**STAMP COLLECTION
IS ON DISPLAY**

For the benefit of stamp collec-
tors, the government is making a
loan exhibit of its collection of
stamps that took first prize among
government displays at London re-
cently. The exhibit is to be mounted
permanently at Washington after it
has been sent around the country,
and will be in Lincoln Wednesday
afternoon until Friday, when it goes
on to Omaha.

The exhibit contains stamps of
every American issue, including
some of unusual value to philate-
lists, though never distributed com-
mercially. Among the latter is an
issue of stamps for the air mail
service, on which the airplane was
printed upside down.

Because the postoffice lobby is
not well adapted for the purpose of
such an exhibit, the postmaster has
obtained the use of one of Miller &
Paine's windows, where the stamps
will be displayed for the two days.

**GENEVA HIGH SCHOOL
DEFEATS LINCOLN HIGH**

Lincoln high school's affirmative
debating team consisting of Emerson
Smith, Clyde Laymon and Reginald
Miller was defeated Tuesday after-

noon, February 26, by the negative
team from Geneva, which was com-
posed of Rollin Propst, John Ge-
gwacks and Howard Hamilton. The
subject was the state league ques-
tion, "Resolved, That immigration to
the United States should be further
restricted." Geneva won the cham-
pionship of her district last year, and
has this year defeated all of her op-
ponents. February 8, Geneva won a
unanimous decision over Nelson, and
February 22 defeated Fairbury by a

two to one decision.

Manager—Willie, I'm surprised at
you. Do you know what they do with
boys who tell lies?

Willie—Yes sir, when they get old
enough the firm sends them out as
traveling salesmen.

RENT-A-FORDS

We have recently added 7 new
closed cars to our line. These include
4-door sedans, new type coupes and

1 Tudor sedan.

Get your car early. Standing time
at 20 cents per hour is usually cheap-
er than the mileage on a delivery
trip an hour later. Your co-opera-
tion in this will be appreciated, es-
pecially on party nights when the

dates all come within the same half
hour. It will help us to give you
better service.

We appreciate your patronage.

**The way to get
the finest shave**

The Hinge-Cap is a sure way of identifying
Williams Shaving Cream. And Williams, be-
sides giving you the convenient Hinge-Cap,
will improve your shave in three ways:

First, the lather is heavier and holds the
moisture in against the beard. Quicker and
more thorough softening of the beard results.
Second, the razor glides more easily through
the Williams-softened beard because Williams
lather lubricates the skin. Lastly, an ingredient
in Williams keeps the skin in good condition
no matter how heavy your beard nor how
frequently you shave. In addition, you'll enjoy
Williams because it is a pure, natural white
cream without coloring matter of any kind.
Ask for it.

The tailored vogue means
Collar and Cuffs Sets and Vests
must also be tailored. Vests
in linen or pique in white
champagne color or fine color-
stripings accompany tailored
suits. Collar and cuffs of or-
gardie linen or pique with flat
round collars and very deep
Puritan cuffs featuring tiers
and tri colors are fashion —
right for tailored suits or
dresses. At Rudge & Guenzel's
they have a very extensive
showing at inexpensive prices.
