DELT ATHLETES LEAD AT CLOSE OF SECOND DAY

Sigma Phi Epsilon Is Next to Leaders—Acacia Retains Hold on Third Place.

TREXLER WINS QUARTER
Alpha Sigma Phi Takes High Honors in 440-yard Dash—Rhodes Makes Best Broad Jump.

With the competition in the meet growing more intense, Wednesday saw Delta Tau Delta still in first place in the Greek board-track meet with 6186 points, while the Sig Eps jumped from eighth into second place with 5,531 points. Acacia retained its hold on third place, and the Alpha Sigs pushed up into fourth place. Individual stars on the second day were Trexler, who ran the quarter in 55 seconds for 964 points making the closest to a 1,000 points than any man has scored so far in the meet, and Choppy Rhodes, who jumped twenty feet, seven and one-half inches in the broad jump.

A crowd of 300 students watched the performances on the second day of the meet. The University Band played, thus helping to enliven the occasion. The 50-yard low hurdles and the high jump are on the program for Thursday.

Alpha Sigma Phi made the greatest number of points in the 440-yard dash, McAllister and Haskell running the quarter in 55 4-5 seconds, and 56 4-5 seconds, respectively, and thus scoring 1,772 points for their fraternity in this event. The Acacia athletes took first honors in the broad jump, the representatives of the Masonic fraternity scoring 1405 points in this field event.

Weir of the Acacias copped second honors in the broad jump, the superior freshman making a jump of twenty feet, two and one-half inches. Harold Gish of the Sig Alphas was third in this event with a jump of nineteen feet, ten inches.

The fraternity track meet is bringing into the limelight a number of athletes of promise, and it is this factor, combined with the large number of men competing, which is especially pleasing to Coach Schulte. One of the new men making an excellent showing in Tuesday's performances was

Jack Issenhuth, a sprinter from South Dakota University, who ran the fifty-yard dash in a fast five and four-fifths seconds.

The rapid change in the standings of the various fraternities from day to day is keeping the interest at fever pitch. But two of the seventeen fraternities held the place in the standings after Wednesday's performances that they did after Tuesday's tryouts.

Standings Wednesday night:

HUSKER CAGERS GO ON TWO GAME TRIP

Nebraska Five to Meet Washington and Missouri Quintets This Week.

Nebraska's cagers leave on a two-game trip Thursday noon to tackle the Washington and Missouri quintets. The Husker cagers will meet a new opponent in the conference circles when they tackle Washington, as this will make the first game of the season with the St. Louis team. Saturday evening Missouri's crack outfit will play the Nebraska tossers a return engagement.

While the Washington quintet has not met the Nebraska team before this season, a close game may be expected in that the two squads have been running about even in the conference standings, Nebraska having the edge. The game at St. Louis is scheduled for Friday evening, Feb. 23.

Missouri will meet the Huskers for the second time this year when the two teams clash Saturday evening on the Missouri court. Nebraska fell before the fast onslaught of the Show Me squad the latter part of January on the Lincoln floor.

Coach Frank will take eight men along on the southern jaunt, including Capt. Warren and the same line-up that went to Oklahoma.

Co-ed Rifle Team to Elect Captain Friday

A captain to the girls' rifle team will be elected, and the picture of the team taken at a meeting to be held Friday at 3:30 in the gallery in Nebraska hall. Gym suits are to be worn. The girls are as follows:

Rich Dad (grimly)—"Exactly."

SWIMMING TEAM TO MEET KANSAS AGGIES

Husker Natadors Journey to Manhattan for Water Contest.

Journeying to Manhattan, the Nebraska swimming team will meet the Kansas Aggies in the first match of the season. Handicapped by a diminutive pool which totally lacks in diving facilities, Coach Frank Adkins has apparently developed a team in

the aquatic sport that is of the winning calibre.
Capt. "Jack" Gaebring and last year's captain, Neal Phillips, form the nucleus of the squad. Gaebring is especially fast in the swims while Phillips holds records in the amateur events in the middle west.
The Aggie team has four of last

year's veterans to lead the scoring column one of whom is amateur champion in the dashes. Last year the Kansas team nosed out the Nebraska swimmers by a single point in a final score of 29 to 30.
Coach Adkins' proteges leave early this morning and will take on the Aggies at four this afternoon.
