College Girl Voters To Meet on Tuesday

Tuesday at 7 o'clock for the purpose of becoming acquainted with the canpart prohibtion will play in the coming election.

The names of the unsatisfactory candidates will be discussed. A notary public will be there and the girls will be urged to send home for voting applications. This meeting is not only for girls of voting age, but all who are interested may come.

The outcome of the next election will depend largely upon the women. says Adelheit Dettman, who will preside. In order to vote to the best advantage, it is necessary that they be well-informed. This meeting will provide an excellent means of obtaining authentic information about the issues of the election, according to its SPORSOFS.

Dr. Wolesensky Is a Visitor at Chemistry Hall

Dr. Wolesensky of the Chemical Warfare Service visited Dr. Deming of the College of Chemistry Wednesday. Dr. Wolesensky and Dr. Deming were schoolmates at the University of Wisconsin.
