COLLEGE SPORTS

FRESHMEN HOLD VARSITY CREW IN HARD SCRIMMAGE

Coach Dawson's Men Put Over Three Touchdowns in Yesterday's Workout

STUDENTS WATCH PRACTICE

Coach Young of Yearlings Well Satisfied With Showing Made Against Varsity

The Freshman-Varsity football battle last night, which ended in a 20-0 victory for the Varsity, was a source of disappointment to Cornhusker grid fans. The Varsity experienced unusual difficulty in piercing the yearlings' line, and Dawson's team's only improvement over last Friday's exhibition was in the defense, the Varsity holding the Frosh scoreless.

The Varsity practice, which started at 3:15, was opened to the students, who turned out 500 strong. The afternoon was exceedingly hot, and the Varsity was slow in the drills preceding the scrimmage. Three full teams of Varsity candidates ran up and down the field practicing various formations. Layton was back in a suit after a week's absence because of an injured knee.

The Freshmen came on the Athletic Field at 4:45 and after the Varsity and yearlings had warmed up for ten minutes, Referee Swanson blew the whistle for the teams to line up.

The Freshmen kicked off to the Varsity, who were defending the east goal. Russell was at the signal-calling position for the Varsity, as Preston has been badly bruised up in the last few scrimmages. Hartley made ten yards on an off-tackle plunge. A long pass to Thomsen, playing end for Dawson's team, was incomplete. Varsity was forced to punt.

The first-year men hit a stonewall when they tried to buck the Varsity line, and so they attempted to punt. Big "Bub" Weller broke through the Frosh line and blocked the kick. He scooped up the pigskin and ran to the yearling five-yard line before he was downed. Captain Hartley went over for a touchdown, and Russell kicked goal on the "try-for-point" play, making the score 7-0 in favor of the Varsity.

The Varsity kicked off to the Freshmen, who were soon forced to kick. Russell fumbled the punt, but recovered and was downed on the Varsity thirty-yard line. The Varsity was unable to gain, and soon kicked. Hartley intercepted a Frosh pass near the first-year team's goal. Herb DeWitz went through the line for a touchdown, but Russell failed to kick goal. The score then stood Varsity 13, freshmen 0.

The Varsity second team entered the game, and Coach Young of the freshmen sent in his first team, as his second team had been playing up to this time. The Varsity kicked off to the yearlings, who were soon forced to punt, the kick going sixty yards, over the Varsity goal line. The ball was put in play on the twenty-yard line. The Varsity failed to gain and punted. The ball then was saved back and forth across the middle of the field neither side gaining with any degree of consistency.

Dawson sent the Varsity first team in which soon scored a third touchdown. Russell kicked goal on the try-for-point, making the score 20-0. In the remainder of the contest, neither side threatened to score. The game was called shortly after six o'clock.

The playing of Captain Chick Hartley was the feature of the work of the Varsity. The Husker leader made long gains when carrying the ball, and played a stellar game on the defense. Herb DeWitz and Weller were the other Varsity men who showed up to advantage.

Bloodgood, Myer and Locke starred with their playing in the freshman backfield while Rhodes was the big noise on the line. Rhodes broke through time and again and spilled Varsity men for a loss.

The work of the Varsity in the scrimmage with the Freshmen yesterday showed that unless they develop a much stronger offense before the Coyote contest, they will make a sorry showing. The yearlings held the Varsity with almost unvarying firmness, and the Varsity obtained two of their three touchdowns on what could almost be called flukes—the blocking of a kick, and the interception of a forward pass.

Tryouts for the places of assistant cheer leaders were held in connection with the Varsity-yearling contest. Head cheerleader Reed gave each candidate an opportunity to lead the cheering of the students during the practice. The cheering as a whole

was very poor, the students exhibiting a lack of interest which caused even Dawson to comment on it. He made a personal appeal to the spectators to cheer with spirit, but a real response was lacking.

Officials for the game with South Dakota Saturday have been selected as follows:

Referee—A. G. Reid, Michigan University.

Umpire—Earl Johnson, Doane college.

Headlinesman—Clyde Williams, University of Iowa.

LOVING CUP FOR TENNIS CHAMPION

Must Win Cup Two Years in Succession for Permanent Possession

A silver loving cup will be given to the winner of the fall tennis tournament at Nebraska University by the Harry A. Koch company of Omaha, Sioux Falls and Lincoln. Mr. Koch is quite a tennis player himself, having won a number of state and city tournaments, and his presentation of the cup is to promote tennis as a sport at Nebraska.

The man winning the cup will have his name and year won engraved upon it, and can keep the cup in his possession during the year. If a man succeeds in winning in the tournament for two years, the cup will become his.

The tennis tournament is going rather slowly at the present time. There are three sets not played in the first round, and only six played in the second round. It is expected that the cup will strengthen competition, and set the tournament on its feet.

The new games played in the second round came out as follows:

Elliott-Rasgorshok — Elliott, 6-3, 6-2.

Burke-Page—Burke, 6-2, 6-3.

Swezey-Joy—Swezey, 6-4, 6-3.

C. R. McDOWELL
South Dakota quarterback, who will probably direct the Coyote attack against the Cornhuskers Saturday. McDowell was an all-state high school quarterback at Sioux Falls for two years. He is a sophomore this year and won his monogram last year in college.

Iowa State Has Large Enrollment

No estimate as to the size of the enrollment this fall can as yet be made, according to Acting Registrar J. R. Sage in a statement given last night. A count is being made but it has not progressed far enough to determine how many students will attend Iowa State.

A large increase in women is evident as all dormitories and cottages are filled, the guest rooms as well as the recreation rooms being used to accommodate the women until more permanent quarters can be established.

Rooming houses for men in the fourth ward are filled but there are still a large number of rooms for rent in the down town district. A considerable number of freshmen corresponded with the Y. M. C. A. this past summer for rooms but just the number of students in the other classes that are returning can not be estimated. —Iowa State.

About the only think to be said for times like these is that they encourage the manufacture of red ink.

GRID GAMES WILL BE RADIOED FROM FIELD

Bertram Ellsworth in Charge of Broadcasting of Football Contests

Radio broadcast of the football game Saturday with South Dakota is assured, according to the operator, Bertram Ellsworth. He is working every available minute to have the set, now in E. E. 110, completely remodelled so as to thoroughly conform with the latest improvements in wireless apparatus. It can be changed from a wireless telegraph to a radiophone by throwing a switch. A telephone line to Nebraska field will make it possible for the reporter at the game to send his bulletins directly out upon the ether from the E. E. building. The lineup will come first and then the plays as they are made.

Messages from Canada, New Orleans, Pennsylvania and western Colorado have been received at the campus station. The Rockies make it difficult to receive from states west of Colorado.

The best musical and lecture talent available for programs to be given once a week this winter, is to

be listed as soon as possible. Mr. Ellsworth hopes that these will be begun in two or three weeks, probably on Saturday nights. The public will be admitted on two or three nights a week this winter to inspect the set. Definite days have not yet been chosen.

The wedding of a former Nebraska student, Miss Ruth Wilson, took place last evening at her home in Nebraska City. Twenty of her fraternity sisters, members of the Kappa Alpha Theta, motored up for the ceremony.
