SELECT SIX MEN FOR CROSS-COUNTRY TEAM

Tryouts Come Friday; Schedule Includes Three Dual Meets.

CROSS-COUNTRY SCHEDULE.

October 5—Varsity tryouts.

October 13—Oklahoma at Lincoln.

October 20—Kansas at Lincoln.

October 27—Missouri at Columbia.

November 17—Missouri Valley Meet at Laurence, Kas.

Members of the Varsity cross-country team will be selected Friday afternoon at 4:30. The first six men to come in from the run over the Belmont course will be given berths on the team which will meet Oklahoma October 13.

There is still room on the squad for several good men, according to Coach J. Lloyd McMaster. If any of the men show enough ability, they supersede those on the Varsity squad. Perhaps the athletic office will be able to make arrangements with Oklahoma so that all the harriers can compete. This would mean that fifty men would run for Nebraska.

NEW COACHING PLAN FOR ILLINI GRIDSTERS

Illinois Freshmen Allowed to Practice Entire Season—to Play Games.

A new system of coaching is in use at the University of Illinois for the freshmen team. All candidates who report regularly for practice will be allowed to continue practice throughout the season.

A squad of the best freshmen is used for scrimmage against the varsity, and the others are put into teams representing the several colleges of the University. Each team will have a separate coach and intramural games will be played by the frosh.

In this way it will be possible for the coaches to have a large number of men under observation and it is hoped by the coaching staff that many men will be developed for the varsity.

WILL SELECT NEW TENNIS CHAMPION

Women Interested in Game Urged to Sign for Tournament.

A new woman's tennis champion will be crowned this fall to replace Cora Miller, who successfully defended her title for four years, and was graduated last spring. Competition in the women's All-University tournament is expected to be very keen this year.

All girls who are interested in tennis are urged to take part in both the singles and the doubles tournaments. These tournaments are open to all women in the University. It is the hope of the Women's Athletic Association to get every feminine racquet-wielder on the campus to participate.

Everyone interested is asked to sign up on the W. A. A. bulletin board at the foot of the north stairs in the west end of the Armory before Wednesday night, October 3. Weather permitting, the first round of singles play will be finished this week. Doubles partners will be chosen before Friday.

At the completion of the open tournaments class teams will be chosen and inter-class matches staged. Entry in one of the open tournaments makes one eligible for class team.

It is possible to make 150 W. A. A. points in tennis during the year, thus putting tennis on the same basis with major competitive spotrs.

George Maquire, '20, who has been spending the summer in Lincoln, has returned to Cambridge, Mass., where he is attending the Harvard law school. Mr. Mcguire will be graduated next June.

BIG AND LITTLE SISTERS ATTEND OPENING DINNER

(Continued from Page 1)

girls who are registered this year. Those girls are especially urged to come to the dinner, even though they do not hear from their big sisters before. Efforts will be made at the dinner to get every big sister in touch with her little sister.

Big sisters who have not been able to get in touch with their freshmen should come to the dinner and meet them there.

The senior advisory board, which has charge of the dinner, asks that every girl who attends put her name, address, and telephone number on the back of her ticket. That information will be used to check up the location of the big and little sisters.

CORN COBS CHOOSE OFFICERS FOR YEAR

Whitworth Elected President of Pep Organiation at Meeting Thursday.

At the first meeting of the Corn Cobs, University pep organization last Thursday evening, the following officers were elected for the coming year: President, Art Whitworth; vice-president, Stow Witmer; secretary-treasurer, Roland Estebrook; sergeant-at-arms, William E. Johnson.

Committees were appointed and are busy devising new and snappy stunts for the five football games. Plans are being made for the Corn Cobs to go to at least two of the games played out of the state.

The Cobs are also planning to handle the sale of programs at the games for the "N" club.

Several men were lost to the organization through graduation last June necessitating the selection of two or three new members. Membership is open only to upperclassmen.

The Corn Cobs are affiliated with the Phi Epsilon Pi, the national pep organization which has chapters in a large number of Missouri Valley and eastern schools.

UNIVERSITY MAY HAVE NAVAL RESERVE CORPS

May Place Naval Forces on Same Plane as R. O. T. C. Is Now.

Establishment in the University of a force of the Naval Reserve, to correspond with the present R. O. T. C., may be brought about, according to advices received by R. J. Case, officer in charge. Courses in navigation would be offered giving university credit, according to the report. There would also be organized a Naval reserve band with the instruments furnished by the government. Such a force has been organized in the state for some time, but official connection with the state university has not been brought about.

Commander D. C. Buol, of Omaha, is in charge of the Second batallion of the Fifth division which is now being organized here. Commander Buol had charge of the reorganization of the French railway system during the war. Lieutenant A. J Stroy is the executive officer at Omaha. Miss Bernice Ballance, former instructor at the university, has been elected sponsor of the local organizatin.

The Lincoln organization of the Naval Reserve, still in the process of organization, includes a large number of university students who meet monthly during school. For this reason they are anxious to secure university credit for their training.

A fifteen day cruise is provided in the summer for members of the reserve force. Uniforms are provided and the members are given full navy pay. It is reported that in 1925 the naval reserve forces will be given the opportunity of a world cruise as a part of their training. During the summer cruise which corresponds to the summer camp of the R. O. T. C., members ship on the following ships: U. S. S. Willanette, U. S. S. Dubuque U. S. S. Wilmington, U. S. S. Paducah.

JUST LIKE HOME!
IT IS OUR DESIRE TO MAKE EVERYONE FEEL AT HOME AT THE ROSEWILDE. WE WISH EACH AND EVERY STUDENT WOULD CONSIDER THAT HE IS A MEMBER OF THE "CLUB." ANY SUGGESTONS, AS TO MUSIC, ENTERTAINMENT, ETC., WOULD BE GREATLY APPRECIATED BY THE MANAGEMENT. WE WANT YOU TO FEEL AT HOME.

DRAMATIC CLUB TO GIVE ORIGINAL PLAYS

Organization of Dramatic Department Hopes to Stage Public Performances.

Great plans are being laid for the coming year by the Dramatic Club, the social organization of the dramatic department. Original plays written by members and those interested in writing for the stage and the plays of the American theater will be studied and presented at the meeting. It is the hope of the club to give two public performances this season.

Admission to the Dramatic Club is gained by tryouts held in the fall of each year. Students interested in the drama are asked to present a character from a play, and those showing true dramatic talent are taken into the club. The date set for the tryouts for the Dramatic Club will be announced soon.

Silhouettes New
Smartly define the Fall Mode
—Season's play favorites with color and fabrics 'tis true, but after all it is the silhouette that definitely distinguishes the new mode from that which has gone before. Slim straight lines, a flat back, trimmings to the front with a circular flounce, tier or godet injected somewhere just to give flare are characteristics of the fall silhouette. Many frocks that go beltless boast side fulness and decidedly fashionable are such features as an apron front, a diagonal line from the right shoulder to the left hip and a long tight sleeve.
