KOSMET KLUB ELECTS THREE NEW MEMBERS

Active Men Chosen by Honorary Dramatic Organization for Next Year

DAWSON AND PHELPS ARE MADE HONORARY MEMBERS

Ruth Kadel is New Associate Member—Officers Are Announced

Kosmet Klub has announced the election of three men to active membership to fill the vacancies caused by graduation of an equal number of its members. At the same meeting, two honorary members and one associate member were elected by the club members.

The men elected into the club are as follows:

Kenneth Cozier.
Robert F. Craig.
Hart Jenks.

Fred T. Dawson, director of athletics and dean of men, and J. Manley Phelps, director of the 1922 Kosmet play, were selected as honorary members.

Ruth Kadel Chosen

For the first time in the history of Kosmet at Nebraska, a co-ed was chosen as associate member of the society. This honor goes to Ruth Kadel, AS3 of Genoa, who has acted as accompanist for the 1921 show, "The Most Prime Minister," and the show given at the Orpheum on May Day of this year, "The Knight of the Nymphs." Her faithful work in making the plays successful was formally recognized by the club in the selection. She is a member of Kappa Kappa Gamma.

The honorary and associate members will be recognized at the time of the formal initiation of the new men this spring. The graduating members of Kosmet are Hugh Carson and Eugene Ebersole. Frank Winegar, another Kosmet man, will not be in school next fall.

Officers Elected

Officers for the coming year were announced by the club members after their meeting held at the Alpha Tau Omega house as follows:

President—Roland B. Smith.
Vice President—Mike Myers.
Secretary—Chauncey Nelson.

Selection of business manager and his assistant for the 1923 play will be postponed until next fall. Plans for the play, however, are to be started immediately and will be carried on during the summer. Important announcements concerning the prizes to be offered for the writing of the play to be used next year are to be made by the club within the next few days.

Inter-frat Sing

Definite action on the inter-fraternity sing which is to be held on the campus under the auspices of the Kosmet Klub during the Cornhusker Roundup was also taken by the members. The sing will be held on the evening of Ivy Day and will be one of the biggest of its kind at Nebraska.

PICTURES OF DISTRICT CHAMPS ON EXHIBITION

Pictures of the eleven district-championship teams in the state debate tournament of the Nebraska High School Debating League are on the bulletin boards in the University Hall and in front of Memorial Hall. Of the thirty-three speakers who survived the district competitions, twenty-six are boys and seven girls.

BAND CONCERT GIVEN ON CAMPUS WEDNESDAY

The University Band gave the second of its series of three concerts Wednesday at 7 p. m. The adverse weather conditions limited the attendance somewhat and handicapped the musicians but the concert was nevertheless well received.

The last concert will be given on next Wednesday at 7 p. m. The Glee club will assist with a few selections and the concert promises to be one of the best offered this year.

TRACK MEN HERE FOR BIG CONTEST

Annual High School Cinder Path Contest to be Staged Saturday

RECORDS MAY BE BROKEN IF WEATHER FAVORABLE

Four Hundred Participants Arrive in Lincoln Today and Tomorrow

Four hundred high school tracksters representing forty high schools of the state are expected to arrive in Lincoln today and tomorrow morning for the annual high school track and field meet. Tomorrow afternoon promptly at two o'clock on Nebraska field, the program of the big athletic carnival will start with the 100 yard dash, the first of thirteen events. The teams have been divided into three groups and separate competitions in every event will be conducted in each group. Track teams from all the large towns of the state will compete in the track meet tomorrow. The teams have been preparing for the state meet by a series of dual triangular and invitation meets. The teams have been well rounded into shape by these meets and are expected to show up well Saturday.

According to the dopsters, Omaha Central, who has won six of the state track meets, has the best chance of winning the honors in group three this year. The Omaha cinder men were second last year. North Platte also has a strong team and promises to put up a hard fight for first place. Beatrice, who won the meet last year, lost all her stars by graduation and is not in the running.

A majority of the schools are entered in group two and the closest competition will probably be witnessed there. Ansley, Cambridge, Gothenburg, Tecumseh and Wilber all have strong teams and a merry fight among these teams for the group two laurels is promised. Wilber captured first honors in the Pentathlon and Ansley and Cambridge placed in the first six teams.

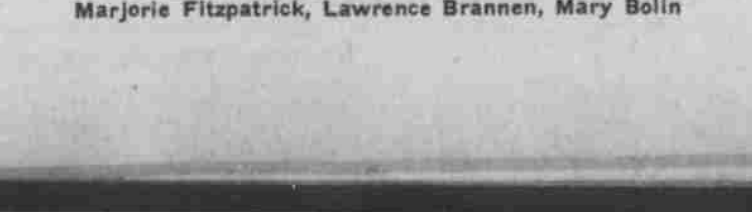

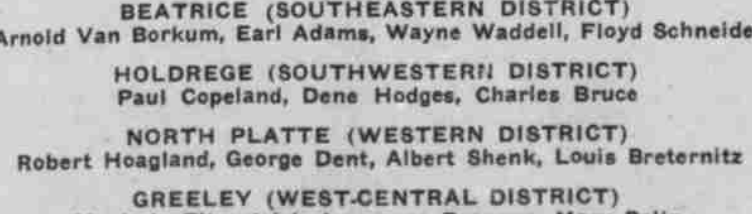

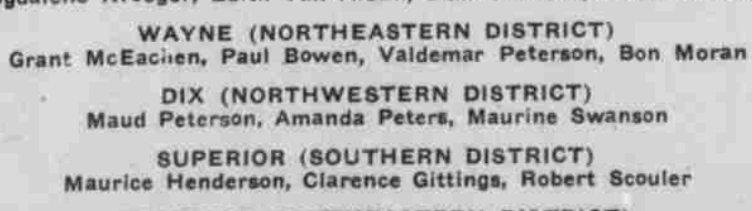

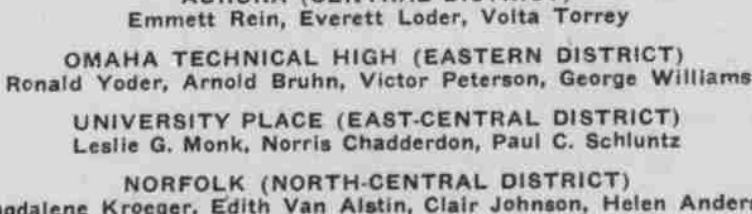

The century dash in group three will be one of the prettiest races ever seen at the state meet. Twenty-nine speed artists from the larger schools will run in this race. Among the sprinters who will compete in this event are Beerle of Omaha Central, who tied the state record of 10 1-5 seconds; Wier of Superior, 1922 pantheon champion, Locke of North Platte, and Triba of Columbus.

With favorable weather conditions, several state high school records are due to fall Saturday. Rhodes of Ansley, who has vaulted twelve feet this year, is expected to break the state record of eleven feet, six inches, which he made last year. Lewis, the big Lincoln negro, who has been throwing the discus between 115 and 120 feet and heaving the shot well over forty-six feet, will shatter the state records in these events if he is in form.

DEBATING LEAGUE BULLETIN BOARD

The official bulletin board where announcements during the State Debate tournament will be placed is on the first floor of University Hall.

MOVIES OF DEBATERS TO BE TAKEN FRIDAY

Motion pictures and photographs of the teams and school officials in the state debate tournament will be taken at 12 o'clock Friday on the front steps of University Hall by Dr. George E. Condra, director of the State Conservation and University Surveys. These pictures are taken for the University's record of the tournament.

FORENSIC BULLETIN TO BE PRINTED SOON

The fifteenth annual "Bulletin" of the Nebraska High School Debating League will be published about June 1. It will include succinct accounts of the 100 debates from January to May; the constitution as amended to date; the roster of the members; and announcements for 1922-23. Copies will be sent to each League school. Extra copies may be had for twenty-five cents each from the secretary-treasurer, Supt. R. B. Carey, Ashland, or the president.

STATE DEBATES GO FIRST ROUND

Holdrege, Omaha, Tech., Uni. Place, North Platte, and Greeley Win Thursday

SECOND ROUND LOT DRAWINGS ARE MADE

All of First Round Contests are Heated With Forensic Honors on an Edge

First round results of the Nebraska high school annual debate tournament were announced late Thursday evening at the office of Professor M. M. Fogg following the decisions in the five simultaneous debates which were held.

Results of the first round contests follow:

Holdrege, negatives, (Southwestern) defeated Aurora (Central) 2 to 1.
Omaha Technical, negatives, (East) defeated Dix (Northwestern), 3 to 0.
University Place, negatives, (East Central) defeated Beatrice (Southeastern), 3 to 0.

North Platte, negative, (West) defeated Wayne (Northeastern) 3 to 0.
Greeley, negatives, (West Central) defeated Norfolk (North-Central), 2 to 1.

Superior drew a bye on the first round.

Lot drawing made Thursday night for the Friday program in the tournament follow:

Greeley vs. University Place.
Holdrege vs. Superior.

North Platte vs. Omaha Technical.
All of the first round debates were heated contests. The teams, winners in their respective districts, put up strong arguments pro and con on the question "Resolved that the movement of labor for the closed shop should receive the support of public opinion."

An interesting coincidence of the first round debates was that all winning teams supported the negative of the proposition.

NEBRASKA GIRL TO MAKE TOUR OF STATE

Adelheit Dettman will leave in a few days on a speaking tour over Nebraska under the auspices of the Anti-Saloon league. The purpose of the trip is to meet with and talk to the women voters, who are already organized in various prohibition clubs. The approaching election makes it necessary to mobilize the forces for Prohibition and keep America a country free from saloons and the sale and use of beers and light wines. Miss Dettman has to cover the fifty counties of Nebraska before the nominations which take place in July.

MISSOURI PROFESSOR TO SPEAK SATURDAY

"The general Tendencies of Modern Science" will be the topic of a lecture given by Prof. Earl Raymond Hedrick of the University of Missouri at the Temple theater on Saturday evening, May 13, at 8 o'clock. The lecture will be given under the auspices of the Sigma Xi and Phi Beta Kappa societies of the university. An invitation is extended by the two societies to faculty members and students to attend the lecture.

PROF. M. M. FOGG IS LEAGUE FOUNDER

University Professor Organized State Debating League in 1908

The Nebraska High School Debating League was organized in 1908 by Prof. M. M. Fogg at the request of schoolmen of the state. It started with thirty schools, and soon grew to about one hundred. Several states have modeled leagues on Nebraska's. This year over a hundred debates have been held in eleven districts on the question of the closed-open shop.

To aid schools with limited library facilities, abstracts, compiled under the direction of the league president, were made of seventy-five authoritative books and articles on the closed-shop question and furnished at cost through the Debating and Public Discussion Bureau of the University Extension Division.

Soon after the league started teachers organized the Argumentation Section of the State Teachers Association for discussion of questions relating to the secondary-school teaching of argumentative composition and oral discussion.
