

## FRESHMEN HOLD CONVOCAATION IN ARMORY SEPT. 27

Chancellor Avery to Address First Year Student at Initial Conclave Thursday at 10 O'clock.

EXPECT AT LEAST 2,000 ATTENDANCE

Nebraska Yells to Be Given Frosh; Varsity Quartet to Lead Favorite Songs at Annual Freshmen Meeting.

Thursday, at 10 o'clock, is the time for the annual freshmen convocation. Nearly 2,000 first year students will crowd the Armory at that time for the monster meeting planned to give freshmen their first real idea of Nebraska ideals and Nebraska spirit.

All freshmen will be given an opportunity to attend. Men and coeds both are included in this convocation. A program designed to present all sides of university life in brief and interesting style is being worked out by the committee in charge.

Chancellor Samuel Avery has accepted an invitation to speak to the incoming students. As he leaves Thursday morning to give an address at Morton Park at Nebraska City, his talk on "How a Freshman Should Spend His Time," will follow immediately the opening numbers by the band. The University band will make its first appearance this year at that time.

The varsity quartet, famed for its (Continued on Page 3)

## SPEED TEAM IS AIM OF ILLINOIS MENTOR

Zupke Plans to Make Speed Vital Factor in Game With Cornhuskers.

(Special to The Nebraskan.)

URBANA, Ill., Sept. 24.—Coach Robert C. Zupke of the Illinois football team has been busy this past week developing a speedy team with which he hopes to win from the Cornhusker aggregation when they meet here Oct. 6.

During the past week Zupke has made the fact clear that everything will be sacrificed for speed. In the line as well as in the backfield speedy candidates will be chosen over those having weight and experience.

Harold Grange, a sophomore who plays a half, is the find of the season it is agreed by sport writers who have seen him in action. He is one of the fastest men seen here in years, a wonderful open field runner and works in well with McIlwain, veteran half. Grange will be playing his first year of conference football this year.

Grange is the only star of last year's freshmen squad to report this year, other promising material matriculating in different schools.

Despite these losses Zupke has a dozen likely candidates fighting for backfield berths. The combination to which he has given the preference thus far is, Hall at quarter, Crawford at full and McIlwain and Grange at halves.

Most of Zupke's candidates for end have had little experience but speedy men are trying for the position among them being Lipe, basketball guard, and Graham, crack quarter miler.

## Nebraskan Reporters to Meet This Evening

A meeting of all students who have applied for positions as reporters on the Daily Nebraskan will be held this evening at 7:00 in the Nebraskan office in the northeast corner of the basement of U hall.

Definite assignments and instructions will be given to the reporters by the editor and managing editor of the Daily. This meeting is compulsory for all students who expect to work on the Nebraskan.

## Omitted by Error

Through an error by the editorial department, the Delta Zeta pledges was unintentionally omitted from the list published Sunday.

Following is a list of the pledges:

Edith Trease, Ravenna; Phyllis Walters, Edgemont, S. D.; Sybil Wescott, Dorothy Abbott, Edna King, Bernice Cox, Lucille Hill, Lincoln; Jeanette Anderson, Ruskin; Leah Palter, Wilcox; La Mira Wait, Arcadia; Lydia Yost, North Platte; Ruth E. Paine, Lyons; Irene Ross, Omaha; Esther Duckworth, Indianola; Harriet Brown, Atwood, Kas.

## NEW MEN SELECTED BY UNI GLEE CLUB

Nearly 100 Applicants Attend Tryouts Held Monday First Practice Soon.

Twenty new members were added to the University Glee Club Monday night, as the result of tryouts held then. Nearly 100 applicants were present.

The new members, who with those already in the club bring the total number up to forty, are:

H. S. Davis, I. R. Cormack, W. E. Hoy, Ole Jacobson, J. C. Peterson, E. Letson, H. Edgerton, W. V. Nelson, H. Kerr, D. S. Anderson, Joe Zimmerman, C. A. Minnick, O. L. Osterlund, Donald McGrew, H. H. Schroeder, L. L. Peterson, E. A. Jones, Al McAllister, G. Changestrom, J. D. Robinson.

Dean Parvin C. Witte is director of the organization.

The first rehearsal of the club will be held Wednesday, 7 o'clock in the Art gallery. Tryouts for pianists will be held at this time.

Work will start on the program to be used on the trip which the club is planning for in the spring.

## COMPARES NEBRASKA STADIUM WITH YALE

Dunbar Approves Plan of Building Stadium With Idea of Additions.

The Nebraska Memorial Stadium will compare very favorably with the world-famous Yale Bowl when completed, according to Dr. Carl Dunbar, Yale professor who was in Lincoln this summer.

"I think that the University of Nebraska is very wise in building such a large stadium and one that can be enlarged later on," Dr. Dunbar told Dr. G. E. Condra of Nebraska while he was here.

"When the Yale bowl was built, it was thought that it never would be filled. At the present time it becomes so crowded that no tickets are put on sale to the public and each student can buy only three tickets. Of course, the Lincoln stadium is too large now, but I believe it will soon fill up as did the Yale bowl," he said.

The Yale bowl seats 76,000 at the present time. The new Nebraska Memorial Stadium can seat over 30,000 now and could seat as many as the Yale bowl if it were completed on both ends of the field.

As the name indicates, the Yale bowl completely encircles the field. It is half buried in the ground. The Nebraska stadium could not be buried that far because of the low location on which it is being built.

Kansas and Nebraska have played every year excepting 1904 and 1905 and in that time the Jayhawkers have been able to win eight games out of 27 played. The Kansans succeeded in deadlocking the count in 1920 for the only tie game ever played between the two schools.

There have been many people notable years in the grid sport for Nebraska. In 1902 not an opponent scored against the Husker machine. They started off by playing the Lincoln high school and ended by blanking Northwestern, 12 to 0. Other teams on that year's schedule included Minnesota, Missouri and Kansas universities. Knox was trimmed, 7 to 0.

## Varsity Shows Strength in Clash Monday With First-year Gridsters

The first battle of the year between the varsity and the freshmen warriors was staged on the stadium field Monday afternoon. Coach Farley Young invaded the varsity camp with thirty ambitious pigskin youngsters and a real battle was on. Coach Dawson and Freshmen Coach Young each picked two squads and sent them to it.

Team "A" of the varsity squad was given the ball first and they marched through the Frosh for big gains on almost every play. Captain Lewellen, Herb Dewitz, Hartman and Noble going through the line and around the ends on every play.

This quartet along with Rufus Dewitz are showing their old time stuff and they are going to be a combination that Coach Zupke and his proteges will find hard to stop.

The line consisting of Berquist, McGlasson, Bassett, Weir, and Westopol were very powerful and show great prospects for a wonderful forward wall before the season is over. They are very powerful and aggressive but are not certain as to their assignments. Time and practice will have them in splendid shape.

Berquist at his old place at guard is very dependable and checks up on the center and guard playing next to him.

Captain Lewellen, who has been shifted from halfback to quarterback is taking a hold of the position commendably. He handles the ball cleanly and his headwork in his choice of plays shows that he is studying the opposing defense.

Noble and Herb Dewitz were showing good form in lugging the ball through the line and around the ends with the same speed and shiftness that have made them terrors to all opponents.

## TEN THOUSAND ARE REGISTERED IN UNI

List Includes All Students in Branches. Record Is Still Incomplete.

With the sure prospect of having more than 10,000 students on its hands and conscience this academic year the University of Nebraska launched out Thursday on the instructional work of the fifty-fifth year of its history. The regular registration period ended Wednesday, but students were still coming in Saturday, and will continue this week, especially in the Graduate College.

The total of over 10,000 students includes those on the Lincoln campus and those at the College of Medicine in Omaha, those at the Curtis School of Agriculture and the extension students.

The registration on the city campus alone shows an increase of 354 over the registration of last year. For the corresponding date last year there were 4,433 students registered. This year there are 4,787. This count of Lincoln students does not take into account the increase in the summer school registration.

## NOTRE DAME TEAM WHIPS INTO FORM

Rockne Looking for Heavier Material for Line to Use Against Nebraska.

(Special to The Nebraskan.)

NOTRE DAME, Ind., Sept. 23.—Coach E. K. Rockne put his football squad through a stiff workout the past week and will start heavy scrimmage in a few days in order to prepare his squad for their game with Kalamazoo next Saturday.

Rockne is devoting most of his attention to filling the places left by the graduation of last year's stars: Castner at full, Degree at guard and Cotton at tackle. For guard Rockne has Capt. Brown, who weighs but 165 and Kizer who is also the same weight. Rockne is looking for a heavier man to develop for use against the heavy squads like Army and Nebraska.

At center Regan looks better than the other candidates but weighs only 163. This trio of light men in the line is Rockne's chief worry.

Hartman, playing plain fullback, did credible work both on the offense and defense.

Under Chick Hartley's personal coaching Hartman is developing into a great fullback. His work Monday on the defense brought applause many times.

On team "B" Rufus Dewitz and Locke were carrying the ball through the frosh with equal regularity. It was necessary for the first year men to use as high as three men on each of the varsity luggers to stop them. Bud Randolph's shiftness is well worth mentioning.

(Continued on Page 4)

## ILLINOIS GRID TEAM IS WORRIED BY NEBRASKA

Dope Story in Chicago Tribune Says Zupke Faces Problem in Placing Men.

The Nebraska game, Oct. 6, is causing worry in the Illinois camp, according to a story Sunday in the Chicago Tribune.

The Blue and Gold have a comparatively green squad with which to face Nebraska, according to the news story, and suffered heavily through graduation of many of their stars.

It is the plan of the Illinois team to sacrifice everything for speed, and not only a speedy backfield will be put into action, but weight and experience in the line will also be put aside by Coach Zupke.

The freshmen team, which received so much high praise, failed to produce men of varsity caliber, and of the four men who were really high grade material, three were lost to the school.

Many of the Illini are men who have never seen heavy football, and Coach Zupke faces a difficult problem in placing his men, the article states.

## JUDGING TEAM IN WATERLOO CONTEST

Agricultural Students on Three Week Trip; Plan to Attend National Dairy Show.

The University of Nebraska's stock judging team consisting of five Agricultural College students and a coach is now in Waterloo, Iowa, where a contest is being staged.

The team left Lincoln Saturday afternoon. They will stay in Waterloo until September 27, when they are to go to Syracuse, New York, where the National Dairy Show will be in progress. They will return in about three weeks.

The team, which is under Coach Morgan, consists of Alfred Engel, Wallace Buck, Clarence Fortna, Robert Bushnell, and Richard Parsons. These students all took part in the practice judging during fair week, and were selected for the team because of ability shown at that time.

## YEARLINGS SHOW SKILL IN MONDAY WORKOUT

Freshmen Make Good Showing in Offensive Work When Pitted Against Varsity

Freshmen football men had their first taste of blood last evening when two yearling teams were pitted against two squads of the varsity in the first varsity-freshman football scrimmage of the season. The thirty-two first years men used in the scrimmage showed up well after only a few days of practice, and held the varsity regulars to short gains.

Gains made by the varsity men against the freshmen, although consistent, were kept within safe limits. Twenty yards was the greatest gain made at any time, and the average plunge through the yearling line was about four yards. Several times the freshmen wall stood firm and held their ground without any loss.

On the offensive the freshmen made a good showing. A break thru the varsity line netted them six yards on one play. The team of the (Continued on Page 3)

## Upperclassmen Get Books Wednesday

Freshmen have just one more day in which to get their "N" books before the upperclassmen are to have their chance, according to Paul McCaffree, executive secretary of the University Y. M. C. A. Freshmen who have not done so in the past week should present the white card which entitles them to an "N" book at the "Y" headquarters in the Temple.

Wednesday morning, upperclassmen will be given a chance at the 300 copies of the book now on hand. Over 1700 copies have been distributed to date.

## ANNOUNCE EXAMS FOR RHODES SCHOLARSHIP

Candidates Must Apply Not Later Than Wednesday Noon of This Week.

The first examination for the Rhodes scholarship will be held Friday, October 5, in University hall, 103, beginning at 8 o'clock. The purpose of this preliminary examination is to select the University candidates to go before the state committee, who will make the final selection. The university committee for the preliminary examination is composed of Dean Buck, Professors Barbour and Jones.

Candidates for the scholarship from this university must make formal application to the university committee not later than noon, Wednesday, October 3. Printed forms for the application may be obtained at the registrar's office after Wednesday noon, September 26. They may be left in University hall, 103.

The successful candidate must, by Oct. 1, 1924, have completed at least his sophomore year in some accredited, degree-giving institution, and must not at that time have passed his twenty-fifth birthday, nor be younger than nineteen.

## Plans Lectures From Outside Professors

During the orientation period Monday, Dean Ferguson explained to the freshmen engineers just what the course was. He plans to have about one-fifth of the lecture given by men outside of the Engineering College.

Two hundred and thirty-two freshmen registered for the course, making the class so large that beginning two weeks from last night the lectures will be given in the Temple theater. Next week the class is to be divided, about half of them attending at four o'clock and the other half at five, the regular time.

Among those in the Engineering College who lectured last year and probably will this year are Professors Mickey, Chatburn, Hollister, DeBaure, Wood, Evinger, and Haney. Men from outside the college were Professors Upson, Sweezy, Bengtson, Deming, and Fossler. The first lecture, given next week will be by Dean O. J. Ferguson.

## Plan Cross-country Meet With Other Valley Conference Teams

Cross-country meets with Oklahoma, Kansas, and Missouri will probably be held at the same time with the football games with these schools, according to CoCach J. Lloyd McMasters. When Oklahoma comes to Lincoln to pit her gridsters against the Cornhusker squad, the cross-country squad will probably come. The contracts have not yet been signed, but it is almost a certainty that the schedule will go through, according to the coach.

Only forty men have signed up for the harrier squad up to date.

"In a school the size of Nebraska, we should have at least a hundred and twenty-five men out," asserted Coach McMasters. "If the freshmen want to win an "N" next year, they should come out this year and learn the game and get in trim."

The squad is working out regularly under the eyes of the coach and Captain Hyde. Since the track in the stadium is not in condition, the men are using the Belmont cross-country course.

Haskell, who was the first Nebraskan

## RAG CAMPAIGN MEETS SUCCESS ON FIRST DAY

Hicks Reports Splendid Work Done by Co-eds Who Solicited Students and Took Charge of Booths.

SORORITIES TAKE BOOTHS FOR FOUR HOUR PERIODS

Increased Size of Paper Has Not Changed Price of Paper; Two Dollars Asked for Year.

"The first day of the Nebraskan campaign has gone splendidly," Clifford Hicks, business manager of the paper, said last evening. "The girls deserved to be congratulated," Mr. Hicks added.

More than 100 co-eds solicited subscriptions for the Daily during school hours Thursday. The campaign was waged from a large booth erected on the east side of U hall and from desks in the library and the social science building. Members of the various sororities took the desks and the booth for four hour periods.

Small pennants were given to the individual subscribers. Pennants were also distributed to the sorority and fraternity houses that had subscribed 100 per cent. The campaign will continue until Thursday evening.

Although the size of the Nebraskan has been increased materially, no change has been made in the subscription which is the same as last year, \$2 a year, or \$1.25 a semester.

## Cadet Officers Will Be Appointed Soon

Appointment of commissioned officers in the R. O. T. C. regiment will be made in a few days from among the men registered in the advanced course, the military department announced yesterday. The appointment list will include the colonel, lieutenant colonel, three majors, about fourteen captains, and adjutants and lieutenants.

The Daily Nebraskan will publish a complete record of the appointments as soon as they are announced by the military department.

## Vespers Today Honor of Freshmen Girls

Vespers today will be held in honor of the incoming of freshmen girls. Grace Spacht, president of the Y. W. C. A., will preside and introduce the members of the cabinet who are to act as hostesses.

There will be sacred music preceding the service as well as during devotions. Miss Erma Appleby, secretary of the University Y. W. C. A., and Miss Amanda Heppner, dean of women, will speak. Vespers are held weekly at 5 o'clock at Ellen Smith Hall.

## Plan Cross-country Meet With Other Valley Conference Teams

ka man to get in, in all the races last year, is back in school, and will join the squad. Leslie Whinley, out with a sprained ankle last year, is back in the game.

A revision of the standards which must be reached before a man is awarded the cross-country "N" make the letter almost as hard to get, and consequently as coveted, as an "N" in a major sport.

The squad is showing good spirit, every man showing up for the workouts.

Men who have signed up for cross-country in the past week as follows:

James Lewis, Howard Hopkins, Albo Limely, Irven Jetter, W. P. Hilliker, George Sarchette, John Cox, Leslie Whinley, James L. Dosek, Harold A. Lee, Lester Lawson, Charles Hedlicka, L. A. Walker, Ballard Kahoa, Roy Petzer, James Searle, Hugo Srb, Robert Jackson, Raymond H. Swallow, R. T. Rogers, H. F. Lewis, Frank Hannan, Edwin N. Sprague, H. F. Lewis, Eller McCartney, Alan Dusatka, L. K. Howard.
