## SWIMMING TYROUTS ARE HELD THIS WEEK

Team of Ten Men to Meet Omaha Athletic Club Next Week.

Swimming Coach Frank Adkins is holding tryouts this week for positions on the swimming team. The first meet of the year takes place next week when the team goes to Omaha for a dual tank meet with the Omaha Athletic club on Friday night. A team of ten men will make the trip.

Tryouts were held last night for the sprints, and the remainder will be completed tomorrow during the regular swimming practice session at the "Y."

There is a good chance in the plunging event for a fat man to make a letter in swimming, according to Coach Adkins, who says that the squad is in need of fat men regardless of swimming ability for the plunging for distance even. This event does not require any swimming, in fact swimming in this part of the meet is ruled out. The tryouts for the distance plunging will be held tomorrow at 5:30 in the Y pool.

The winners of the tryouts held yesterday are provisional yet, and Adkins is not announcing the names. If some dark horse comes to the tryouts tomorrow and beats the time made yesterday he will be put on the team, as it is the desire of the coach to put on the team the best there is in the university.

## Centurions Are Guests of Buck

Members of the Centurions society were guests at a luncheon given by Dean P. M. Buck at the University club rooms Wednesday. Plans for special activities for the second semester was the order of business.

Members are planning to stage a series of convocations that will be of special interest to the campus in general, according to Robert F. Craig, president of the Centurions. As the honorary society of the college of Arts and Sciences, the organization work consists of promoting activities of special interest to further the general enlightenment of students.

## Rare Orchid Blooms in Campus Green House

A rare specimen of Philippine orchid is in bloom in the green house. The bulbs were sent by a resident of the Islands and are the only ones of this variety in the middlewest. Under the personal care of George Swale, these flowers have adapted themselves to the new conditions and have bloomed every winter. More blossoms have appeared this year than ever before. The flowers are pale pink, shading to a delicate lavender and grow on a single stem—forty to fifty in a group.

The orchid is an airplant and grows attached to the bark of trees and in damp moss in its native country. The bulbs have been mounted on wet bark and moss in order to imitate their natural habitat. The orchids are growing in the north room of the center house, which is open to visitors

## Condra Addresses Tax Commissioners

Director George E. Condra of the conservation and survey division, spoke Wednesday evening at the Grand hotel before the state association of tax commissioners on "Unit Values in Taxing Lands and Soils of Nebraska," which he illustrated with appropriate slides taken in soil survey work.

Dr. Condra and Prof. M. I. Evinger of the department of civil engineering, will speak Monday noon before the Hastings Chamber of Commerce and at a general community meeting in the evening.

## STATE HIGH SCHOOLS SHOWING GOOD FORM

Omaha Central Comes to Lincoln for Game—Other Games Scheduled.

Next Friday and Saturday, state high school basketball teams will see plenty of action. Lincoln high plays Omaha Central at Lincoln Saturday, and should both teams play up to style, fans will see a real game. The Lincoln team defeated Creighton Prep of Omaha in a fast game last week, and Central won from Tech by a 20 to 10 count.

Tech's week-end game will be with South Omaha. South also met defeat at the hands of the Central quintet earlier in the season.

Other games on tap for the week-end are:

Valentine at Ainsworth.  
Crete at Beatrice.

## When We Wash Your Shirts

We sew on the missing buttons and mend the little rips.

We wash them by special formula and take special pains to see that the neckbands and collars fit snug around the neck and shoulders.

A small amount of sizing is used so that the soil comes out much easier next time. This means longer wear and service.

They have the firm, feel of newness and the professional finish that The Evans is famed for.

Harvard at Aurora.  
Clay Center at Havelock.  
Fremont at Omaha (Central).  
Farnam at Gothenburg.  
Madison at Genoa.  
Hastings at McCook.  
Nebraska City at Plattsmouth.  
Wayne at Norfolk.  
Auburn at Pawnee.  
Sutton at University Place.  
Schuyler at Wahoo.

Seward at David City.  
University Place at Aggie H. S.  
York at Beatrice.  
Torrington, Wyo. at Scottsbluff.  
Besides these games which are selected on the basis of representation of each corner of the state, practically every other high school team will be in action.

fur headed R. O. T. C. The cadets are to have fur caps and will present the appearance of arctic explorers.  
The zoology department has received two papers on the crayfish from Earl E. Engle who was a graduate student here last year. Mr. Earl is now an instructor of zoology in the University of Colorado.

## THE PLAN IN BRIEF

I. That the United States shall immediately enter the Permanent Court of International Justice, under the conditions stated by Secretary Hughes and President Harding in February, 1923.

II. That without becoming a member of the League of Nations as at present constituted, the United States shall offer to extend its present co-operation with the League and participate in the work of the League as a body of mutual counsel under conditions which

1. Substitute moral force and public opinion for the military and economic force originally implied in Articles X and XVI.

2. Safeguard the Monroe Doctrine.

3. Accept the fact that the United States will assume no obligations under the Treaty of Versailles except by Act of Congress.

4. Propose that membership in the League should be opened to all nations.

5. Provide for the continuing development of international law.

Do you approve the plan in substance? Yes ( )
