrist hold, single and double, each against one or both hands of opponent by means of legs.

(B) Back strangle hold. Each hold must be broken at least three times in correct form and against real opposition.

(C) Front neck hold.

7.—Perform a surface dive in at least seven feet of water, and bring up a human subject from bottom of side stroke carry.

8.—Unconscious, or slightly resisting subject carry:

Swimming twenty-five yards on side using scissors kick and one arm; carrying subject with other arm, subject's head resting on carrier's side.

9.—Tired swimmer or cramp carry: Swim twenty-five yards, subject lying on back with arms straight out, on carrier's shoulder and legs spread around carrier's hips, carrier using breast stroke.

10.—Struggling subject carry: Swim ten yards on back to wing subject with double arm lock; subject struggling violently at least three times.

11.—Demonstrate for three minutes with correct rhythm Shafer method of artificial respiration and explain the process of resuscitation from time subject is removed from water until consciousness is restored.

12.—Pass satisfactorily an oral examination on Shafer method, and after treatment of the apparently drowned.

13.—Perform plain front dive from spring board or racing dive in fair form, swim in good form 150 yards using:

(a) breast stroke—fifty yards.

(b) spiral kick—fifty yards.

(c) side stroke—fifty yards.

14.—Distance swim without time limit at least 400 yards, using at least one speed swimming stroke for one-fourth of the distance.

LINCOLN HIGH CLASS OF 1919 TO HOLD REUNION

The class of 1919 of the Lincoln high school will meet for its first reunion March 3, at the high school. A banquet at 6 o'clock will be followed by a program and dancing. There were 262 graduates in the class. Over one hundred are now in the university.

Invitations have been sent out to all members of the class whose addresses the committee was able to secure. Those who do not receive an invitation are asked to write to Clarice Greene, 1835 F street, Lincoln, Nebr. If it is impossible to attend the reunion a word of greeting is requested.

Tickets for the banquet are now on sale. All those who will attend the banquet are asked to get their tickets at least a week before the reunion.

Tickets may be secured from the sponsors, Miss Nellie Putney, and Miss Viola Gray, Eugene Reed, Richard Reese, Leta Lemon, Noel Smith, Joel Gifford, Harry Pratt, Margaret Rank, Ruby Loper, Marcus Banghart, Jeannette Parquhar, Verna Bowden, Joyce Rundstrom, Steven Gilbert, Clifford Hicks and Clarice Greene.

CLASS IN ZOOLOGY HAS REGULAR MOVIE THRILL

Disastrous result followed the placing of a frog in a tank of water on which a large turtle had first claim. The frog was put in to demonstrate to a nature study class the ways in which a frog is fitted for his life. Turtle early showed a pugnacious attitude and seemed to disapprove of any such researches, and was accordingly put under a tin pain to keep

him calmed down. When no one was looking, however, he slipped from beneath his covering and, guided by a keen sense of smell, crept cautiously grab and the turtle had a hold that would rival that of a bull dog. The upon the frog seated unsuspectingly in the bottom of the pool. One quick class ended by observing the methods used by turtles in eating instead of those used by frogs in swimming.

INTER-FRAT CAGE TOURNEY STARTS

Games to Decide Championship of the Greek World to Begin Next Monday.

TWENTY-FIVE TEAMS ARE ENTERED IN TOURNEY

First Round to be Played on Monday and Tuesday Afternoons.

The annual inter-fraternity basketball tournament starts tomorrow afternoon at 4:45 in the armory and will continue all week. The respective fraternities have been busy for the past two weeks lining up and drilling their teams, and a closely fought tournament is expected. A large number of fraternities have entered, and predictions point to the best inter-frat. cage tournament ever staged at the Husker institution.

All games will be played at the armory. An admission fee of ten cents will be charged. The "N" club is in complete charge of the tournament this year.

The first round of the tournament will be played Monday and Tuesday afternoon. The second round will be played Tuesday evening and Wednesday afternoon. The third round will be played Thursday starting at 3:45 p. m. The semi-finals come Saturday at 4:30 p. m. The tournament finals will be played Saturday afternoon at 2:30 p. m.

The Delta Tau Delta, inter-fraternity champions last year are out to win the championship again this year. Several other fraternities have unusually strong teams this year, and figure on copping the laurels this year.

The following men will referee the contests:

Glenn Munger, Glenn Warren, Adam Kohl, Frank Carman, Bob Russell, Ernest Haverly, Wm. Riddisberger, Lyle Holland, Vic Toft, Paa. Tipton, Harry Howardth, Don Elliott, Clyde Anderson, John Pickett, Lee Sherr, Chick Hartley, Monte Mann, Earl Schoepel.

ANNUAL ART EXHIBIT WILL BEGIN MONDAY

Nebraska Art Association Conducts Annual Affair in Art Gallery, Near Hall.

The annual exhibit of the Nebraska Art association will open Monday evening at 8 o'clock in the art gallery of library hall. There will be an open reception at that time in charge of Mrs. C. F. Ladd. The board of directors and prominent stockholders and their wives will constitute the reception committee. There will be music by the University orchestra and an introductory talk by Dr. H. P. Lowery. For many years Dr. Lowery has given the first introduction of the paintings in the annual exhibition.

The art exhibit this year is free to the public. The membership fees of the association will be devoted to the purchase of original paintings for the collection.

The exhibition is made up of three parts. The collection from the American Federation of Arts in Washington is composed exclusively of paintings by the most representative painters of America. The second group is made up of paintings of the artists of the mid-west with offices in Chicago. These paintings are in various art centers.

(Continued on page 4.)

UNIVERSITY NIGHT WAS BIG SUCCESS

Seven First Class Acts Constitute Program for 1922 Annual Scandal Show.

EVENING SHUN FULL OF CHOICE SCHOOL SCENES

Lincoln High School Auditorium Filled to Capacity for the University Show.

University night, the one time of the year that all laws of libel and slander are void, was celebrated by university students who crowded the Lincoln auditorium last Saturday night to see "themselves as others see them" and applaud the demonstrations of vengeance which the few faculty members bold enough to attend, had to see wreaked upon themselves and their colleagues.

The high school doors opened at 7:30 and by 8:00 o'clock the house was filled. Upon their arrival the people were ushered to their seats by the Green Gobblins, the honorary freshman society. The Silver Serpents sold refreshments before the performance but were unable to meet all the requests for "eats."

The bursting of paper sacks and the hum of conversation, suddenly ceased and the closest attention was given when the opening strains of the University orchestra were heard. Soon afterward the curtain rose and there sat the Engineers all arrayed for the performance. The takeoffs on students and faculty were numerous and an idea was given to the students what can be done with electricity.

Following the Engineers, the dormitory girls at 1232 R street put on a very clever curtain act. Songs and dances were the main attraction and the act met with approval of the most critical.

The second large act was that of the Rag office in 1942. This skit was given by the Sigma Delta Chi and Theta Sigma Phi and it was a prediction of what would be going on by that time. The editor-in-chief of the Rag was a woman and even the sport editor was a girl. The men sat around with their large bow neckties and lace cuffs, afraid to get their hands soiled. In other words the men and women had just changed places.

Enthusiasm and spirit ran high all through the performance. How could it be otherwise with skits like the one that had just been put on by the journalistic societies?

Black and Blue was a humorous act put on by Bill Wright and Walter Le Clerc. Their funny sayings and humorous cracks brought many a giggle from the audience.

The audience was then given a rare musical treat. This took form in a xylophone solo given by Mr. Slaymaker. This was quite a relief after hearing the more solid amusements as given before.

The laws gave their skit in the usual fashion. With George Turner at the desk as judge and some of the notables of the school brought on trial for misdemeanor the audience gave out one howl of laughter after another. Ward Randol was tried for embezzling the Cornhusker funds. Dean Engberg was halted for riding too fast on his bicycle and it was proven that he exceeded six miles an hour.

The Pesky Preacher Kids closed the performance with their D. A. M. N. Foolishness. Bab Weller was one of the main actors and Oscar Bennett sang a few ballads, impersonating Freddie Richards. The moral which was brought out was very good—you can never know too much about the Good Book. The class was conducted by Dean Buck and the story taken up was that of the Deit freshman who fell among the thieves. Izzy Pearson was also mentioned in a very exciting way in connection with the multitude that was fed with the fishes and twelve baskets left over.

Those who saw the performance said that it was the best program that has been given in years.
