SPECIAL CONVOCATION HELD LAST FRIDAY A. M.

Special convocation was held Friday morning at the Temple theatre. Sebastiao Sampaio spoke on "Trade Relations With Brazil." Mr. Sampaio is a very able speaker, and the talk was much enjoyed. The subject, moreover, is one of present day interest, as our relations with South American countries becomes daily more important.

HIGH SCHOOL MEET WILL BE ON MAY 13

Large Number of Athletes Will Gather in Lincoln for Cinder Path Contests

The annual track meet of the Nebraska high school athletic association will be held in Lincoln this year on May 13, according to the latest announcements of the University Extension News. Coach H. F. Schulte of Nebraska is superintending the meet which is to be staged on the Nebraska athletic field at two o'clock.

Any student of a high school which is a member of the Nebraska High School Athletic Association is eligible to compete. Any secondary school of the state accredited by the University of Nebraska may join the association upon payment of an initial fee of \$2 and by subscribing to the rules and regulations.

There will be three distinct championships in the one meet. The classes are 1, 2, and 3. Group 1 will consist of all high schools that have an enrollment of under 100. Group 2 will consist of all schools with an enrollment between 100 and 275. Group 3 will consist of all schools with an enrollment of over 275.

The order of events is as follows:
100 yd. dash, preliminaries 2:00
100 yd. dash, semi-finals 2:15
100 yd. high hurdles, prelims 2:25
120 yd. low hurdles, preliminaries 2:35
80 yd. run 2:35
100 yd. dash, finals 2:45
120 yd. high hurdles, finals 2:55
220 yd. dash, preliminaries 3:00
220 yd. low hurdles, preliminaries 3:10
220 yd. dash, finals 3:20
220 yd. low hurdles, finals 3:30
440 yd. dash 3:40
1 mile run 3:50
Half mile relay (4 men 220 ea.) 4:10
Pole vault 2:00
12 lb. shot put 2:00
Running high jump 2:00
Discus throw After shot put
Running broad jump 3:00

Entry blanks have been sent to all members of the association and are to be returned as soon as possible giving the names and physical condition of the men.

Expenses of the meet in general and of each individual team will be paid so far as possible out of the gate receipts. The receipts will be divided in such a way as to equalize to a large extent the extra burden placed upon the teams that have to travel the farthest.

The prizes offered are:
Individual: In each group championship there will be bronze medals for first second and third places in each event. For fourth place there will be silk badges.
Team: In each group championship medals and special silk banners will be awarded to each team that places first, second or third in points made in each group.

The event championship medals: Special medals for each event have been donated, called event championship medals. They will be awarded to the men who have made the highest grade performance in each event regardless of what group they may compete in.

Relay: The team winning will be awarded a special relay banner.

In the fourteen years of which there is a record, Omaha Central has won six of the championship; York three; Fairbury, three; Kearney Military Academy, one. These schools do not hold all the records, however.

COMMERCIAL CLUB DANCE POSTPONED

The University Commercial Club dance has been postponed from April 28 to May 5. The dance will be held at the Lindell Party House with Watson's orchestra furnishing the music. On account of the large crowd that usually attends this event, only a limited number of tickets will be validated and these will be sold only to commercial club members. Tickets will go on sale Monday, April 24.

GREEK TRACK LAURELS WON BY DELTA TAU

Delta Tau Delta Cinder Path Team Scores Total of Thirty Eight

SIGMA PHI EPSILON TEAM CAPTURES SECOND HONOR

Sig Ep Tracksters Score Thirty-four and a half Points Farm House Team Third

Winning a place in practically every event, the Delta Tau Delta track team captured first place in the interfraternity track meet yesterday afternoon, with thirty-eight points. The Sig Ep cinder path artist were second, with a total of thirty-four and one-half points, while the Farm house team was close behind them, with thirty-two points. The meet was hotly contested throughout, and not until the final race had been run was the victorious team determined.

The meet, which was held on Nebraska field, was the largest intramural track meet ever held at Nebraska. The program of events started at 3:30 and went through in rapid succession until 6:30, when the half mile relay was run. A crowd of 500 enthusiastic track fans witnessed the affair.

The rivalry in the meet was exceptionally keen. From ten to thirty athletes competed in every event. In the dashes the large number of men made necessary the running of heats, which slowed their time somewhat. Because of the close competition, the lead se-sawed back and forth between the three leading teams, and kept the interest at high pitch.

The feature of the dashes was the fast running of Lloyd Beta, a former Beatrice star. This speed marvel captured first honors in the century and two-twenty dashes, winning both the events without exerting himself.

Individual honors of the meet went to Douglas Meyers, Delta Tau, another Beatrice star. Meyers made a total of fifteen points, winning first in the discus and 110 low hurdles, second in the 60 high hurdles, and third in the shot put. Parks, a teammate, won second individual honors with two firsts and one second, for a total of twelve points.

Fraternity totals:
First, Delta Tau Delta, 30 points.
Second, Sigma Phi Epsilon, 34 1/2 points.
Third, Farmhouse, 32 points.
Beta Theta, Pi, 10 points.
Sigma Nu, 10 points.
Sigma Alpha Epsilon, 11 1/4 points.
Delta Chi, 9 3/4 points.
Bushnell Guild, 6 points.

NEBRASKA NINE WINS CONTEST FROM COYOTES

Cornhusker Baseball Team Takes Second Game From Wesleyan

HUSKERS MAKE BUT TWO ERRORS IN GAME

Good Fielding, Coupled With Nice Pitching, Gives Fray to Scarlet and Cream

The Husker Diamond squad hung a second defeat on the Wesleyan baseball aggregation for the season, when they met at Rock Island Park yesterday afternoon.

The Nebraskan played a fast game from the beginning. The first round of the contest started the Huskers off on a scoring spree. At different periods of the game the Coyotes showed signs of closing in on the Nebraskans, who battered through their defense. The Wesleyanites played a more conservative brand of baseball than in the first game with the Huskers one week ago. Better team work by the Coyotes prevented a defeat by a much greater margin.

The speedy outfield work of the Huskers was one of the big features of yesterday's game and also was chiefly the means of holding the neighboring collegians to a single score.

Lewellen landed a home run to left corner of the lot. Gambler, of the Methodists, also lammed a homer.

Ziegenbein, on the mound, was in good form and retired eight Wesleyan batsmen. Munger and Carman were also in the box toward the end of the contest. Many of the Husker substitutes were run into the game toward its close.

FARMER'S FAIR PARADE TO BE BEST ONE YET

Fair Board Busy Planning New Novelties for Annual Parade Downtown

Now that everyone in talking Farmers' Fair just like it was as safe a topic as the weather, the question flies around about Farmers' Fair parade. Could you imagine a circus without an elephant? As always before the parade will be the initial attraction of the 1922 celebration to be held May 6.

This monstrous procession is scheduled to stop all traffic on O street at noon. Fifteen floats of an educational character will constitute one portion of the parade in an attempt to show the throngs of spectators the nature and diversity of the courses of instruction offered in Ag College. Ingenuity combined with beauty will make this section of the parade a never to be forgotten spectacle.

The Ags at play will undoubtedly be more laughable. Every conceivable form of comedy, wit and humor will crop out through this channel to bring home to you another fact—that student life in Ag College is not all class room study. The show girls, the paint box on down the line and the top-eared mule with the rubber tired tread will start a smile, then you'll grin, that grin will burst into a continuous spasm of the most side splitting laughter you have endured

CHEMISTRY STUDENTS HAVE ONE REEL SHOW

A reel of moving pictures entitled, "Beyond a Microscope," will be shown to the public in the main lecture room of the Chemistry building Monday, April 24, beginning promptly at five o'clock and lasting twenty minutes. This will present a glimpse of a few of the fascinating things that have recently been discovered about atoms, electrons, and molecules.

GIRL'S SWIMMING MEET SCHEDULED FOR MAY 4

Mermaids to Make Entries Now for Annual Water Clash at Lincoln Pool

Entries are now open for swimming aspirants. There is a brand new poster in the gym waiting to be signed for the girls' annual swimming meet, to be held May 2, 4, and 9. Every girl who swims is invited to enter the meet. There will be no competition in form swimming. Points will be awarded on the merit system. That is, any girl who can do the side stroke with a grade of at least 85, will receive 10 W. A. A. points. Each one may enter as many events as she wishes. The only restriction is that the points shall total not more than 150.

The class teams will compete May 9. The events will interest both spectators and participants. Especially will the participants be interested in the cake-eating race in deep water! There will be 20-yd. and 40-yd. straight-away races, a class relay, and a life saving stunt. Tryouts for class teams will be held on May 2 and 4, the nights of the form swimming. Fifteen points will be awarded to class team members.

The events in which individual points may be earned are:

1. Side stroke—110 pts.
2. Breast stroke—10 pts.
3. Back stroke—10 pts.
4. Single over arm—10 pts.
5. Double over arm—10 pts.
6. Racing dive—10 pts.
7. Plain front dive—10 pts.
8. Surface dive 6 ft water—10 pts.
9. Front jack-knife—10 pts.
10. Back jack-knife—10 pts.
11. Demonstrate 3 typical breaks—10 pts.
12. Three carrus (15 yd. each)—15 pts.
13. Tread water 3 minutes—5 pts.
14. Back dive—10 pts.
15. Explanation and demonstration of Schafer method...10 pts.

FOX PRESENTS GREAT MARK TWAIN STORY

Mark Twain's masterpiece, "A Connecticut Yankee in King Arthur's Court," has been made into a motion picture by William Fox on a scale worthy of the subject. Issued as a special production, it will open an engagement at the Orpheum Theater on Monday.

Known to the multitude of Mark Twain's lovers as "The Yankee," this story is regarded not only as a great classic of American humor, but also as a forceful satire directed against those who sigh for the "good old times." Mark Twain set out to show that the world we live in is the best of all possible worlds, and the times we live in are the best of all possible times.

This he did by taking a typical young American, bright as a new penny, filled with smart up-to-date ideas, and setting him down in a medieval court, where he could judge for himself whether the knights of old were more courageous than the men of today, and whether life as a whole was more comfortable than now.

The result is exquisite fantasy and delicious fooling, with a sharply drawn conclusion. "The Yankee" is rated high among Mark Twain's books. Certainly it is one of the funniest.

The picture was directed by Emmett J. Flynn, noted for his skill in fidelity to detail. The Yankee is played by Harry C. Myers, a well-known light comedian.

SIGMA GAMMA EPSILON HOLD INITIATION

A recent initiation of the Sigma Gamma Epsilon, honorary and professional geology fraternity, was held, at which time the following men were initiated: Nels Beck, Earl G. Colton, Clare Clark, Guy B. Scholl, Dwight McVicker, C. B. Taylor.

TRYOUTS FOR DRAKE RELAYS HARD-FOUGHT

Close Races Feature Tryouts for Team Going to Des Moines Meet This Week

GARDNER WINS MILE AND ALLEN IS SECOND

Mile Run is One of Best Mile Races Ever Seen on Nebraska Field

The final Drake tryouts, which were held in conjunction with the interfraternity track meet were featured by several of the hardest-fought races ever seen on Nebraska field. All the varsity men were in almost perfect condition, and the races were made in exceedingly fast time. The performance of Maurice "Mud" Gardner, who won first place in both the varsity half mile and mile runs, was the outstanding feat of the tryouts.

The quarter-mile dash was won by Kenneth Hawkins after a pretty race. Layton, Hawkins, Ted Smith, Davidson, McCarthy and Bechord, competed in this race. The time for the race was 51.4. The mile relay team for the relays will be selected from this sextet of speed artists.

The mile run was the feature of the tryouts. Gardner stepped into the lead at the opening of the race, and was never headed, although Allen, Omaha Medic, Missouri Valley champion miler, pushed him up to the last fifty yards, when Gardner sprinted, and was an easy winner. The time in this race was 4:36. The nice performance of all the milers in this run assures Nebraska of a fast four-mile relay team at Des Moines.

Drake relays tryouts results:
100-yard dash—
Smith, Noble, Lokens, Gibbs, Deering, time 16 seconds, flat
220-yard dash—
Smith, Noble, Layton, Gibbs, Deering, time 22 4/5 seconds.
440-yard dash—
Hawkins, Layton, Ted Smith, Bechord, McCarthy, time 51 4/5 seconds.
880-yard dash—
Gardner, Bowman, Higgins, Weir, Cook, time, 2:55 4/5
1 mile run—
Gardner, Allan, Fischer, Coats, Nichols, time, 4:36 3/5.
Shot put—
Moulton, Hartman, distance, 39 feet, 10 inches.
Discus throw—
Weller, Moulton, distance, 134 feet, 7 inches.
110 High hurdles—
Cish, Lear, Cecelius, Lewellen, time, 16 1/5 seconds.
110 Low hurdles—
Lear, time 15 1/5 seconds.

Drake Relays
DES MOINES, Ia., April 22.—Twice as many events, exclusive of preliminaries, will be included in the Drake relay meet this year as were run in the 1921 meet, according to the schedule of events issued yesterday by K. L. Wilson, director of athletics at Drake University.

The 1921 meet consisted of 17 events, while this year's games will include 34 final events and 10 preliminaries. Seventeen final events which were not included in the meet last year will be run this year in addition to a larger number of preliminaries.

Events to appear this year for the first time on a Drake relay program will be the 440 yard low hurdles, the 440 yard relay, in two sections, another section of the university one mile relay, the pole vault, broad jump, javelin throw, high jump, shot put, javelin throw and the special match mile race, in addition to six new high school events in which competition will be limited to prep teams from schools of small enrollment.

The high school events which were added because of the large number of small prep institutions in this section, are the half-mile relay in two sections, the two mile relay, shuttle race, mile relay and medley race. Preliminaries in the 100 yard dash, the college half mile relay, university and college 120 yard hurdles, 440 yard low hurdles, pole vault, high jump, shot put, javelin throw, broad jump and discus throw will also be held.

Des Moines, Ia., April 22. Special.—Announcement has been made that (Continued on Page Three.)
