TO HOLD TRYOUTS FOR K.C.A.C. MEET

More Than One Hundred Expected to Try Out for Places on Squad.

TRACK MEN MAKE GOOD RECORDS IN WORKOUTS

More than 100 men are expected to compete in the final tryouts for the Husker track team that will make the trip to the K. C. A. C. indoor meet, which will be held at Kansas City, February 9. The tryouts will be held Saturday afternoon at 2:30 on the new indoor track under the stadium. Preliminary tryouts were held last Saturday and continued through this week, with some good marks being made by several of the contenders.

Coach Schulte announced yesterday that the Huskers will compete in the following events next Saturday: 50-yard dash, 50-yard high and low hurdles, 440-yard dash, 600-yard Douglas Cup race, 880-yard run, mile run, pole vault, high jump, 12 and 16 pound shot. A special event on the K. C. A. C. program will be a race between the Cornhusker and Missouri mile relay teams. In this event last year the Tiger runners defeated the Scarlet and Cream 440-yard men by a narrow margin, so the Huskers will be out for revenge.

Locke Is Valuable Addition.
Nebraska's chances in the sprints were boosted by the return of Roland Locke. With Locke and Hein in the 50-yard dash, Schulte will not feel so keenly the loss of Lloyd and Noble who won first and second places in this event last year.

Whipperman and "Red" Layton have been breaking and establishing new records for one lap on the new track. Layton broke Whipperman's record of 31.2 yesterday when he stepped the distance in 30 flat. The track is a little less than seven laps to a mile.

Along with Layton, McAllister, and Woodard of last years varsity squad, there are Bloodgood, Sherich, and Whipperman from the freshman squad of last year. This means some keen competition and a strong mile relay team. Ted Smith is the only letter man in this event who was lost by graduation.

No Reports from Omaha Men.
Nothing very definite has been heard from the Omaha medics. King Lear, star hurdler, is married but expects to compete in the hurdle events again this season. Kenner will also be stepping the timbers this spring. Ted Slemmons, varsity two-miler,

who took second at the Missouri Valley meet last season, has another year of competition. The absence of Ed Allen, captain and star miler, leaves a hard position to fill on the squad. Robert Weir is the only letter man to return in this event.

Cross-country runners from last falls team will be making a strong bid in the mile event. Paul Zimmerman, captain of the 1924 hill and dale team, is running the mile in fast time. Dickson and Schultz have been working out daily with good showing. Cohen, a letter man in the two-mile event, has also been going strong.

TANK TEAM PREPARES FOR WASHINGTON MEET

Denton and Graebing Are New Additions to Swimming Squad.

Swimming stock, rather uncertain before the tussle with the O. A. C. tankers last week, is beginning to rise. The meet with the Omahans brought out the weak spots in the squad, and it showed the men what stiff competition they will be up against all season.

Coach Adkins is hard at work this week polishing up the rough edges in the Husker swimming combination and a team out to win will take the field against Washington University next week in the second swimming meet of the year.

Two additions to the team yesterday brought new strength and one of the weakest events, plunging for distance, is beginning to look bright again. Clarence Denton, the new candidate out for this position is a heavyweight weighing 265 pounds, and is built just right for the plunging event. Adkins has high hopes of developing a good plunger out of him.

Jack Graebing, captain of the team last year, was in the splash yesterday for the first time this year, and will be a regular member of the squad from now on. He will enter in the breaststroke and relay races.

A swimmer of first rank being de-

veloped on the team is Plate, who ran away with the breaststroke swimming event at Omaha. Plate finished the 100 yard race almost a pool length ahead of the nearest Omaha swimmer. His time of 1:19 for the race established a new unofficial mid-western A. A. U. record. With some better competition in future meets, Plate will not doubt make the 100 in faster time than last Friday.

WRESTLING MEET WITH KANSAS COMES FEB. 8

Tryouts to Select Team Members Begin Friday Afternoon.

Coach Clapp and his Nebraska

wrestling team will meet Kansas at Lawrence in a dual mat meet Friday, February 8, it was announced yesterday afternoon. The Husker mat performers won the initial meet of the season last week and against Northwestern by a 13 to 7 victory. They took four referees decisions to the Purple athletes one decision, one fall and a forfeit. Tryouts for representation in the coming Jayhawk meet will be held Friday afternoon, starting at 4 o'clock in the Armory.

The Husker mentor and his assistants have been busy since the Northwestern meet ironing out the wrinkles that were brought to light at Evanston. The local coaches have decided to allow candidates a chance to exhibit their wares before each meet this season and the competition is so keen in the 115 and 145 pound divisions that it is likely that a new matman will be selected to go against the Kansas weight representative in

these two classes.
Friday, Blore who defeated Kemper at Northwestern, will be pitted against Whaley in the 115 pound group and Skinner and Mooberry will fight it out to make the Kansas tour in the 145 division. All other divisions seem to be "cinched" by their respective performers.

Two more meets are carded before the opening of the mid-winter mat season on Lincoln pads. Nebraska meets Kansas February 8 and then jaunts eastward to Ames to meet the 1923 Valley champs February 15 before Iowa state comes here on the 22nd. From the showings made by the Husker artists against the cream of Northwestern last week-end all points towards a winning mat season for the University.

An reckless driver is one who passes you in spite of what you can do.

Spring
charmingly expressed by the
New Hats!
Delightful harbingers of the new season—the cherry hats that seem to drive away the drab winter weariness and bring in its stead the buoyant spirit of Spring. Gay colorings, novel trimmings elaborate embroideries, etc., are much in evidence. Plaids in trimmings, from perky bows to even entire crowns are being featured.
Among the new colors are Apple Green, Tokyo, Cathay, Melon, Patricia, Toga, Purple, Crab Apple and Lacquer.

Nebraskan Reporters Apply at Office Now

Applications for reporting work on the Daily Nebraskan will be received today in the office in the basement of University hall. Applicants should leave copies of their class schedules, telephone numbers and addresses with the managing editor.

The "last words" in Spring Headwear are the "Jack"—a brand new, small-shape, short brimmed cap at \$3.50—and the "Nocabout"—a new Stetson Hat at \$7 that can be worn with the brim turned up or down.

Both have made the greatest appeal to Nebraska men of any styles we've ever shown.
