TRACK TEAM LOSES MEN BY GRADUATION

Seven Members of 1923 Cinder Squad Must Be Replaced by Coach Schulte

The prospects for the 1924 track season are only fair. Seven letter men were lost by graduation, leaving the Huskers handicapped in the dashes, middle distance runs, and field events. Coach Henry F. Schulte made the statement that with better facilities due to the new stadium and running track, he expected over five hundred this winter and spring.

Nebraska's winning of the Missouri Valley championship for the past three years, means a greater determination on the part of the other valley schools, so Coach Schulte's cinder path artists will have worries aplenty when the season opens.

A track under the east stands of the stadium will soon be completed where the Huskers can work out in bad weather this winter in preparation for the indoor season. The outdoor track, also under the supervision of Coach Schulte will be completed some time in December.

pleted some time in December. Captain Maurice Gardner will lead the field of middle distance runners next spring. "Mud" steps the half mile in the fast time of 1:56.2, and holds the Missouri Valley indoor record for this event. Coats, who ran both the 440 and 880 yard races, was lost through graduation. Dean Higgins, letter man from last year, is expected to go strong this season in the half. Fairchild and Johnson will also be out for the half mile.

Ed Allen, captain of the 1923 squad, and a miler of good caliber, will be absent from this year's team. Robert Wier is the only letter man in this event to return. Lewis, Zimmerman, Haskell, and Schultz, of the cross-country team, will be out for the mile, however.

Ted Slemmons, the medical college letter man, will be running the two miles in great style next spring. Cohen, cross-country runner, and letter man in track, will be going good. Beside Dickson of the cross-country team, there are Ross, Rogers, Howard, and Hyde, who will make some keen competition in this race.

In the dashes, the men to represent the Scarlet and Cream will have to be picked from last year's freshman team which won the Missouri Valley telegraphic meet last spring, as no letter men will be in school. Big Dave Noble, star sprinter, will graduate this semester. Keith Lloyd, the sophomore flash of last season, now attending the University of Southern California, is the talk of the Pacific coast. The material available includes Locke, Hein, Rhodes, Wier and Whipperman.

"King" Lear of the Medical College at Omaha, a letter man, is expected to step the high hurdles in fast time. Ed Wier and Beerkle, who chalked up some fast time on the freshman squad last season in the high hurdles, are fast on the 220 low hurdles. Everett Crites, who holds the Nebraska record in this race will be making fast time next spring.

The loss of Ted Smith will be keenly felt in the 440 yard dash. "Red" Layton and Lewis Trexler, both letter men from last year, will be back. Whipperman and Sherrick will make a strong bid in this race, along with McAllister, Woodard and Bloodgood.

The many high school athletes in school this year for the first time promise to uphold the record of the freshman teams of the last two years, and give the other valley freshmen a great battle in the annual telegraphic meet.

President Ozora S. Davis
A Great University Preacher

At 10:30 at 17th and A
At 7:30 at 13th and L

Last Sunday every pew and available chair was occupied both morning and evening. We especially want students to hear this outstanding man and advise them to come early.

Student girls will meet Miss Appleby at 13th and L at 9:45 and the usual class at 17th and A will meet at 12. Student men at 17th and A at both hours.

The three Endeavor societies will unite at 13th and L at 5:30 for social hour and light eats and at 6:30 for their meeting and a brief talk from Doctor Davis.

Through the union of these two churches Congregationalism hopes to put on such a program for students as never before, and to secure ample equipment for this purpose. This is a great forward movement.
