**EXPECT 500 OUT FOR TRACK TEAM**

Practice Starts Immediately With an Abundance of Good Material.  
**TEAM TO HAVE GOOD PLACE TO TRAIN NOW**

Track practice starts immediately after the holidays with an expected turnout of around five hundred men, Coach Schulte stated yesterday in issuing the call for the first official track practice of the year. Handicapped in previous years by a poor field, and last year having no field at all, the Nebraska track teams under the tutelage of Coach Schulte have won the Missouri Valley conference championship for the last three years, and this year with a good practice field coupled with the large turnout expected, prospects are the brightest in Nebraska track history.

In bad weather the squad will practice under the east side of the stadium, and in good weather will workout outdoors. The circular board track is located in the south part of the field and the straightaway is in front of the east stand. In addition there is a cinder path around the football field, and the whole football field available for various field events.

Medical students from Omaha are again well represented in the number of candidates, and will journey down to Lincoln for the mets as in previous years.

**First Meet at Kansas City**  
 The first meet in which Nebraska will participate is to take place on February 15 at Kansas City where the athletic club is sponsoring a meet in which all Missouri Valley schools and those adjacent territory are invited to take part.

In the dashes, the turnout is going to be composed of new men almost entirely. Letter men Noble, Trexler, Baldwin and Lloyd are lost to the squad by graduation and removal to other schools. Noble graduates this semester, and his loss will be felt keenly in this event. Trexler and Baldwin and Lloyd are lost to the went to the University of Southern California this year. Luhens is the only letter man left.

The dashes will have to be filled by Hein, Locke, Rhodes, Beerkle, Whipperman, Sherrick, Wirsig, and Bloodgood. These men are nearly all sophomores and did great work in the freshmen meet last year. Schulte will have a lot of good material from which to develop another valley leader in this event.

**Veterans for Quarter Mile.**  
 The quarter mile run has the greatest number of veterans listed in prospective candidates. They include letter men Layton, Gardner, Lukens, and Crites, in addition to varsity men McAllister, Woodard and R. Dewitz. Men showed up well in this event last spring and who will make a bid for it this year are Bloodgood, Ballah, Robertson, Rhodes, Locke, Whipperman, Butler, Sherrick.

Three varsity men, will turn out for the half mile grind. The varsity men are Gardner, Johnson and Haskell. The other competitor for this event will be Butterand.

The mile and two mile runs are well represented by veteran material in the form of Clemmons, and Cohen, lettermen, and varsity man Haskell. Other promising candidates for this feature are Scholtz, Sprague, Dickson, Lewis and Zimmerman.

In the high hurdles Layton, a letter man, will compete with Gish, a varsity man, and the two will battle against a field of new candidates, Weir, Beerkle, Rhodes, Reese, Wirsig, Ballah, and Popelar.

Three letter men Crites, Kenner and Lukens appear in the low hurdles prospects at present, together with varsity man Gish. In addition to these veterans there are new men

Weir, Beerkle, Locke, Rhodes, and Reese.

The high jump will contested for by Hobb Turner, Hatch and Parks, letter men, and Drishaus, varsity man, as well as sophomores Rhodes, Beerkle, and Weir.

Hatch, letter man, and varsity man, Kenner, appear as the veterans in view for the broad jump. Others who look promising are Rhodes, Sherrick, Wirsig, Weir, Locke, and Hein.

**Many Try Discus.**  
 The discus throw has the largest number of veterans out in the field events. There are four letter men, Myers, Hartman, Parks, and Hatch. Frazier is a varsity man booked for this event.

This event. Sophomore candidates will be Popelar, Ogden, and Popisil. Mayers, Parks, and Hartman letter men, and Basset, varsity man, are entered for the shotput, as well as sophomore candidates, Locke, Popelar, and Weir. In the javelin throw Brown is the only letter man, but there is a strong field of varsity men in H. Dewiz, Henriksen, and Fraser. Popelar is a promising sophomore in this exhibition.

Duke Gleason and Brown are letter men that will come out for the pole vault. Frazier, varsity man, will be out also. The competition for this part of the team will be keen with such a galaxy of new material as Rhodes, Wirsig, Weir, Davis, and Popelar.

**PLAN SWIMMING MEET WITH WASHINGTON U.**

**Cornhusker Tank Team Faces Hard Schedule This Year.**

Washington University at St. Louis has been added to Nebraska's swimming schedule, and a meet will be held at St. Louis on February 23, according to an announcement yesterday by Coach Frank Adkins. Washington will probably come to Lincoln next year for a return meet. The team will go again to St. Louis in March for the Missouri Valley conference swimming meet which is to be held on March 21 and 22. Four other trips will round out the swimming schedule. Meets contemplated and now in the process of negotiation by the athletic office are with Ames, Kansas Aggies, Omaha Athletic club, and Creighton at Omaha. The preliminary pourparlours have been finished in all cases and it is all a matter of arranging satisfactory dates for the meets.

The schedule this year is the biggest yet attempted by the swimming

team, and will include six trips when completed. It is the best in the history of the sport at Nebraska, according to Frank Adkins who has participated in all swimming events held at Nebraska, either as member of the team or coach.

The team still needs some more men for the backstroke and breaststroke swims, and more candidates for the entire squad are needed in the sport to come to the practice sessions at the Y. M. C. A. or else see him in the gymnasium during the day.

Eight points won in dual meets is the requirement for a letter in swimming. Winning a place in a valley conference meet is accepted in lieu of the eight points. The system of scoring is similar to that used in track meets.

See J.T. on \$50,000 order  
 JAN. 2, 1940

**Order your 1940 calendar now.**

**NOW** is the time to plan your work for 1940. What you are doing then will depend a good deal on what you do today and after graduation—and the way you do it. Obviously, you improve your chances for a big job if you go where big jobs are and will be. That means fit yourself to take a place in some industry with a future. Planning twenty or more years ahead is all in the day's work, among the telephone companies of America. The electrical generating and manufacturing companies likewise look far into the future. To put a telephone in every home, to light the 16,000,000 houses that are not yet wired, to devise and promote many appliances for the comfort of man—all this will require decades of time and billions of capital. Chiefly it will need the brains of men. It has long been said that electricity is in its infancy. That is still true. You are fortunate who can see this industry a little further along on its way to a glorious maturity.

Published in the interest of Electrical Development by an Institution that will be helped by whatever helps the Industry.

**Western Electric Company**  
 Wherever people look to electricity for the comforts and conveniences of life today, the Western Electric Company offers a service as broad as the functions of electricity itself.
