

EXPECT MILLION FOR THE WILSON MEMORIAL FUND

Woodrow Wilson Foundation Established to Encourage Public Service

MISS PFEIFFER CHAIRMAN OF LOCAL COMMITTEE

Expert Student Response to be Generous in Drive for Funds

The Woodrow Wilson Foundation was established for the purpose of encouraging public service. \$1,000,000 is asked, of which more than two-thirds is now secured. An organization has been perfected in each state and in each large city to raise the remainder of the funds. The whole fund is to be invested in United States securities, and the income to be devoted to making awards from time to time through a nationally constituted committee to the individual or group that has rendered, within a specific period, "meritorious service to democracy, public welfare, liberal thought, or peace through justice."

It is called the Woodrow Wilson Foundation to commemorate the ideals which were championed by Woodrow Wilson, twice president of the United States. The National committee has on it such persons as Franklin D. Roosevelt, Mrs. Carrie Chapman Catt, Mrs. Harriman, Henry Morgenthau, the diplomatist, Edward M. House, Adolph S. Ochs, owner of the New York Times, Hamilton Holt and others of equal prominence.

Universities and colleges the country over should be peculiarly interested in this foundation. Whatever may be our theories with regard to international relations so far as the concern politics, there is no question of the internationalism of scholarship. Science and the humanities have never known and can never know racial or political boundaries. Rivalries there may be, and international peculiarities, but the spirit of intellectual research cuts across national boundaries and prejudices. For this reason today we are advocating a larger measure of co-operation on the part of the universities of the world, and university exchanges are becoming increasingly common. The Woodrow Wilson Foundation, at least in one of its large functions, will encourage this spirit of intellectual co-operation on the part of civilized nations.

The students of the University of Nebraska are to be asked in the near future to contribute to this fund. The individual contributions are not to be large. It would be far better that one thousand give ten cents each than that one individual gave one hundred dollars. It is sincerely hoped that when the campaign is launched by the committee, of which Miss Pfeiffer is chairman, the student response will be generous.

EXTENSION COURSE OUTLINES PREPARED

The department of geography is now preparing special outlines to be used in the extension study courses in commercial and economic geography. The work is so planned that the equivalent of a one semester, two-hour course is given on mineral resources, followed by a course of similar nature on the basic agricultural industries. Registration for this work has been increasing rapidly during the past year and now includes students from several of the western and southern states.

SIoux CITY SECRETARY VISITS HUSKER CAMPUS

The Rev. Charles E. Snyder of Sioux City, Iowa, pastor of the Unitarian church, and secretary of the Unitarian Academy of Arts and Science, has been a guest of the University during the past week. Rev. Snyder has asked a number of the professors here to make arrangements to lecture at the academy next year. He is in hopes of getting several of the professors to give their series of lectures which they give along their lines of instruction.

In Years Gone By.

Twenty Years Ago Today

The "Sombbrero," annual year-book, was sold to the students. The number was considered a great success.

Thirteen Years Ago Today

The annual interclass track meet was held, the greatest number of points being given to the juniors. After the meet the napping of Innocents for the next year was made.

Eleven Years Ago Today

Much interest was shown in the coming Nebraska-Kansas track meet to be held on the Nebraska athletic field.

Ten Years Ago Today

A landscape gardener visited the campus and suggested many improvements. Several loads of plants were sent to border the walks.

Seven Years Ago Today

"Cavaleria Rusticana," the first number of the University May Festival, was given by the University Chorus, assisted by several Lincoln people.

Five Years Ago Today

About ninety laws and faculty members enjoyed a dinner after the fashion of a barbecue at the Lincoln Hotel.

RING LARDNER WRITES ON "QUEEN OF SHEBA"

Ring Lardner, the noted humorist, whose writings on sports and other subjects have handed the entire country many a laugh, saw "Queen of Sheba," the William Fox great love spectacle, which will be shown at the Orpheum and wrote to the producer the following letter from Great Neck, Long Island:

"Dear Mr. Fox:
"Well I seen the Queen of Sheba and got a good laugh when Solomon showed the 10 commandments to his 4 year old kid, David, and told him to never break none of them as I have also got a son David that ain't only 2 years old, and has all ready man handled the most of them and beat No. 5 into a state of torpor. And if Solomon was such a wise cracker why didn't he marry the Sheba gal which would give him another \$1000 personal exemption making a total of \$1,001,000 off for wives alone and from what I seen of her he could of went without cameis a couple of days and kept her in clothes for a year. But all and all you got a swell picture Mr. Fox and it looks to me like more people would read the great book if Virginia Tracy had wrote all of it.

"Yours and etc.,
(Signed) Ring W. Lardner."

NEW LAW FRAT TO BE INSTALLED ON SUNDAY

The Delta Theta Phi law fraternity will hold an installation of the new Nebraska chapter Sunday afternoon at the Lincoln hotel. Twenty-five members of the Bryan senate of Creighton University from Omaha will attend the installation. William H. Thomas, Chancellor of the fraternity, will come from Cleveland, Ohio, to preside.

The Delta Theta Phi fraternity, of which the late Chief Justice Edward White, Newton D. Baker, secretary of war, and Chief Justice Morrissey, are alumni, is one of the old and prominent law fraternities of the country. There are forty active chapters and six alumni chapters located in the leading law schools of the coun-

try. The chapters are called senates, and the Nebraska senate will be called the Samuel Maxwell senate of the University of Nebraska. This name was chosen for two reasons. First, because of the high and eminent position in the legal profession as a lawyer and a judge that Samuel Maxwell held in the state of Nebraska, and second, because he was instrumental in shaping Nebraska's first constitution and its development. As a judge of the Supreme Court, his decisions were marked for their erudition, their broad and comprehensive interpretation of the law, and their fine literary style. He was not only recognized as an eminent judge by the bar association, but was classed as a very capable lawyer. He was not only liked and respected by members of his profession but also by those who came to know him.

The charter members to be installed are Joseph Wesley Boyd, '23, Fred C. Campbell, '23, Vern E. Crosier, '24, John B. Dawson, '23, Edward C. Fisher, '22, S. Arion Lewis Jr., '23, Clarence S. Lind, '23, Francis H. Mayo, '23, Edmund Muss, '23, Russell Carson, '24, Richard O'Neill Jr., '23, Byron Parker, '23, Ralph H. Snell, '23,

Victor Westermarck, '23, Ernest Spencer, '24, and Otto Zlomke Jr., '24.

The Phi Alpha Delta baseball team defeated the Delta Chi team, 3 to 2, in a hard fought five inning battle Monday afternoon. The game took place on the campus east of the Social Science building.

TWELVE NEW MEN PLEDGED SQUIRES

(Continued from Page One)
and have at various times asserted their powers of leadership.

Seven social fraternities, all three legal fraternities and the Barb organization are represented in the choices, making the new Squires representative in every sense of the word.

The pledging of the new men began promptly at 11 o'clock after a short introductory talk by Doane F. Kiechel, president of this year's Squires. The present Squires were seated on the

platform and they went forward one by one into the audience and brought their successors to seats in front of the platform until the twelve seats were taken.

Much applause was evident when Professor George N. Foster was pledged as sponsor for the 1922-23 society.

Mr. Foster, in a few words, told something of the purpose of the organization and what it is possible for it to accomplish in the future—not only as a student organization in the Senior Law class for the advancement of student affairs, but also as a connecting link between students and faculty.

A joint meeting of the newly elected members with the present Squires will be held soon, when officers for next year will be chosen. Appropriate initiation ceremonies will be held Wednesday, May 10, followed by a banquet. The pins adopted by the Squires represent a high barrister's hat of purple and gold, with the name of the organization across the brim.

Beautiful new designs in Crane's stationery just received. An excellent graduation gift. George Bros., 123 N St.—Adv. w.l.s.
