CO-EDS LEAVE FOR SORORITY MEETINGS

(Continued from page 1)
Mrs. Bumstead and Mrs. Westover, delegate from the alumna chapter left Saturday afternoon. Omaha will be represented by Miss Mary Elizabeth Graham and Miss Gladys Mickle. Miss Margaret Lang, of Wyomere, who left Saturday for the Kiwanis convention at Toronto, Canada, will meet the Lincoln and Omaha girls in Syracuse. Miss Lang was chosen the prettiest girl in the Kiwanis club beauty contest to attend the convention as the guest of the convention and to take part in the pageant which will be given as one of the features of the convention.

SPORTRAITS

Action of Nebraska officials and track men in accepting the decisions of officials without protest will certainly be commended by all Cornhusker students. While Schulte protested the 100-yard dash slipup of the officials it was only after having pressure brought to bear by other coaches who knew the Nebraska man had placed second and not third and was entitled to run the final. Nebraska followers love clean sports and will always do what they can to promote it

Captain Ed Smith has three times this year been the victim of poor work on the part of track meet officials. Twice at Chicago Smith received the poor end of the deal. Once at the Missouri Valley meet, officials took away a part of the honor due him. The Chicago incidents are recounted at length in another section of this paper but few know the details of the Missouri Valley event. Smith made the 220-yard dash in the fast time of 21 2-5 seconds according to four or five time keepers. The fifth clock read 21 4-5 seconds and a compromise was reached at 21 3-5 seconds. Had the odds stood two to three or vice versa, there would be no kick coming. Nebraska is not kicking now but with such overwhelming odds any

man should have been credited with equally the world's record of 21 2-5 seconds for the 220.

Twilight league baseball took a decided boost following the announcement Wednesday that the schedule would start today. The first clash of the season will be between the Summer Nebraskan team and the baseball class entrants. Both teams have secured the campus in an effort to secure the best of players. Baseball men may still enroll for the league teams. Hot competition is expected throughout the season and the more summer school students who take an active interest in the games, the better the league will turn out.
