HUSKERS SHOVE OFF FOR PIKER BATTLE
Five Pitchers Taken to Meet Washington—Student Manager to Be Elected.

Coch Scott Dye, acting student manager Holland and thirteen Husker diamond men left yesterday afternoon for St. Louis. In their invasion of the Missouri city they will cross bats with the Washington University Pikers in a pair of contests.

Five pitchers are included on the list of men who left on the trip, including Petersen and Lewellen, who hurled the Huskers to victories over the University of Missouri last week.

The Pikers will prove strong contenders, for, while they have played but two games in the Valley, winning one and losing one, the two pitchers who they used in these two contests against Ames let the Aggies down with two hits in each contest. The heavy hitting Cornhusker batting list is evidently to find foemen worthy of their steel in this invasion.

The committee for electing the student baseball manager was unable to decide between Holland and Fent, so Holland was sent upon this trip and Fent will be sent upon a later trip before the final selection is made.

HIGH SCHOOLERS FALL BEFORE PIZER'S CREW
Freshman Outclass Interscholastic Team and Win by 8 to 2 Score—Lang Pitches.

In a practice game at Rock Island field Thursday afternoon, the Freshman baseball team outclassed the Lincoln High diamond artists with a score of 8 to 2.

The Cornhusker freshmen also had its opponents outclassed from the beginning of the contest. Lang, on the mound for the Freshman, allowed only five hits, while Lewis of the Links allowed several times that amount.

Captain "Jug" Brown of the Lincoln high team made the longest hit of the game. His was a three bagger on which he allowed a man on base to reach home and later scored himself.

The Freshman lineup was: B. Lang, pitcher; E. Lang, catcher; Griffith, first base; Morgan, second base; Extrom, third base; Zavodny, right field; Hay, center field; Andre, right field; Isley, shortstop. During the latter part of the game Sheldon, Pickett and Randolph were substituted in the outfield.

Jack Dempsey is quoted as saying that he would rather relinquish his title than play a game of football. He saw the Penn State and California game at Pasadena. The gridiron may be large but he said that there was plenty of room for him in the twenty-four foot ring and the mashing of human skulls was not as good music as the padded glove on a partners nose. Tom Gibbons from St. Paul has no love for football and considers the fistie game much tamer. Thus it is with all the boxing champs. They think that if there is to be any reform made in the rough sports, it had better be made in the major inter-collegiate game.

Nothing is quite so hard on a child's health as a mother who likes to take its temperature at intervals.
