**To all forwards
who are playing center**

"THE little fellow hasn't got the reach. Why don't they put him at forward where he belongs?" You have heard comment like that about some mis-positioned player.

Just look out they don't talk that way about you—not in athletics but in your field of work after college.

The world is full of doctors who should have been lawyers, and lawyers who should have been writers—men who can't do their best work because they haven't got the reach.

You still can avoid their haphazard choice of a career. Some earnest thinking on the subject. "What do I really want to do in life?" will help you decide right.

That's a real problem. Get all the advice you can—from the faculty, from alumni, from men in business. If you find you have made a false start, change now and save yourself a lot of grief—for once you graduate into a profession, the chances are you'll stay in it.

ACTUAL SIZE

You like to grasp a pen like this. It's big. It's husky. It looks strong, reliable, long-lived. And it is.

This new Wahl Signature Pen is a wonder for college work. It never needs prompting. You don't have to shake it. Touch that flexible point to paper and the ink starts with your thought.

The Wahl Comb Feed regulates the flow so perfectly that the ink never floods. The ink capacity is enormous.

And the everlasting nib—it's a marvel. It suits itself to any writing style. Just seems made for your hand. It is heavy

14-karat gold. Tipped with the hardest and finest grade of iridium that money can buy. Experts say this everlasting nib is the finest made.

Another big idea—clipped in pocket, purse, shirt-front, or notebook, the Wahl Signature Pen will not leak. The patented cap-construction assures this. The gold band you see around the cap prevents splitting.

There are two big sizes at \$7 and \$6—one for men, one for women. Ask for the Wahl Signature Pen. Other Wahl Pens from \$2.50 up.
