

ALUMNI WIN IN COUNTY CONTESTS

Powers in Deuel and Stevens in Furnas Get Nominations for Attorneys

Wade Stevens and Myron Wainford Powers, alumni of the University of Nebraska College of Law, will be republican candidates for county attorney in Furnas and Deuel counties, respectively, in the fall election. They were nominated in the primaries last Tuesday.

Stevens is a member of the 1922 class. He is a member of the Acacia fraternity and of Phi Delta Phi legal fraternity. He has been practicing law at Beaver City, with his father, John Stevens, who has been county attorney the last few years.

Powers was a member of the class of 1921 of the law school. He won the nomination by a two to one vote. His friends predict an easy victory for him in the regular election. He lives at Chappell, Nebr. He is also a member of Acacia fraternity.

WHERE THEY ARE WHAT THEY DO

Reid Tracey has returned to Lincoln after spending the early part of the summer at Alliance, Nebr. During the early part of the railroad strike, Tracey acted as a guard at the railroad yards there.

Harold Sumption has been acting as a guard at the Burlington round house in Lincoln.

Carl Peterson is a member of the crew of the White-Myers chautauqua circuit which ships out of Kansas city.

Joe Whitmore has been acting as a guard at the Burlington round house in Lincoln.

Wilber Johnson expects to return to Lincoln soon following a tour through Ohio with the Lieurance Symphony orchestra on a chautauqua circuit. The route will be finished within the next week or two.

Gerald Leuck has been working for the Burlington as a guard at its round house.

Knox Burnett is the editor of the "N" book and the student directory which are published each fall by the University Y. M. C. A.

Fred Sturm is now a superintendent for the White-Myers chautauqua circuit. Sturm started out as a crew man but is now introducing "William Jennings Bryan to enthusiastic audiences", he writes back to Lincoln friends.

Al Barrett is working with the United States general land office in Omaha.

Tells Fish Story To Tracksters

Henry F. "Indian" Schulte, track coach, is still proud of the fact that the first fish he ever caught with the reel which the 1922 track men presented to him in appreciation of his work with them was the champion bass of his life's fishing days.

Schulte caught a six-pound, two-ounce bass in the sand pits west of Lincoln. He was so proud of the accomplishment that he wrote a regular patent medicine testimonial on the merits of that particular reel and sent it to each of his tracksters.

MAY END BIG WEEK WITH CAMPUS LUNCH

Continued from page One
Sphinx have suggested that the week following would be proper.

A university reception to all students is to be held on Saturday, September 16, according to information in the calendar for the coming school year. The Sphinx could start their week on the following Monday, September 18 and run it through Friday, September 22.

Sophomore Rally Monday

In case this week is decided on and the big stunt is held, the sophomore men's rally probably would be held on Monday and the freshman men's rally on Tuesday. Members of the Innocents have suggested these two days as the best for the rallies. They say that the sophomores should start wearing their tags first so as to set a precedent for the less forward freshmen.

CLASS '21 PLANS GIFT FOR SCHOOL

Continued from page One
a huge flagstaff encircled by a beautiful marble set. The approximate cost of this flagstaff will be \$1,500.00, which means that the individual responsibility of each of us is a donation of \$4.00. However, we need not feel ourselves restricted to this amount.

"It is the earnest wish and hope of the committee to see the flagstaff erected before the next reunion of the class in June, 1923, and to hold dedicatory service with a large representation present.

"Thanking you for co-operating with the committee as above requested, we are

Cordially,

The Gift Committee,
Helen M. Howe, Chairman
Marguerite Lonam Stott
Verne D. Clark
R. Lum Doyle
Lawrence I. Shaw
Eugene C. Dinmore"
