braskan team to an 8 to 3 trimming Thursday evening.

Garnick, given his release from the Nebraskan team, did good work of perking up the tailenders. Himself holding down the catcher's position, his newly created nine worked splendidly.

Munger's work was effective. He retired seven men by the strike out route. But, at the same time, he made two wild pitches and gave four men walks. He tightened up nicely in the pinches. At one time with three men on bases and one out he struck out one and the other was out at first. The Nebraskan representatives found Munger for six hits.

"Chuck" Hall of the Nebraskan allowed but three walks but was found for eight hits. He was hindered in keeping the score down by four errors on the part of team mates. Confronting a hitting aggregation of baseball men, in four innings he allowed only two more hits than did Munger.

Mike Miles relieving Hall for the last half of the fifth inning, succeeded in keeping all three men who faced him from first. He struck out one while the other two were retired at first in the short time he pitched.

"Bill" Shainholtz of the Nebraskan team did good work behind the base. He held both Hall and Miles in good form. Garnick received Munger's offerings in excellent style and showed improved form in his pegs to second.

The score by innings follows:
