

THE SUMMER NEBRASKAN

VOLUME XXI. NO. 173.

LINCOLN, NEBRASKA, THURSDAY, JULY 13, 1922.

PRICE FIVE CENTS.

BASEBALL CLASS TAKES A TUMBLE

Football-track Diamond Aggregation Takes League Leaders to a Trimming

Twilight team standings:

Baseball class	5	4	1	.800
Football-track	5	3	2	.600
NEBRASKAN-FIVE				
Basketball class	5	2	3	.400
Summer Nebraskan	5	1	4	.200

After winning four straight games, the Baseball class, leaders in the Twilight league, were given a severe setback when they received an 8 to 1 whipping at the hands of the Football-track aggregation. Giving Brown and Garnick perfect support the Football-track men made good use of their baseball ability and allowed the Baseball class but one run.

Despite the defeat from the Football-track team, the Baseball class still leads the league. Unless it is defeated by the Basketball class in the final game of the league race it will stand undisputed champions of the league. Should the Basketball losers succeed in trouncing the Baseball class, however, and the Football-track succeed in again defeating the Summer Nebraskan team, the Baseball class will stand in a tie with the Football-track organization for the leadership.

In the second game of the program on Sunday, the Summer Nebraskan was defeated by the Basketball class 7 to 1. The Basketball class gained a pleasing revenge for the former defeat they received at the hands of the Nebraskan team.

The score by innings of the Baseball class-Football-track game follows:

Baseball class	1	0	0	0	0-1
Football-track	2	3	3	0	x-8

Batteries—Cox and Rosene; Brown and Garnick.

Umpire—Owen Frank.

The score of the Summer Nebraskan-Basketball class game follows:

Summer Nebraskan	0	0	1	0	0-1
Basketball class	1	4	0	2	x-7

Batteries—Adamson, Lewton and Hall; Thomas and Daugherty.

Umpire—"Bill" Day.

REPORTERS WANTED

Students of the second session of the summer school who wish to do reporting work on the Summer Nebraskan should see the editor in room 206 U-hall any afternoon before 3 o'clock. The staff of reporters of the first session has been broken up by most of the members leaving school the end of the first six weeks.

Helen Kummer is traveling in California.

"To be trusted is some times a greater compliment than to be loved."

DELIANS TO PICNIC AT ANTELOPE PARK

The Delian literary society will hold a picnic at Antelope park at 6:30 Saturday evening. Meet at the west entrance to the park. Delians may bring their friends. A pot-luck supper will be served.

TWILIGHT LEAGUE TO BE CONTINUED

"Bill" Day Announces That Baseball Games Will Run Into Next Six Weeks

Baseball competition among summer school students will not come to an end with the first six week. "Bill" Day, who will have charge of the coaching classes during the next session, announced Wednesday afternoon that the Twilight league would run into the next term if the players so desire.

Four teams will make up the league in the second session as in the first. The teams which will compose the league the next term, in case the competition continues, are the track, football, basketball and Summer Nebraskan squads.

The Baseball class leads the league at the end of the first six weeks. They twice defeated the Summer Nebraskan, once the Basketball and Football-track teams.

Students desiring positions in the baseball league should apply to the Summer Nebraskan, the only "open" team in the league. The other teams may solicit outside aid, however, if they desire. Students wishing positions on the Nebraskan team for the second six weeks should see the editor any afternoon before 3 o'clock in room 206 U hall.

BECKWITH COPIES MAY BE SHOWN AT IOWA FAIR

Professor Paul H. Grumann, director of the school of fine arts, has received the official statement from Mrs. Bertha Beckwith pertaining to the copies of the masterpieces which have been presented by her to the school of fine arts.

A number of applications have come to the federation to have the Beckwith copies exhibited and it is possible that they will be shown at the Iowa State Fair before they are brought to Lincoln. If this plan is followed, the collection will not be installed at Nebraska until early in October.

SCHULTE LEAVES FOR A VACATION

Coach Henry F. Schulte, assistant director of athletics, will leave late this week for Michigan where he will spend the last few weeks of the summer fishing, camping and enjoying himself. Schulte has been instructing the football and track classes during the first session.

ALUMNI SECRETARY VISITING IN IDAHO

Harold F. Holtz, secretary of the Alumni Association, is now spending his vacation in Idaho. He left some time ago with his wife to be gone two weeks.

STUDENT ACTIVITIES OFFICES ARE MOVED

Chadderden and His Staff are Now Located in the Armory, Across From Athletic Office

After years and years, so many that few remember when it actually started there, of constant location in the basement of the administration building, the student activities office has been moved. It is now located on the second floor of the armory across the hall from the athletic department offices.

The change in location for Neil T. Chadderden and his staff was executed last week.

The shifting of the business work of the athletic department to the shoulders of the agent of student activities made it advisable for the two offices to be located near each other.

The student activities office has grown tremendously in the last few years. Organizations about the campus needed a centrally located office through which their business could be handled. As the volume of this business increased a separate office to handle it became imperative. The student activities office was definitely established in 1914.

After August 1, J. K. Selleck, assistant purchasing agent, will take over the reins of the student activities office succeeding Mr. Chadderden whose resignation is effective then. Chadderden will go to a bank at Winner, S. D.

CITY TENNIS TOURNAMENT ON UNIVERSITY COURTS

The Lincoln city tennis tournament which will be held on the University of Nebraska courts will start next Saturday and continue through the week until July 22. A long list of tennis enthusiasts have already signed up to compete for the title. A string of the university courts are being set aside for tournament play and work men have been busy most of this week putting the finishing touches on these courts. A row of bleachers will be set up along several of the courts to care for the spectators.

DEAN ENGBERG NOW AT OLGA, WASHINGTON

Dean Carl C. Engberg, his wife and daughter, are spending the summer at Olga, Washington, where the dean is dividing his time between fishing and searching for specimens of shells, clams, etc. Dean Engberg spends his vacation each summer on the Pacific coast.

ALL CLASSES START TODAY

First Meetings Will be Held Thursday—More Than 200 Enroll For Second Session During the Registration on Tuesday—Registering Heavy on Wednesday and New Record For Second Term Certain of Being Establishment.

All classes for the second session of the summer school start today. Instructors and students get together for the first time this morning to prepare for a strenuous six weeks of work.

A new record for summer school attendance in the second session is almost certain of being established. The registrar's office Wednesday afternoon reported more than 200 had filed for second session classes during the registration on Tuesday and with the heavy enrollment on Wednesday a mark well above 800 is almost certain of being established. More than 400 had filed in the pre-registration thru Reed's office. The mark of a little more than 500 was set at the second term of the 1921 summer school.

A new record for summer school attendance was set in the first term of this year. According to figures from the registrar's office 2085 students were enrolled for the first six weeks classes. The former high record was a little more than 1,100 established at the first session in 1921. The total for all twelve weeks of the 1921 summer school was little more than 1,600.

Many Attend Both Sessions

Many students are attending both sessions of the summer school. These, together with the large number of new students who are coming for the second term, are swelling the total of attendants at the second summer session to well above 800.

Advance registration of students was heavy. Students in attendance at the first session of the summer school filed for second term class with Prof. Reed, fessor Reed enrolled Tuesday and Wednesday at the general registration in the armory.

No fees are being charged for students of the first term who enroll for the second session. Students in the law college are being excepted from this rule as also are those taking laboratory work.

The name of Ernest Hubka is being given serious consideration by Corner college which is trying to select a full time coach for next year. Hubka was a football and track star at Nebraska.

"Polly" Butler and Bud McCarthy visited in Lincoln last Saturday.

Subscribe to the Summer Nebraskan for the second session 25 cents
