HUSKERS WILL DEPART TODAY FOR SYRACUSE

Light Scrimmage Yesterday—Last Practice Before Departure to be Held at One O'clock Today

EAST AND WEST NOW EVEN Syracuse One of Two Important Games to be Played This Year by Cornhuskers

Nebraska's powerful football eleven, with Head Coach Fred T. Dawson in charge, will leave at 4.30 this afternoon for Syracuse, where they will meet the Orange eleven Saturday in one of the biggest intersectional contests of the year. Coach Dawson will take the following twenty-five players on the eastern invasion: Captain "Chick" Hartley, Dave Noble, Verne Lewellen, Rufus Dowitz, Herb DeWitt, Pete Peterson, R. C. Russell, Dewey Hoy, Sol Hartmann, Leo Scherer, Andy Schoepel, Dewey Klempke, Tommy Tomson, Bub Weber, Adolph Wenke, Heinie Bassett, Joy Berquist, Bryan Nixon, Rosa McGlasson, Gordon House, Blycen Packer, Carl Peterson, Bont Spiece, Sturm and Henriksen.

The last practice before the Cornhuskers leave for the east will be held at 1 o'clock this afternoon. Coach Dawson worked the gridsters hard yesterday afternoon, the practice being held on the drill field because of the mud and rain. Light scrimmages with the yearlings was held, the Frosh using Syracuse plays against the Varsity. The Varsity also drilled on forward passes, and some new plays. The practice was handicapped by the slippery condition of the field.

The team will leave Wednesday at 4:30 on the Burlington, arriving at Chicago Thursday at 8 a. m. The Huskers will work out on Stage Field in the morning, and will leave for Niagara Falls in the evening. When the squad arrives at Niagara Falls Friday morning, they will work out on Deanev College Field in the morning. The Huskers will then arrive in Syracuse Friday night at 8 o'clock.

The Huskers are all in fine physical trim for the battle with the easterners, and unless the long trip wears them, will be in condition to put up their best game against Coach Mehan's machine.

The Nebraska-Syracuse battle Saturday will be one of the biggest intersectional contests of the year. Honors between the east and west now stand even, Iowa having defeated Yale, and Princeton having humbled the Chicago warriors. Nebraska is rated as the best team in the Missouri Valley, while Syracuse has one of the strongest teams in the east.

The game with Syracuse Saturday is the first of the two big games on the Husker schedule. If the Huskers can defeat Syracuse, Notre Dame will be the only stiff obstacle in the path of a successful gridiron season at University of Nebraska.

Syracuse is not underestimating the fighting Cornhuskers, here opponents on Saturday. The Orange team had a scout at both the Missouri and Oklahoma games, and he carried back to New York the dope on the power and driving force of the Nebraska machine. Coach Mehan's eleven, having battled Penn State to a tie on the Polo Grounds last Saturday, are up on their toes, and are prepared to turn back the Husker invasion. The Orange team has lost but one game this year, and that one to Pitt, but the statistics of that contest showed the Syracuse eleven completely outplayed Glen Warner's Pittsburgh Panthers, who bowed in defeat to the Scarlet and Cream by a 10 to 0 score last year.

PANTHERS' PILOT HIT BRICK WALL

Pittsburgh football scribes, even to this day, persist in commenting on the big Cornhusker team which invaded the Smoky City last fall and rode over the gridiron protegee of Coach "Pop" Warner. A sport writer on the staff of the Pittsburgh Leader contributes the following: Tommy Holleran, the Pitt Panthers' football skipper for 1922, is a typical son of the old sod—full of fun and wit as they make 'em, but desperately in earnest in everything he undertakes. Tom is a fighter from the word "go;" never knows when he's licked and very seldom down at that.

I recall an incident following the Pitt-Nebraska game in mid-season that shows exactly the kind of a fellow is Holleran.

Seven to nothing in Nebraska's favor was the way the first half ended. Holleran had occupied the bench during the entire two periods because of injuries received in a previous game. In fact, it was declared in the morning of the game that he would hardly dare to put on a uniform.

In the Pitt dressing room between halves, I am told, Holleran and Pop Warner put on a neat little sketch—Tom insisting that he be allowed to take the field for the second half. Warner equally positive that there was nothing doing. However, Holleran raged around and shed such convincing tears that Pop gave him his chance and when the Panthers reappeared, Tom was with them. As later events proved, it was a hopeless venture, but those who heard the line and Gold quarterback plead for a chance declared it one of the most spirited things they ever listened to.

At any rate, I chanced to be at Forbes the following Monday during the practice period. In the dressing room I discovered Holleran and Capt. Tom Davies stretched out together, getting their bumps and bruises "baked." And, with the strain of the game gone, Holleran had reverted to his usual self.

The famous Toms were laughing and joking at the way the huge Nebraska players had cuffed them around the preceding Saturday.

"Where were you, running interference for me, when I tried to go around that end in the third quarter?" piped up Davies.

"Ask me something easy," Holleran shot back. "I ran into a brick wall and that was the last I remembered until some big bird picked me up and planted me on my feet with the words, 'nice try, son!'"

Asked what he thought of the game, Tommy remarked that from where he sat "most of the second half it looked like a pretty good one."—The Lincoln Star.

SELECT CROSS COUNTRY TEAM

Men Who Will Run in Meet With Ames Harriers Saturday Are Announced

The following men will represent Nebraska in the coming cross-country meet with Ames Saturday: Captain Claire Bowman, Gardner, Hartman, Haskell, Rogers and Higgins. The first and second alternates are Allen Cook and L. L. Hyde.

The Ames meet is one of the hardest on the Husker schedule for this year. Two years ago Ames not only won the Missouri Valley championship, but also won in the Big Ten meet. Last year again Ames won. It is Nebraska's chance this time to get revenge. The Ames cross-country team is supposed to be one of the best in the valley, so the men will have to fight hard to win.

The Missouri Valley meet will be on the 14th of November, one week following this one with Ames. The team will probably be the same at this meet unless the coaches see fit to make a substitution on account of some one man not being in condition.

This week a few more freshmen came out. McMaster announces that it is not too late yet for more to come out. A man who comes out does not make the team the first year anyway so the more freshmen who come out the better chance there is for the teams of the future. McMaster says, "We haven't half the men out that we should have. Both last year and the year before, we have had a much better representation, and if you want Nebraska to make a showing in this sport, you will have to turn out."

Three years ago Augustine F. Massa, who is blind, was denied admission to Columbia University because of the belief that his handicap would prevent him from attaining required scholastic standards.

Later he persuaded authorities to give him a trial and soon proved his ability to keep pace with other students.

Today he is enrolled in the college of law and holder of one of three scholarships the college offers. He also is active in student organizations, a class officer, expert at chess and checkers and a member of the "varsity" wrestling squad.

Women to Publish Issue of Californian

Representing the work of the women's staff, Monday's issue of the Daily Californian will be the first women's edition of this semester.

In this edition, all departments of the paper are turned over to the women. A special managerial staff will handle some of the advertising and the sport staff will cover the Olympic club football game.

Plans are being made for another issue later in the semester. This is a new idea as heretofore there has been but one women's edition each semester.—The Daily Californian.

Plan to Convert Sea Plane Hangar Into Gymnasium

The Corporation last Monday night completed the second important piece of business within a short time which is of special importance to the student body. The sum of \$10,000 was appropriated for the purpose of converting the south end of the sea-plane hangar into a new gymnasium. The work of making the alterations is already under way.

According to Major A. S. Smith, Superintendent of Buildings and Power, the new gymnasium will probably be ready for use by the middle of December. The work will go forward as fast as possible, but there is much heavy machinery in the south part of the hangar at present which must be removed.

The floor of the new gymnasium will measure 100 by 100 feet. The north end will be devoted to a 40 by 40 foot space for wrestling and a like area on the same end for boxing. Next to these spaces will be a basketball court measuring 100 by 40 feet. The remaining 20 by 100 foot area in the south end will be occupied by bleachers similar to those on the Institute Field.—The Tech.

ALL ARE ELIGIBLE FOR CROSS-COUNTRY MEET

The Y. M. C. is in charge of a race to be run here on the 25th of November. Both of the track coaches wish that Nebraska men would come out and run in this meet as all are eligible. Medals will be given for the first eight or ten places. It will probably be a combination race so that high school men will be competing

against college teams. There will be six-men teams, but because of this an individual should not feel indisposed to enter. Coach Schulte has sent letters to the men out over the state which make up his cross-country pentathlon, and it is believed that there will be a large number of men out. The competition should be keen, and Schulte desires a large number of runners.
