

COME!

Be a ROOTER!

Do you remember when you were a kid and you could never get your night chores done until after dark? How you'd hurry home from your football practice, slip in the back way after supper to meet your maw and paw on the porch,--you could see the fireworks--and there wasn't any fireworks? Those were the days of the family wood-shed, remember 'em?

We find ourselves in very much the same position now. We, too, are late in getting started. Our Special Number was the biggest trick pulled on the campus. The Stadium Drive was pulled on the alumni and the entire fraternity body of the school rallied to the importance of subscribing their bit and coming to see the game of the season---we've used every means to show you how anxious we are that you should be here to help make this week a grand and glorious success---and now we've reached the point where it's the fireworks for Missouri---and we're out of a pin-wheel---the Stadium, but the match has been applied---watch it spin!

And,---as long as you are here why don't you arrange to meet your old friends at CAPP'S FOUNTAIN? We welcome the opportunity to serve you.

Capp's Fountain

1321 O St.

With Buttler Drug Co.

Fraternities!

Sororities!

Candies

Magazines

Alarm Clocks

Shampoos

Our stock is complete and the prices are right. Make our store your headquarters. Use our phone and our city directory. We want you to feel welcome at our store. We deliver to any part of city.
