

DAWSON AROUSES HUSKER SUPPORT ON WEST COAST

Dean of Men Organizes Alumni in California and Receives Many Encouraging Promises.

STADIUM PLEDGES MADE

More Men Needed for Spring Football—Heavy Schedule Drawn up for Next Fall.

Dean of Men, Fred T. Dawson, returned Saturday night from California, bringing with him a message of support and encouragement for Nebraska and its athletic teams and a promise of financial support for the stadium from Nebraska alumni in California. He expects that about \$10,000 will be realized for the stadium from their pledges.

Coach Dawson made the trip to California with the Husker track team which gave such an excellent account of itself in the dual meet with the Bears. At three meetings which he held with alumni on the coast, many of those present drove great distances, some as far as 180 miles. At all three a spirit of loyalty to the University and a pride in its accomplishments were shown. On March 29, Coach Dawson met with about 100 former students at Los Angeles in connection with a dinner given by them in honor of the track team. An alumni banquet was held at Berkeley April 5 and another at Long Beach April 9.

While Coach Dawson talked with athletic authorities at Stanford, University of Southern California and California University nothing definitely was done in arranging a future game with Nebraska.

With his return impetus also has been added to spring football practice which has been going on daily under the direction of Coaches Farley Young and Owen Frank. The number turning out daily is not as large as should be expected. One reason for this is that many of the griders are participating in other spring sports. Coach Dawson is pointing out to the men that with the strong schedule Nebraska has for next fall, none of them can afford to neglect the spring practice. If necessary, efforts may be made shortly to increase the attendance.

HONORARY FRATERNITY WILL SPONSOR DANCE

"Billboard Ball" to Be Given Saturday Night by Theta Sigma Phi.

Theta Sigma Phi, honorary and professional fraternity for women in Journalism, will sponsor a "Billboard Ball" to be given at the Knights of Columbus Hall Saturday night, April 21. The Merry-makers' orchestra will play, and the members of the fraternity are promising something novel in decorations.

Lambda chapter of the fraternity is sending a delegate to the national convention of the fraternity to be held this year at Norman, Oklahoma April 26, 27, and 28. Leata Markwell, president of the chapter for the next year, is Lambda's official delegate. The "Billboard Ball" is to be given in order to pay the chapter's share of the total expense of the convention, which is pro-rated out to the twenty-five chapters throughout the country.

Tickets for the party may be secured from any member of the sorority, or from the office of The Daily Nebraskan.

The journalistic motif will be carried out in the decorations as in the name of the affair. Posters which give an advance notice of the type of affair have already been placed on bulletin boards on the campus.

The March number of Engineering and Mining Journal-Press contains an article on the laws of crushing by John Herman, '00, of Los Angeles. Mr. Herman is one of the most widely known assayer-chemists on the Pacific coast and is the inventor of the Herman screening mill, which has revolutionized certain aspects of custom grinding. His researches in the chemistry of assaying have brought him a considerable reputation in that field.

Parade to Be Held in Honor of Chancellor

A parade and review honoring Chancellor Samuel Avery of the University will be held Tuesday, April 17, at 5 o'clock on the drill field north of Social Science building. According to announcement from Major Sidney Erickson, commandant of the cadet regiment, all cadets will attend, unless officially excused.

The calls for this review as for all others will be as follows: First call, 4:50. Assembly, 5:00.

HONORED STUDENTS TO HAVE PICTURES SHOWN

Representative Nebraskans Will Have Photographs Displayed in Downtown Store Windows.

The photographs of the ten girls who received the highest number of votes in the "Representative Nebraskans" contest staged by the editorial staff of the Cornhusker for 1923, will be displayed next week, beginning Monday, in the show-windows of Sardonson-Hovland Company, women's clothier. At the same time, the photographs of the ten men similarly honored will be placed in the windows of Speler and Simon.

These people are all seniors, and were elected by ballot of the subscribers to "your Cornhusker" as the 1923 volume is popularly designated. The complete lists of the honors of the upperclassmen elected were published in The Daily Nebraskan a month ago.

"Representative Nebraskans" will be the name of a section in which four men and the four women who received the highest number of votes will be presented, each being given two complete pages, on which will be given their photographs and the list of the honors which have made them deserving of their positions as truly representative of the students of the University.

All the photographs which will be shown next week were taken by Dole.

Seniors May Still Order Invitations

Due to the fact that it was unable for many of the seniors to come to the College Book Store to order their commencement invitations, the time limit has been extended until Wednesday night. After that time it will be impossible to secure either announcements or invitations, and Blanche Gramlich, chairman of the committee, urges that all seniors make their orders as soon as possible.

The committee in charge of the invitations is as follows: Blanche Gramlich, Floyd White, and Fred Richards.

Dinner to Be Held for R. O. T. C. Men

A dinner will be held Thursday at 6:30 at the Grand Hotel for all men who will attend the R. O. T. C. camp at Ft. Snelling this summer. Speeches about camp will be given by officers and cadets who have attended camps in the past.

The aim of the military department this year is "to beat Missouri." All men whether they are planning to attend camp or not are welcome at the meeting say those in charge. Plates will be fifty cents.

Rev. Riley to Talk on Klan at Vespers

"The Ku Klux Klan is Fundamentally Unchristian and UnAmerican" will be the theme of a talk by Rev. Walter H. Riley, Congregational Student Pastor, at Vesper services tonight.

Born in southern Missouri, Rev. Riley's ancestors for generations have lived in the south. Rev. Riley was educated in the north, after which he held a professorship in Westminster college at Mexico, Texas. Having experienced the conditions which have called up such an organization, Rev. Riley will be able to explain his point of view vividly.

Dean J. E. LeRossignol, of the College of Business Administration, addressed the sixth annual meeting of the Iowa Association of Economists and Sociologists, April 6, at Iowa City, on "Social Science in the Secondary Schools". He also spoke at convocation of the University of Iowa on "Wealth and Welfare."

TEACHERS COLLEGE SPONSORS LECTURES

O. J. Fee to Give First Talk of Series at Temple Theater Thursday.

A Teachers' College Lecture Course under the auspices of the faculty and students of that college, will begin Thursday, April 19, by a lecture by O. J. Fee of the Evans Laundry Company who will deliver his address at 10 o'clock in the Temple Theatre. Dean W. E. Sealock of the Teachers' College will preside.

Mr. Fee's address will be the first of a series of four addresses by prominent business men of the city. The other three, the dates for whose speeches have not yet been set, are George Burt, Verne Hedge, and Adrian M. Newens.

All students of the University are invited to attend the lectures, the first of which will be that by Mr. Fee. There will be no excuses from classes because of these special meetings, according to announcement from Dean Sealock yesterday.

NEBRASKA OBSERVING "PLANT A TREE WEEK"

Twelve States Adopt Slogan of "Start at Once"—Association Sends Out Resolutions.

Nebraska is one of the twelve states which will observe "Plant a Tree Week" during the seven days April 13-20. The dates were set by President Warren G. Harding. The movement is sponsored by the Tree Lovers' Association of America, of which J. A. Young is secretary, and which maintains headquarters at Aurora, Illinois.

The following is the information sent out from the offices of the Association.

"Start work at once." "This is the important message of the hour from the headquarters of the 'Plan to Plant Another Tree' movement at Aurora, Illinois. From there the Tree Lovers' Association of America under this slogan is rallying all the force and strength of every community in America for Tree Planting Week.

"Remember that Tree Planting Week is simply the climax of year 'round community planting effort," says J. A. Young, secretary of the Association, "plan now and get immediate action with the organizing of all clubs, societies, schools, lodges, churches, and so forth in the community. This will be one great centralized drive during Plant a Tree Week.

"To plant a tree, a shrub, or a flower for every man, woman, boy or girl in the United States is the object of the Week. It is individual planting under club leadership toward which the organization is striving."

The following is a list of the "Tree Planting Week Resolutions" which have been sent out by the Association:

Resolutions. "I resolve to make the acquaintance of one tree this spring. I will try to find out all about it, when it blossoms, what its seeds are like, what its value is, how it is cared for and what its principal enemies are.

"I resolve to learn the names of all the trees that grow near my home.

"I resolve to plant one tree where it will grow to be a useful and valuable addition to the community.

"I resolve not to injure any tree by needlessly breaking its branches or wounding the bark.

"I resolve that I will not carelessly start any fires that may spread to the woodlands and injure any trees.

"I resolve not to disturb the nest of any bird, or kill any useful wild animal.

"I resolve to use my influence to induce others to care for trees and to discourage all useless injury to trees.

"I resolve to make the acquaintance of some animal, bird, mammal or insect that is a friend to the trees in its native place. I will try and learn how it lives and how it helps the trees.

"I resolve to make the acquaintance of some insect that is injurious to trees. I will try to find out how it injures the trees and to learn the methods that may be used to prevent its injuries."

"THE BACK NUMBER" OF AWGWAN IS OUT

"Summer Issue" of College Humor Quotes Nebraska's Humorous Publication.

"The Back Number" of Awgwan, monthly humorous publication, will appear early next week. A collection of the best articles, drawing and jokes taken from members published since Volume One in 1911, as well as several pages of new material will be included in this number. The Awgwan staff is already working on "Round Up" number which will be published early in May and will be the last issue of the magazine this year.

"The circulation is greater than ever before and we expect the last two numbers to wind up the greatest year that Awgwan has ever enjoyed," the editor declared yesterday. He pointed out that in the "Summer Issue" of College Humor, a magazine made up of selections from college magazine, Awgwan was quoted repeatedly.

CORNHUSKERS RETURN FROM DOUBLE VICTORY

Nebraska Plays Two Games without Error—Get Thirty-two Hits.

Coach Dye's Husker diamond performers returned home yesterday from their Missouri trip with new scalps hanging from their belts. The two victories which they wrested from the Missouri Tigers by 13-3 and 10-1 counts gives Nebraska a firm hold upon the next to the top rung of the Missouri Valley percentage ladder, Oklahoma still clinging to the top rung with five victories and but one defeat, this at the hands of Missouri. The remainder of the teams of the conference are opening their seasons and swinging into line in the attempt to win the Valley supremacy.

Some of the pep of the Huskers' diminutive coach seems to be instilled into his proteges, for in the two games played at Columbia, they annexed 52 hits and fielded 1,000 percent. The hurlers used in the Missouri conflicts, Lewellen in the first and Peterson in the second, let their opponents down with eight hits apiece, and these were kept well scattered. The balance of the mound men are in good shape, with the exception of Captain Carman, who has been bothered with a strained muscle in his arm. Coach Dye expects that the end of this week will see him fit for mound duty. An extensive practice program has been mapped out for the baseball squad this week in preparation for the week-end games with Washington at St. Louis. This program includes a clash with the freshmen, which will probably be held Tuesday or Wednesday. Batting practice is also to be the order of the week. When Nebraska open the first home baseball series the 27th of this month, the team should be in shape to give home fans a fine exhibition of the national pastime as it should be played.

Interclass Mat Men Will Get Numerals

Class numerals will be awarded to all of the winners in the interclass wrestling tournament which was held Friday.

The award for a tie contest between Hendrickson and Miller in the heavyweight division will be made to Miller as his opponent all ready has made a numeral and has therefore decided to withdraw.

The remaining men to receive numerals are: Blore, Sulter, Whalen, Tracy, Skinner, and Lundy. Most of the men are sophomores.

Home Economics Girls Will Present Pageant

A Grecian pageant, "The Mask of Conservation," will be presented at the Farmers' Fair by the girls of the Home Economics department. The speaking characters will impersonate out of door things. Announcement of the cast will be made this week. The date of the fair is May 5.

The pageant will be acted out on the grassy slope south of the Home Economics hall on the Ag campus. Evergreens and shrubbery will form a natural setting for the play. Grecian costumes designed and made by the Home Economics girls will be worn.

Cornhusker Snapshots Due Next Tuesday

All snapshots and contributions for the student life section of the 1923 Cornhusker must be turned in by next Tuesday, April 23. The snap shots may be handed in at the Cornhusker office in the northwest corner of the basement of the Administration building. Contributions may be placed in boxes in the Social Science building and in the Library. According to members of the staff, the student life section of the annual is rapidly being rounded into shape.

TIME LIMIT SET FOR SWIMMING PRACTICES

Miss Snively Announces Events for Which Points Will Be Awarded.

The time limit has been set for tonight for all girls to get in their five practices to qualify them for the class relay team. Marie Snively, swimming sport leader announces the following events for which W. A. A. points will be given if passed with a grade of 85:

Strokes—side, back, and breast. (Each ten points).

Dives—back, surface, running front, and front jack. (Each ten points).

Treading water for three minutes. (Five points).

Demonstration and examination on the Schafer Method. (Five points).

Carries—single side, tired swimmer, and struggling swimmer. (Fifteen points).

Breaking hoists—two wrists, back, and front. (Fifteen points).

Class Relay teams. (Fifteen points).

Tests will be made April 19, 24, and 26 at the Lincoln high school pool.

Polls for W. S. G. A. Election Close Today

Polls for the W. S. G. A. elections will close at 5 o'clock today. Every member of the organization may cast her vote in the library. The committee is anxious that a large number of girls vote in order that the Board be as representative as possible.

One of the two nominees is to be selected for president. In addition to filling this office, three girls from the present junior class, four from the sophomore class, and three from the freshman class are to be elected as board members.

Nebraska Alumnus Honored at Beloit

BELOIT, Wis.—Mrs. Anna Lytle Tannahill, who was graduated from Nebraska with the class of '08, Dean of Women at Beloit college here, has been elected to membership in Phi Beta Kappa, by the local chapter of the fraternity. Dean Tannahill is one of the eight new members elected at the annual balloting this week, the other seven being members of the senior class.

Dean Tannahill came to Beloit college from Lewiston, Idaho, in the fall of 1919, and has since been Dean of Women here. She also has had charge of some English classes. Mrs. Tannahill took her A. B. degree at Nebraska University, going to Wellesley college and Chicago University for her later graduate studies.

Presbyterians to Be Host to Miss Lewis

Miss Margaret Lewis, secretary of the Student department of the Board of Foreign Missions, will be the guest of honor at a dinner of the Presbyterian club to be held next Saturday evening at 6 o'clock at the Grand Hotel. There will be two or three short talks and a lot of good singing under direction of an experienced leader.

DRUG DISPENSERS PLAN FOR ANNUAL 'PHARMACY WEEK'

Fifteenth Annual Celebration to Be Staged Wednesday, Thursday, Friday and Saturday.

OPEN HOUSE THURSDAY

Sherman to Speak at Special Convocation—Window Displays to Be Made Downtown.

"Pharmacy Week" fifteenth annual celebration of the College of Pharmacy will be staged Wednesday, Thursday, Friday, and Saturday of this week. Rupert Chittick is chairman of the general committee which is directing the plans for the week. At a convocation held last week in the Pharmacy building the chairman of the convocation, publicity, picnic, banquet, decoration and music committees reported and final plans were laid. An extensive publicity campaign has been planned; the week will be advertised in the moving picture theatres, and six window trimmers are preparing displays for decorating windows in the business section.

A special convocation Wednesday morning at which C. R. Sherman, of the Sherman-McConnell Drug Company of Omaha, will speak on "Retail Pharmacy" will open "Pharmacy Week." Thursday evening the Pharmacy building will be open to the public from 7 to 11 o'clock and the Food and Drug Analysis, Physiological Chemistry, Compounding and Dispensing and other departments will be open for inspection. There will be also Crude Drug displays, displays of the Microanalysis of Powdered Drugs and exhibitions of tablet-making. Several special exhibits among them "The Fortune Tellers" or the "Lady of Mystery" have been planned. Small bottles of "Cornhusker Rose Lotion" will be given away as favors, and the Pharmacy College orchestra is included on the program. The committee plans to print and distribute programs for the evening.

Friday the Pharmacy students will go to Crete for a picnic in the afternoon. The week will be closed by a banquet Saturday at 6 o'clock at the Grand Hotel, for which the committee promises an interesting program.

FIFTY MEN REPORT FOR RELAY TRYOUTS

Nebraska Tracksters Slowed Up by Poor Field—Pictures to Be Taken Today.

Tryouts for the Kansas Relays were held by Coach Schulte on the Wesleyan track at University Place yesterday afternoon. Fifty athletes competed in the tryouts, and competition in a majority of the events were held. The track was not in the best of condition, which made the time in the different events a trifle slow. More tryouts will be held today, and a picture of the entire track squad will be taken at 5 o'clock this afternoon.

In a 120-yard high hurdles race, Creelhus nosed out Beerkle, a freshman, at the finish line, and won in 16 and 7-10 seconds. Broadwell was third. A heat held later in the afternoon was won by Beerkle, with Broadwell second.

Layton and Trexler tied for first honors in the quarter-mile dash. Their time was 53.2 Coats was second, while Woodward took third place.

The mile run was won by Cohen in 4:45.4. Zimmerman captured second place, while Rogers and Haskell tied for third honors. Jetter finished in fifth place, and Johnson was sixth.

In the first heat of the century dash, Noble defeated Lloyd. Noble's time was 10 1-10 second. Trexler won first honors in the second heat in the 100-yard dash. Baldwin was a close second, with Layton in third place. The time for this heat was 10.2.

One thousand acres of wet bottom land in the Medicine Creek valley in Frontier county have been reclaimed at \$3 an acre under the direction of the extension workers of the Agricultural College. This creek was once a deep and fairly straight stream but sediment from the hills has been washed into the bed until flood waters threatened the crops each year.
