

**GAMES OF LAST WEEK  
FULL OF SURPRISES**

**Colgate's Win Over Syracuse  
Jolt to Judgment of Sport  
Dopesters.**

Football games the past week brought many surprises to followers of the gridiron sport and the dope bucket was again turned over. The greatest upset of national importance was the 16 to 7 defeat handed to Syracuse by Colgate. The Syracuseans with a wonderful team have rated as the best in the east, having defeated Pitt, Penn State, and Alabama, and never having had their goal line crossed until last week's game.

It was the first victory for Colgate over the Orange squad since 1915. Fumbles by Syracuse were costly, giving opportunity for a touchdown and a drop kick by Colgate. The other touchdown came when Zimmerman, Syracuse quarter, knocked down a pass into the arms of another Colgate player who then had a clear field for the remaining distance to the goal line.

Statistics of the game show that the Orange team outplayed their opponents decisively although they were not playing as speedy a game as the Colgate team. Syracuse made 17 first downs to 7 for their opponents. Total yards were, Syracuse 316, Colgate 207.

In other important contests, Nebraska beat Iowa Aggies 26 to 14, Kansas beat Drake 17 to 0, and Washington defeated Missouri 13 to 7 in Missouri Valley contests. In the Big Ten, Chicago won from Ohio State with little trouble, 17 to 3. Illinois vanquished Mississippi Aggies 27 to 0; and Purdue won her first Big Ten game in three years when after a close game she emerged the victor with a 6 to 3 score over Northwestern. The crippled Michigan team had hard work with their ancient Wisconsin foes, winning by the narrow margin of 6 to 3 in a spectacular contest. Following the game a mob threatened violence to Walter Eckersal who refereed the game.

Notre Dame appeared in good form after their defeat by Nebraska and won from Butler 34 to 7. Butler is the team that held Illinois 20 to 7 following the Illinois-Nebraska game.

In the west California remained undefeated and appeared as the only team with a clean slate on the Pacific Coast conference. The Golden Bears put up a great game of football holding the husky Washington U. team to few first downs and winning 9 to 0, the same score which they won from Washington State three weeks ago.

In the south, Centre won from Auburn 17 to 0; Vanderbilt beat Georgia 35 to 7; Kentucky and Georgia Tech tied 3 to 3; and Texas won from Oklahoma 26 to 14.

In the east, Colgate defeated Syracuse 16 to 7; Pitt chalked up the first defeat for the Washington and Jefferson team 13 to 6; Cornell maintained her record, winning from John Hopkins 52 to 0. Yale handed Princeton a severe drubbing 27 to 0, and Brown defeated Harvard 27 to 0. Penn State, playing a smashing game of ball, won from Penn U. 11 to 0; West Virginia still undefeated beat St. Louis 48 to 0; Army defeated Bethany 20 to 6, and the Navy was idle.

Many of these teams play their final game next Saturday.

**A. I. E. E. ARRANGES  
MONTHLY MEETINGS**

**Interesting Programs Outlined  
for Electrical Engineers  
This Year.**

The University of Nebraska chapter of the American Institute of Electrical Engineers started this year to hold its regular meetings at eleven o'clock on the first Thursday of each month. The schedule of classes has been arranged so that engineering students have the eleven o'clock period on Thursdays open. The third Tuesday of each month is scheduled for regular meetings of the U. of N. chapter of the American Association of Engineers, which organization binds together the various departmental societies of the whole college. The A. I. E. E. is the society of the Electrical Engineering department.

The meetings are of more or less technical nature, but some may be of more general interest. The first meetings of the A. I. E. E. have been well attended, and a very interesting program has been outlined for the remaining meetings of the school year.

The outline is as follows:  
December 6, Student Talks.  
January 3, Talk by Professor Edison.

February 7, General Electric Co., Film.

March 6, Talk by Mr. Hill, manager of the Lincoln Gas and Electric Co.

May 1, Talk by Dean Ferguson in appreciation of the work done by the late Dr. Steinmetz. There will also be a discussion, by students, on some technical problem.

Failure of Captain Ed Shaw to boot a goal after a Nebraska touchdown gave Syracuse a 10 to 9 victory in the first game played between the two institutions.

all European countries. Although national rivals and religious rivals were represented at this meeting, cooperation and harmony were preserved. The fact that students all over the world were contributing to relief work was also stressed.

Characterizing the relief work as a "student League of Nations" Mr. Hoffman appealed to American students to aid it.

"You are co-partners in this enterprise. Will you join with them," he concluded.

The speaker was introduced by Professor Paul H. Grummann, chairman of the convocation committee.

**WANTED A REPRESENTATIVE**  
in Lincoln to take orders from students and others for Old Colony all wool socks. These socks are all the rage in eastern colleges. Sold direct from factory to wearer. No investment. Attractive commission. Reorders assured. Colgate man
