## FROSH COMPETE IN TELEGRAPHIC TRACK MEET

Fifty Freshmen Entered in Annual Missouri Valley Track Meet

FIELD EVENTS FEATURED BY PARKS AND FRAZIER

Trexler Stars as Anchor Man in Two Twenty Relay Race

The Missouri Valley freshman telegraphic track meet was held yesterday afternoon on Nebraska field, with Coach Schulte in charge. Fifty freshman tracksters competed in the meet, which was held at every school in the valley yesterday afternoon. The century dash, which Lloyd ran in ten seconds flat, featured the meet.

The work of Parks, who threw the shot 41 feet, 7 1/2 inches and high-jumped 5 feet, 6 1/2 inches, was exceptionally good. Frazier also won two firsts, taking first place in the pole vault and javelin throw. He also took third honors in the discus. Trexler, star sprinter, captured first place in the "two-twenty" and the quarter-mile dash. Coach Schulte expressed himself as being satisfied with the performances in the meet.

The running of Trexler, anchor man in the half mile relay, was too much for Noble, varsity star sprinter. The big boy was unable to keep up with the freshman flash, who had already run two races.

## REVIVE STUDENT IN DUMB BELLS WITH NEW BADGES

Since the arrival of the new gold badges the Dumbbells have been working more and more in the line light of athletic circles for girls. The Dumbbells organized over a year ago under the colorless name of "Near Phys-Eds." The "Phys-Eds" christened them soon. The alleged excuse for the organization was to promote sportsmanship. The real reason was to promote "feeds" and picnics.

Who the Dumbbells are no one really knows. Miss Louise Pound is the most prominent member, however. But any blacksuited girl who insists she would rather be a "near" than a real "phys ed" is eligible. Dumbbells were active in selling tickets for W. A. A. dance drama. The society has a fair sprinkling of "N" swaters in its membership and takes an active part in all athletic affairs for women.

Syracuse University—The outgoing W. S. G. A. board at Syracuse made the following recommendations to take effect next year: (1) notifying women of offenses at the end of each week before a report is made to W. S. G. A. (2) extending movie permissions to 11:15 o'clock. (3) giving house presidents the power to grant over-night permissions. (4) giving all women two 12 o'clock permissions per week with permission to go anywhere on the approved list. (5) allowing freshmen three or four extra permissions a semester. (6) University dances not counting as nights out.

## WOMEN AWARDED "N" SWEATERS

Seventeen Co-eds Win 1200 Points and the Coveted Letter

The "N" sweaters, awarded to all W. A. A. members who have earned 1200 W. A. A. points, will be awarded June 2 at the annual luncheon at the Lincolnshire. All the old grads and ex-W. A. A. members will be back for the occasion. The class cups for the various sports will also be awarded.

There's not a Cornhusker girl who would not be glad to melt, roast, swelter, for the honor of wearing a really, truly "N" which she earned herself.

The new "N" girls will be: Marie Snavely, Lois Pederson, Frances Gable, Lois Shepherd, Ruby Damme, Davida Van Gilder, Annabelle Ranslem, Eunice Hilton, Buelah Crabill, Lauda Newlin, Pearl Safford, Cora Miller, Nannie Roberts, Ad Dettman, Bernice Ballance, Bessie Epstein, Alice Stevens.

## ALPHA KAPPA PSI INITIATES EIGHT

Annual Banquet Follows Initiation at Lincolnshire—LeRossignol Speaks

Alpha Kappa Psi initiated the following men Saturday, May 13, the National Founder's Day of the Fraternity: Edwin Yoder, Robert W. Maxwell, Raymond Eller, Harry Amende, Robert W. Kerkow, Roy Forsman, Kenneth Cozier and Lyman C. Sorenson.

After the initiation the new members were the guests of honor at the annual banquet, which was held at the Lincolnshire Club rooms. Arnot Folsom presided as toastmaster, calling upon Dean LeRossignol, President Robert Eastwood and President-elect for 1923 Herman Wollmer.

The following members were elected to offices for the coming year: Herman Wollmer, president; E. M. Hilbenthal, vice-president; Burford Gage, secretary; J. W. Wolfe, treasurer; Richard Mockler, corresponding secretary, and Harry Alowsky, master of rituals.

## CO-EDS HIKE ALMOST THREE THOUSAND MILES

Ninety Nebraska girls hiked 2,993 miles this semester, averaging 331 miles per girl. Florence Price, more ambitious than the rest, has walked 178 miles. Othelis Uuler tried to keep up with her and has 103 miles to her credit. Minnie Schlichting has contented herself with 98 miles, but then, there is still time until the end of the semester. Thirty-seven girls have over forty miles.

It is possible to make fifty W. A. A. points per semester by hiking. Twenty-five points are awarded for the first forty miles. Then for every additional ten miles five points are awarded, until fifty points are reached. Beyond that, the hiking is done without credit for the pure love of the sport. For sport is surely is—bacon, eggs, pancakes 'n everything—ooh! Skinnney!

## Womens' Athletics Cover A Wide Scope During Year

A resume of the complete program of W. A. A. sports for the year 1922-23 follows:

Soccer—Francis Gable, '24, sport leader. Over one hundred girls enthusiastically pitched into the first sport on the W. A. A. list and made the soccer season a successful one. The sophomores defeated their older sisters, the seniors, in the finals, thus earning the right to have their numerals engraved on the cup. The new girls' athletic field, east of Social Science building, was initiated by soccer.

Hockey—Marie Snavely, '24, sport leader. Brand-new, real, field-hockey clubs were the feature of the hockey season. While heavy clubs meant more bruised shins and smashed fingers, the game was better than when played in the time of unstable sticks. The seniors turned tables on the sophomores and what started out to be a tie affair, wound up in favor of the seniors.

Tennis—Pearl Safford, '24, sport leader. Cora Miller retained her tennis championship for the third year, after winning the all-university girls' singles last fall. Nannie Roberts, last years runner-up, came out second again in the tourney. The junior team, made up of Zoe Zchalek, Dorothy Teal and Jessie Hiett, substitute, defeated the seniors, Nannie Roberts and Annabelle Ranslem, in the inter-class finals. Two spring tourneys are now under way, with the first round of the singles played off.

Basketball—Eleanor Snell, '22, sport leader. Basketball proved the popular sport of the year. One hundred and seventeen girls practised during the season. An exciting "Monte Carlo" tournament of thirteen teams was won by the "Dark Blues," captained by Lois Shepherd. The seniors won the first-team class tournament for the third year. The sophs won the second team tournament. It was a most enthusiastic season.

Dance-Drama—Dorothy Whelpley, sport leader. Many and long were the practice hours spent in preparation for the dance-drama which was given April 27 at the Temple. Thirty-five girls took part in the excellent production. Of the \$150 proceeds, \$100 was given to the Grace Coppock fund.

Track—Ruby Damme, sport leader. This year's track meet "had it all over" track meets of former years. Five state records were broken—four of 'em by freshmen, too.

Swimming—Lois Pederson, sport leader. The sophomores won the meet with 525 points. The seniors brought up the rear with 140 points. An exhibition of diving by Neal Phillip, captain of the Husker swimming team, was enjoyed.

Baseball—Lauda Newlin, sport leader. Fifty-seven girls have been playing the national game for the past six weeks. The final game, to decide the championship, will be held Friday afternoon. The tournament games have been using the new baseballs.

## Fence Discarded As Economy Measure--Saves Lawn Mowers

Come all ye Weary Willies and sandwich hounds, Gather on the University campus and peel your oranges in peace. Democracy has had its way. The last barrier to a college career has been removed. Our fence is down, condemned to destruction by the immutable law of the Fire Department.

Those of us who have looked so long at the kindly old grating, those of us who liked the spirit of seclusion it seemed to offer, can mourn without redress. The fence was impracticable. This alone was enough to condemn it. The fence was dangerous (it matters not that this little fact has been overlooked for only twenty years). It must be destroyed.

There is now nothing to impede our vision. We can watch the street-cars and view the passing truckloads of squealing hogs without interference. Peaceful droves of cows may munch the grass from our lawn and ruminate in the shade of the Administration Building, unhindered. (Can't you hear some sparkling co-ed twitter, "Oh Bull"? It seemed scarcely democratic anyway to keep the animals from that which is their inherent right. And at the same time—I cannot emphasize this too strongly—at the same time we have knocked the fire demon for a goal.

Think too of the economic gain in this. We have been accustomed to (Continued on page 4)

## NEBRASKA WOMEN TO ATTEND CONFERENCE

Eight Hundred Women Will Attend Annual Conference in Wisconsin

The summer conference at Lake Geneva, Wis., occurs from August 18 to 28. Probably eight hundred girls from city, college and university Y. W. C. A.'s will be there. The girls come from all the northern and middle-western section of the United States.

The morning hours are devoted to classes and lectures, the afternoon hours to swimming, boating, tennis and picnics and the evening hours are given over to noted lecturers. Any girl who has ever gone will vouch for the good and profitable experience to be had there.

So far, the girls that are going are: Gladys Mickle, Ruth Small, Dorothy Williams, Gertrude Tomson, Florence Sherman, Peggy Hartman and Miss Appleby. Any girl can go who wants to until the quota is filled, by getting information from Miss Appleby. The approximate expenses are \$6 for program fee, about \$33 round-trip railroad fare and \$20 for board and room. It is a wonderful experience and one not easily forgotten.

Dorothy Noyes and several girls from the Ag College are going to the high school conference at Lake Okoboji.

University of Michigan—One hundred fifty-four students are on probation here at present and sixteen more were added to the list recently when the letters were sent to the students from the dean's office.

## ARTS COLLEGE PAGEANT FOR ALUMNI WEEK

Three Act Performance Written by Professor H. B. Alexander

LAST ACT WAS USED IN RECENT INITIATION

Pageant to be Given in Little Green Theater on June 2

A four act pageant, written by Dr. H. B. Alexander, will be given under the direction of a committee of students from the College of Arts and Sciences during Cornhusker Roundup on the campus in June. The Little Green theater, which will be erected on the lawn between U Hall and the Administration building for the crowning of the May Queen on Ivy Day, will be the background for the elaborate settings which are being planned.

The cast for the pageant is already at work on the production under the direction of Miss Melba Bradshaw. Special scenery is being made for the pageant and costumes are being selected to make the affair one of the showiest and prettiest events of the Alumni week.

June 2 is Date The pageant is planned for Friday, June 2, and will be one of the main events. All campus organizations are planning get-togethers for this day so that hundreds of alumni will be in Lincoln to witness the performance.

Peal, Adelheit Dettman, Emily Ross, Dorothy Pierce, Mike Miles, Ruth Towner, Joe Ryons, Mildred Gollehan, Bob Henderson, C. E. Dr. Alexander, head of the philosophy department, who is the author of the pageant, has also written many others which have been produced here in past years. One of his best-known productions was given here at the time of the celebration of the semi-centennial of the University. Those who have read the pageant to be produced on June 2 pronounce it as one of his very best.

## BACK TO NATURE MOTTO OF TWENTY VIGOROUS W. A. A.'s

About twenty members of W. A. A. went to Crete May 13-14, for the annual camping jaunt that is listed in the tradition book. The week-end was jammed with rowing, hiking and cooking out of doors. A few of the braver ones took a chilly dip in the icy Blue and came out understanding what the "icy Blue" meant in early May.

Some of the more ambitious ones hiked back to Lincoln to add to their mileage. Some who went in a car had an accident and were forced to board the train in true camping garb. Bacon and eggs cooked in the open was the steady diet, but no one objected.

The only "kicking" was done when it was time to roll up the blankets for home.
