HUSKERS SET FAST TIME IN TRYOUTS

One Hundred Athletes Compete in Track Program Held Saturday Afternoon on Track.

FINALS COME TUESDAY
 Tracksters Are Handicapped by Weather Conditions—Lloyd Runs Fifty in 5 3-5 Seconds.

Cornhusker track tryouts for the K. C. A. C. indoor meet were held on the board track on the drill field yesterday afternoon despite the cold weather and the snow. Results of the tryout were satisfactory but Coach Schulte intends to hold another tryout Tuesday because the tracksters were slowed up considerably Saturday by the adverse conditions. 100 athletes competed in the tryout.

In the first, the 880-yard run, Allen, the Omaha Medic star runner, finished in the fast time of 2 minutes, 3-5 seconds. Lewis, a yearling runner was second, while Diers finished in third place. In the second heat in the half-mile, Cohen nosed out Weir at the tape, and won in 2 minutes and 11 2-5 seconds. Higgins and Haskell finished in third and fourth places, respectively.

Noble won the first heat in the 50-yard dash in 5 4-5 seconds. Sherrick and Lukens were second and third. Lloyd made the fastest time of the afternoon in the 50-yard dash when he won the second heat in 5 3-5 seconds. Rufus Dewitz crossed the tape in six seconds in the third race. Lloyd, Noble, and Whipperman competed in the finals. Lloyd winning in 5 4-5 seconds. The same trio ran again and Noble won in the same time.

In the first heat in the quarter, Ted Smith and Red Layton tied for the honors, finishing in 56 2-5 seconds. Trexler came in second. The second heat in the 440 was won by Heibenthal in 60 3-5 seconds. Swanson captured second honors, while Collins finished third.

Crecelius won the final heat in the Varsity high hurdles race. His time was 7 2-5. Krites was second, and Broadwell third. In the freshman heat of the 50-yard low hurdles, Weir made the fast time of 6 3-5 seconds. Rhodes and Timm copped second and third honors in the yearling heat. Krites won the first heat in the Varsity 50-yard low hurdles race in 6 3-5 seconds. Crecelius and Broadwell tied for first place in the second heat. Their time was 6 4-5 seconds. Wier, Lloyd, and Krites, competed in the third heat of the lows, breaking the tape in the order named. Zimmerman nosed out Sprague at the finish line of the mile race, crossing the line in 5 minutes and 12 seconds. Hyde took third honors, and Rogers held fourth place.

In the field events, the athletes were handicapped by the snow. Drishouse was the victor in the high jump, clearing the bar at 5 feet 6 inches. Phelps, Rhodes and Green were the other high-jumping artists in Saturday's tryouts. Hartman was high man in the shotput, heaving in the 16-pound weight 38 feet 8 inches. Myers was second with a throw of 28 feet 6 inches. With a vault of 10 feet 9 inches, Rhodes carried off the honors in the pole vault. Gleason was second, clearing the crossbar at 10 feet 6 inches. Putman won third honors.

KANSAS PRIMED FOR HUSKER CAGESTERS

Jayhawkers Still in Perfect Column—Six More Games to Play—To Meet Nebraska Monday.

(Special to The Nebraskan). Lawrence, Kan., Feb. 10.—The victory over the Kansas Aggie basketball five on the Robinson Gymnasium court last Wednesday welded another link to Kansas' unbroken chain of victories in the Valley Conference race. The Jayhawkers have six more to "go," and four full downs to make it in.

A much-deserved respite was granted the Allenites over the week-end, and a light practice on Saturday put them in condition for the Nebraska tilt Monday night. The performance of the Kansans against the Aggies cannot be taken as a criterion of what they will do against the Huskers. The futility of reckoning on "dope" is attested to by the upset in the Kansas-Oklahoma game on January 29 at Norman. The Jayhawkers topped the Sooners at the final gun by only six points.

A newcomer in the Kansas ranks is the wily little Woestemeyer, a forward on last season's victorious quintet who was declared ineligible just before the second Kansas-Missouri scrap at Columbia. He has been playing second string since his advent into the Jayhawker lineup, but will likely break into the first string line-up soon.

Ackerman, the sensational sophomore on the Allen machine, continues to connect for points despite the best effort of the enemy guards to cover him up. Bowman hasn't been doing so well in the forward berth, but his floor work does him justice.

Wulf, the lanky pivot man, is coming himself every game from the looks of the score. He secured three counters in the Aggie contest, and his defense is remarkable.

Black and Endacott, of course, need no introduction to Huskerdom, as these two stellar guards feature the game.

ENGLISH WOMAN TO SPEAK HERE

(Continued from Page 1)
 younger people of both sexes, than Miss Royden. What is the secret of it all? It is not the magic of her appealing voice, the power of her clear logical mind, her fine courage that dares all things for the Truth, nor her unfailing championship of the weak and disinherited. It is not her contempt of empty convention and her love of adventure. We are won primarily and chiefly by her complete unwordliness, by her devoted laughter and gaiety, and by her humanity and light-heartedness; above all, perhaps, by her Gospel of Hope preached to an age of Despair and Disillusionment."
