Decorate Club Rooms During Vacation Time

To facilitate Y. M. C. A. work and to better accomodate those who make use of the "Y" privileges, extensive-redecorating has been carried on during the summer months. A number of changes have been made in the arrangement of offices and additional space has been provided for committee and conference rooms.

The three university pastors now have their offices together in the east room. Just off the room containing the offices of Drs. Riley, Huntington, and Hilton is a small conference room for their use. Doors on all rooms have been lettered and the rooms have been refurnished to some extent.

Where refurbishing was impossible, all the chairs and tables have been painted and put into shape.

Walls have been tinted and the whole suite of rooms furnished with new curtains and drapes. Several magazine holders are new and a number of checker tables have been installed to take care of the larger number of students using the club rooms.

Tryouts for Vesper Choir to Come Soon

Students interested in Vesper Choir tryouts should watch The Daily Nebraskan for the next week. The Vesper choir furnishes music for the weekly Y. W. C. A. meetings in Ellen Smith hall. All freshmen and new girls interested in voice are asked to try out as soon as announcements are made.

Fraternity Pledge Lists Not Ready Yet

Professor R. D. Scott, chairman of the committee to investigate fraternity pledges, has announced that there will be no further action taken until the last of next week. All the lists are not in and until they are in nothing can be done.

Silver Serpents to Meet Tuesday

Silver Serpents, the junior girls' honorary society, will hold their first meeting of the year Tuesday night at Ellen Smith Hall at 7 o'clock. Plans are to be made for this year's work. The girl's Cornhusker luncheon, which is held each year under the auspices of the Silver Serpents, is to be the first large affair on the society's program for the year.

Helen Halm, B. Sc., (Kansas State Agricultural College), has come from a summer spent in graduate work at Columbia University to replace Lila Welch as assistant professor of vocational education. Miss Welch goes to the University of Missouri as head of the department of home economics.
