VARSITY WINS PRACTICE GAME FROM FRESHMEN

Scores Two Touchdowns in Thirty-minute Tussle—Freshmen Score Once.

REGULARS SHOW SPEED

Dawson Is Rounding Out a Formidable Gridiron Machine for the Fall Rectangle Campaign.

The first tussle between the Varsity and the Yearlings, which was held Friday afternoon on the Athletic Field, resulted in a 14-7 victory for the Varsity eleven. Although the official dope was that there would be no scrimmage between the Varsity and the Fresh until this week, Coach Dawson pitted the two elevens against each other for a thirty-minute scrimmage at the close of the practice Friday.

The Varsity kicked off to the Freshmen, who soon lost the ball on downs. After ten minutes of play, the Varsity

brought the ball to the Fresh one-yard line on line bucks and end runs by Chick Hartley, Dave Noble, and Herb DeWitz. After one line buck failed, Hartley took the ball over on an off-tackle plunge. Preston added a point by a dropkick on the try-for-point play.

Varsity team No. 2 then went in, and the Yearlings kicked off to them. The Fresh soon took the ball and started down the field. After a series of forward passes and line bucks, in which Douglas Meyers was the leading factor, the first year mtn took the ball to the Varsity 20-yard line, where three offside penalties against the Varsity brought the ball within the Varsity 5-yard line, where the Freshmen carried it over on line plunges, but stalled on the try-for-point. This made the score 7-6 in favor of the Varsity.

Soon after the third kickoff, the Varsity obtained possession of the ball, and Hoy caught a long pass and ran to the Yearlings 1-yard line, thus paving the way to another touchdown for Dawson's men. Russell connected on the try-for-point, and the score was 14-6 with the Varsity on the long end.

Hartley, Noble, the DeWitz Brothers, Preston, and Hoy looked especially good in the backfield. The line on both of Dawson's teams played well, and the Coaches are expected to have no little difficult picking regular line-men. The Freshmen played a nice game, and another week or two of polishing off the rough spots will find the Fresh in condition to give the Varsity a real battle.

With the South Dakota game but a week away, Head Coach Dawson is planning a week of intensive practice to put the team in the best possible shape for the Coyote contest. Advance dope from the Coyote camp indicates that the Dakotans have a strong eleven, which can be counted on to put up a strong fight against the Cornhusker machine.

CROSS COUNTRY TEAM FACES STIFF SCHEDULE

Will Meet Some of the Best Teams in the Missouri Valley—Team Practicing Now.

CROSS-COUNTRY SCHEDULE
 October 21—Missouri at Lincoln.
 October 28—Ames at Ames.
 November 18—Kansas Aggies at Lincoln.
 November 25—Missouri Valley Championship run at St. Louis.

The Cornhusker cross-country schedule this year is the biggest ever attempted at Nebraska, and offers the Scarlet and Cream harrisers a rare opportunity to win the Valley championship in the hill and dale sport. Coach J. Lloyd McMasters completed the schedule last of the week, and expects to begin his training campaign in earnest immediately.

Fifty candidates for the team are working out daily on the athletic field and over the Belmont course, but Coach McMasters declares that he still needs more men, pointing to the fact that over 200 men were out for cross-country last year. A squad of fifteen men is taking daily workouts at the Agricultural school.

At the Omaha Medical school, which has furnished the distance team with such stars as Kretzler and Allen, the men are beginning to report, and as soon as their new track is finished, the medics promise to turn out in force. Three letter cross-country men—Allen, Slemmons and Fischer, who attend the medical school, are expected to try out for the team.

Among the distance runners who can be seen daily taking long jaunts over the Belmont course are Captain Clare Bowman and Hyde, letter men, Pierce Rogers, Cohen, Weir, Haskell, Norris Coats, track letter man; Jetter, C. Williams and "Mud" Gardner.

Coach McMasters is anxious to have more men join the squad. He declares that all that it takes to win a letter in cross-country is endurance and perseverance. Freshmen are especially urged to report for distance running, and to win their numerals this fall.

COACH IS SHIFTING SOUTH DAKOTA TEAM

Having a Hard Time to Find Men to Fill the Terminal Positions on the Regular Lineup.

Good ends are hard to find at South Dakota. Holleran seems to be the only man of any caliber in the camp of Nebraska's next opponent. Coach Allison has been shifting Horkey, a tackle of three years' experience, to the terminal position, but he has not been showing up well. Two freshmen, DeKlotz and Quinn, have been showing a lot of fight and although they are rather green, it would not be surprising to see one of them holding down the wing permanently before the year is out. McFrye of Sioux Falls, center, may be shifted to end.

In the backfield, Ddbel's kicking and McDowell's passing are showing well. Gold has been showing a lot of speed at the halfback station and Quintal has been doing good work at quarter. Seobel evidently has the call for full-back on the Varsity but he is being pushed rather hard by Rasmussen and Foster.

Christensen and Kerstan are Coach Allison's best bets for tackle, whereas Saunders and Frankenfield have the edge on the other candidates for the guard positions.

No defensive training has been given to the U. S. D. man as yet, Coach Allison placing all his faith in a strong offense. Several scrimmages, using the entire afternoon for practice have marked the past week, as the coaches endeavor to put the finishing touches on the squad to prepare it for the Yannon game.

John Pucelik, Husker guard of all-American fame, is coaching South Soo City high school this year, and playing on the Minneapolis Marines. Let's see more students present at the practice on open days. Dawson says the men deserve it.

All men who have freshman football equipment which they are not using should turn it in at once, as they are hurting Nebraska by not turning in this material, which is needed by other men who wish to join the squad.

Any athletic items of interest will be appreciated if handed in to the editor of this column.

Did you know that the cross-country schedule for this fall is the biggest ever attempted at Nebraska?

Guy Chamberlain, Nebraska's greatest football player, who is managing the Canton Bulldogs, national professional football champions last year, has secured the services of Roy Lyman, star tackle on the Husker 1921 eleven. Chamberlain also made a bid for Swanson's services. Evidently the East is beginning to appreciate the ability of the western players.

That 10-0 defeat last year must have taught Pittsburg a thing or two. After refusing to come to Nebraska for a return game this fall, saying that it was too long a trip, the Panthers have scheduled a game on the coast with Leland Stanford on December 20. It seems that Pitt believes that "discretion is the better part of valor," when it comes to meeting the Huskers again.
