## PLAY HOUR IS FEATURE OF SUMMER TERM LIFE

A unique feature of the summer session at the University of Wisconsin is "the play hour" open to all students, and held every Tuesday evening from 7:15 to 8:15 in the men's gymnasium, under the direction of Prof. J. C. Elsom of the men's physical education department.

The period is designated to afford

recreation for the students, but it also illustrates the use of recreational activities in clubs, social centers, and schools.
