

**VARSITY SHOWS STRENGTH  
IN CLASH MONDAY WITH  
FIRST-YEAR GRIDSTERS**  
(Continued from Page 1)

Another freshmen-varsity scrimmage is slated for Wednesday afternoon.

The gloom lifted in the camp when Heinie Bassett, Ed Weir and Dave Noble all reported for practice. Doug Myers who has been suffering from a strained knee was out on the field with a knee brace on and hobbled around taking a light workout.

The blisters on Noble's heels are almost healed. Heinie Bassett's injuries are cured and EdWeir has lost most of his cold.

A glance backwards at the scores of Nebraska football teams since 1890 when the first squad of Cornhuskers took the field shows that the Nebraskans have piled up 5,084 points to the opponents 1,475.

When Nebraska and Illinois get together at Urbana October 6, for the opening football conflict of the season, it will be the fourth game in the history of the two universities. And Illinois has yet to win from the Huskers.

Iowa university was defeated thirteen out of eighteen times by Nebraska, the other games resulting in three ties and two wins for Iowa. Missouri has been defeated by Nebraska in all of the thirteen clashes in which the teams were engaged.

With Minnesota, Nebraska has met the most defeats of any teams played. Minnesota has emerged victor in ten out of fourteen contests, Nebraska winning in 1902 and 1913. The other two games were tied.

Ever since the days when Iowa, Kansas and Missouri universities were in what was known as a league, from '92 to '96, Kansas has always been ready to sacrifice more to defeat the Cornhuskers than to twist

the Missouri Tiger's tail. All this in spite of the ancient tradition which has made Missouri and Kansas logical enemies.

Rubber Fountain Pens*

THE new Wahl Pen in engine-turned black rubber is unlike any fountain pen you have ever seen. Anyone who writes will be proud to own a pen of such grace and splendid writing performance. It is as practical as it is beautiful.

The man's-size fist with the cast-iron grip will find a Wahl Pen to fit it. And so will the dainty feminine hand. There are sizes and shapes to suit every man and woman in college or business.

Wahl Pen is made by the makers of Eversharp. It is another leader. The Wahl filling device fills the pen brim-full of ink every

time. The Wahl comb feed regulates the flow so that the pen writes the instant you touch it to paper. You never have to shake it. The ink never floods.

The everlasting nib is 14-karat gold, tipped with the hardest, finest iridium. Unbiased experts say it is the ultimate in nib-making.

Clipped in pocket, purse or note book, Wahl Pen cannot leak—the patented cap construction prevents it. Wahl Pen is so perfectly balanced and proportioned that it seems made just for your hand alone. It writes perfectly. Ask your dealer about Wahl Pen. All styles and sizes. \$2.50 up.
