**Colgate Didn't Defeat Syracuse---
Merely Rolled Up Biggest Score**

Syracuse, undefeated until last Saturday, was then the victim of one of those well-known and disconcerting phenomena of the gridiron—an "upset." Colgate defeated them, 16 to 7. Colgate did not defeat the Orange—they merely showed unusual dexterity in grabbing fumbles.

One team may be overwhelmingly superior and yet lose—it's done in the very best of football families. To demonstrate that Syracuse wasn't defeated, but merely had the smaller score, we may present the following statistics:

First downs—Syracuse 17, Colgate 7.

Yards from scrimmage—Syracuse 186, Colgate 130.

Yardage by forward passes—Syracuse 130, Colgate 77.

That doesn't look like a victory for Colgate—it looks like uncommonly hard luck for Syracuse.

That 16 to 7 score stands, however, and Colgate thus played a shabby trick on the Cornhuskers.

Colgate pointed Syracuse for the Nebraska game as the Orange has never been pointed before.

**Pershing Rifles Plan
to Elect New Members**

Members of Pershing Rifles met Wednesday night to formulate definite plans of action for the year and to propose new members to be elected at a future meeting.

In order to maintain the organization on a strong basis, members voted to automatically drop anyone from the roll if he should be absent from three consecutive meetings. Members dropped will never be eligible for reinstatement nor will they be allowed to wear the insignia of the organization. Plans for a party and a smoker were discussed and committees appointed to submit programs.

**Advisory Board Gives
Dinner for Y Cabinet**

The women's advisory board entertained the Y.W.C.A. cabinet at dinner Wednesday night at Ellen Smith hall. Members of the board were present at the cabinet business meeting following the dinner. Closer co-operation between the two organizations is the aim for the future.

**Land Grant Colleges
Hold Annual Meeting**

The annual meeting of the Association of Land Grant Colleges, a gathering representing all colleges and universities in the country which receive federal aid under the Morrill Act of 1862, was held last week in Chicago. Chancellor Avery, Dean O. J. Ferguson, Dean Burnett, Dean Brokaw, and Professor O. W. Sjogren from Nebraska attended. Dean Burnett, of the College of Agriculture, was vice president of the association last year.

A lecture on "The Amount and Nature of Shop Work" was given by Dean Bolton of Texas. At its conclusion Dean Ferguson presented a brief paper, a discussion of the lecture by Dean Bolton.

Dean Sackett of Penn State made an interesting report on "The English Technical Schools." He stated that the fees in those schools were about \$432.

**Tickets to Military
Ball Find Quick Sale**

Tickets for the annual military ball are going rapidly, according to the committee. Each fraternity was allowed but seven tickets and it became a problem at many of the houses to divide the seven among twenty-five or more purchasers.

One hundred and thirty tickets have been reserved for the officers, who will attend the ball in uniform and who will participate in the grand march immediately after the honorary colonel is presented.

Military decorations will be used. The committee is securing all available decorations in Lincoln and has sent to Omaha for more.

Colonels from nearby schools have been invited to attend the ball as guests of the Nebraska military department.
