STIFF WORKOUT YESTERDAY FOR UNI TRACKSTERS

Prepare For Dual Meet With the Ames Cyclones Next Saturday

FROSH PREPARES FOR TELEGRAPHIC MEET

Varsity Meet in Morning Because of the High School Meet

The Scarlet and Cream tracksters went through another stiff workout last night in preparation for the dual meet with the Ames Cyclones on Saturday, May 13. The meet will be held in the morning so as not to conflict with the Nebraska High School State meet which will be held in the afternoon. Final tryouts for the team which will meet the Iowa Aggies Saturday will be held this afternoon.

All freshmen tracksters and novices must participate in the preliminary tryouts of the Husker freshman team which will represent Nebraska in the Missouri Valley freshman telegraphic meet, which is scheduled for May 17. Last year the Husker freshmen won this meet and Coach Schulte is planning on repeating again this year. Coach Schulte was the originator of the idea of the Valley telegraphic meet, which began last year.

Following the meet with the Cyclones Saturday tryouts for all varsity men who do not compete in the Ames meet will be held, in order to choose the team for the Kansas Aggie meet May 20.

Although the Cornhuskers are expected to defeat the Ames cinder path artists Saturday without strenuously exerting themselves some hard-fought contests can be counted on. Higgins, Cyclone champion valley half-miler last year, will compete against Gardner, winner of the half-mile run at the Valley indoor meet. Rathbun, the famous Cyclone distance runner who competed at the Penn Relays against the best runners of Oxford and Cambridge Universities, will run Saturday.

And remember the speakers, Mayor Zehrung and Mr. Ryons will be there. A supreme effort is being made in order that all the members of the Commercial club may be brought together in this one last final windup of the year. TO SEND "JIMMY" BEST ON VACATION

Ask That Students Place Contribution in Boxes on Campus

Sometime today boxes will be placed at various places on the city campus to receive money for a vacation trip for Jimmy Best, veteran Husker athletic trainer.

For some time Jimmy has wanted a vacation and the N Club is making it possible for him. They evolved the plan by which the money necessary for the trip could be raised, namely, by placing boxes at U. Hall, 12th and K, and at the Armory entrance so that passing students could easily contribute anything they care to toward the summer excursion of Nebraska's sport veteran.

The boxes will be cared for by members of the N club and in a later edition of the Daily Nebraskan will be reported the amount raised.

AUSTRIAN COLLAPSE LESSON TO AMERICA

Stepanek Tells Frosh of Value of European Example to People of United States

"A lesson for America in the collapse of the Dual Monarchy," said Professor Stepanek in a lecture Tuesday morning to university freshmen on the Hapsburg dynasty, is that the interests of cultured minorities should be respected so that these minorities may become one with the loyal majority when the nation is in peril. Only Soviet Russia and America, according to Professor Stepanek, are studying the World War openly in the schools; the former because it is able to impose its proletarian concepts upon the teachers, and the latter because it finds a fairly coherent and reconcilable body of opinion regarding the causes and the significance of the war. In most European countries, on the other hand, historians and educators are at such loggerheads over interpretations of the great conflict that teachers are afraid to discuss it even in those lands where discussion is not proscribed.

"History is, after all," said Professor Stepanek, "but a point of view, Napoleon called it a fable agreed upon. There is no reason why America should not have and maintain her own (Continued on Page Four.)"

WILSON FUND DRIVE BEGINS THIS MONDAY

Money For Prizes For People Who Perpetuate Peace

TABLES TO RECEIVE MONEY ON CAMPUS

Drive For Faculty Members to Come on Friday and Saturday

The Woodrow Wilson Foundation fund drive begins today. The drive is for the purpose of securing a fund to be given in prizes to the foremost people in the country who perpetuate peace. Tables will be in Social Science Hall, U. Hall, Library and Engineering Building. The drive will be carried on by the Mortarboards, who will be in charge, and the old and new Silver Serpents.

"This fund is something that will last. It is similar to the Nobel Prize which is contributed individuals but this fund is more democratic, spelled with a little 'd,'" Professor Pfeiffer said in an interview Tuesday afternoon.

The students' drive will be Wednesday and Thursday. The drive of the Faculty members will be held on Friday and Saturday. The Faculty members in charge of this drive are: Laura B. Pfeiffer, Philo M. M. Buck, Inez Philbrick, Lawrence Fossler and Fred Dawson.

Woodrow Wilson, it must be remembered, is a martyr to the cause of peace. He is now broken in body but not in mind. His face is haggard on his face indicates the silent agony of these many years of unrealized ideals. It is thought only fit to name this fund after one who has given all to the cause of peace.

Contributions of any amount will be appreciated. Amounts from ten cents upward will be accepted. Posters will be distributed about the several buildings.

Students with Edith Burlingim Ross gave an organ recital in the corridors of the School of Music last evening. Those taking part were John Kieven, Nira Means, Wallace Allen, Myrtle Peters, Rachael Clem, Alice Sorensen, Elizabeth Kennedy, Solita Aitken, Ralph Nielson, and Ethel Balknap.

The annual Senior Picnic which is to be given by Chancellor and Mrs. Avery will be held at Horky's Park at Crete, May 18th. This will give every Senior a chance to enjoy without any expense whatever "one perfect day," when the Senior class will hold its last festivity.

The cars carrying Seniors will leave the Administration Building at eight o'clock in the morning and will return at five—arriving in Lincoln in time for evening engagements.

The committee is working hard on the plans for the program of entertainment for the day and several of the things which never happened at any picnic heretofore are scheduled to occur May 18th. Just what these are cannot be determined as the committee has sworn a solemn oath of secrecy and refuse to divulge the smallest detail.

A call is being sent out for cars and any student—whether he be a Senior or not—is entitled to go to the picnic if he is willing to furnish a car. Cards have been mailed to every Senior asking them to R. S. V. P. and it is (Continued on Page 4)

NEBRASKA WINS FROM VISITORS BY GOOD SCORE

Carr Smacks Out Homer Over Right Field Fence in Fifth

MUNGER SHOWS GOOD FORM ON THE MOUND

Edgar of Washington Duplicitae Carr's Circuit Clout Over Fence

NEBRASKA WINS FROM VISITORS

Nebraska won from the conference-leading pastimers from Washington university, 8 to 5, Monday afternoon, by hard and consistent hitting. The Huskers again began the counting when, with one away in the second, Smaha singled and patted the rubber when "Rudy" Ziegenbein reached for one and planted it out among the blue-bells, for two bases. Ziegenbein then scored on Munger's single.

The visitors crossed a pair in their half of the third and the Huskers also helped in that frame. McCrory singled, Thomsen failed to get out of the way of a pitched ball soon enough, and both scored when Earl Carr, becoming better known at every appearance, as the "Grand Old Man," smacked one good for a pair of sacks and also good enough to provide mileage home for McCrory and Thomsen.

Carr won the plaudits again in the fifth when he sent one for the ride over right field fence. Thomsen, who tripled just before him, was caught off third before Earl got in his kick. Coach Frank signaled for a "squeeze" and Carr missed a hunt. It must have made him mad.

Lewellen, first up in the sixth led off with a single which Ziegenbein duplicated. Both advanced on Munger's sacrifice and scored on Joe Pizer's single. This gave the Huskers a three run lead, the score standing 7 to 4. Edgar, tife hard hitting Washington shortstop, biked his Monday pace and laid one over right field fence for the long trot.

DeBolt, the more or less touted moundman of the visitors, failed to keep the fat ones out of the groove. As a result the Nebraskans were credited with thirteen horseshoe kisses that would be hits in any league.

Munger's fast one, interspersed with a hook, kept the visitors wondering. Ziegenbein's work with the aspen places him along with Carr and Joe Pizer in the old regularity class. "Rudy" got a double and two singles out of four chances.

Carr made a circus catch of a warm grounder and Smaha's leap in the air for a drive brought the customers up on their feet.

The Huskers leave Thursday night for Ames where they meet Iowa's finest in a two-game series.
