STAGE PHARMACY EXHIBIT TONIGHT

Program Includes Music and
Special Demonstrations
by Students.

J. A. STRABLE TO GIVE ILLUSTRATED LECTURE

The annual Pharmacy Night celebration will be held tonight in the pharmacy building. The committee in charge of the program announces that everything will be free and everyone is welcome.

The program for tonight will include special demonstrations and exhibits by pharmacy students. Music will be offered by the College of Pharmacy orchestra. Bottles of Cornhusker Lilac a special perfume made in the laboratories will be given to all visitors.

Exhibits of various machines and instruments used by pharmacists will be shown on the first floor. Displays of 35 perfumes, 10 violet waters, 25 lotions, cold creams, powders and polishes made by the pharmacy students will be in the general laboratory. Demonstrations will be made in the pharmacognosy laboratory of microscopic analysis and various tests on living animals such as rabbits and frogs. In these tests the effects of different drugs on the human body will be shown.

John A. Strable will give an illustrated lecture on the second floor on drugs such as opium, cocaine, and quinine. Displays in the dispensing and manufacturing laboratory will show the preparation of tablets and toilet waters dispensed by the drugist.

The purpose of the exhibits is to acquaint University students with the dealings of the druggist in every day life and the methods he uses in the preparation of his goods. The pharmacy students desire a good turnout from the rest of the student body in this annual Pharmacy Night.

Convocation Opens Celebration
The fourth annual Pharmacy Week celebration of the College of Pharmacy, started off yesterday morning with a convocation held at 10 o'clock in the general lecture room of Pharmacy hall. All students of the college were present.

Dale Reynolds was general chairman of the meeting. Professor J. B. Burt talked on the "History of the Profession of Pharmacy," giving some interesting historical events connected with the profession.

Judge Chappell, police judge and a graduate of the College of Pharmacy and the College of Law of the University related some interesting reminiscences and experiences in the college in old days. Nels P. Hansen, a former instructor, spoke of the bright outlook for the pharmacy profession and especially the College.

M. E. Rasdall, general chairman of Pharmacy Week, made some important announcements concerning the program for the week.

Friday Is Last Day

Pharmacy Week will come to a close Friday evening when the annual banquet will be held at the Lincoln Hotel. Arrangements are being made by the committee with George Hargreaves, chairman, to make this event the most successful for many years. William Schoonmaker will act as toastmaster at the banquet and speeches will be made by Martin E. Chittick, professor of pharmacy at the University of Minnesota; Chancellor Avery, Earl Rasdall, Leona Crawford and Dr. R. A. Lyman.

Expect Large Crowd At Mixer Saturday

Plans are being rapidly perfected for the spring varsity mixer which will be held Saturday April 19, at 8:30 p. m., in the Armory. Indications are that this party will have the largest attendance of any this season.

Music for dancing will be furnished by the Kandy Kids' eight-piece orchestra and the University quartet will provide a special moonlight serenade number. Feature dances such as the "Springtime Waltz," and a girls' tag dance will add variety to the program. A number of other entertaining features and surprises will be introduced.

The chairman of the committee in charge states that a number of sororities are planning on attending in groups.

Houck Meets Members of Delta Sigma Rho

Stanley B. Houck of Minneapolis, national president of Delta Sigma Rho, national honorary organization for inter-collegiate debaters, visited the Nebraska chapter yesterday afternoon. At a meeting held at 2:30 in University hall, 111, plans for the meeting of the general council of the society at Ann Arbor the first week in May, were discussed. Mr. Houck explained the general policy of the fraternity in regard to expansion. He also pointed out that the members of the Oxford debating team, which will tour the country next fall, have been made members-at-large of Delta Sigma Rho.

The Nebraska chapter will not send a delegate to the meeting of the council but will vote by proxy.

TO ENTERTAIN SENIOR GIRLS AT RECEPTION

Association of University Women Will Receive at Gere Home.

A reception for senior women will be given by the American Association of University Women Saturday afternoon at the home of Misses Mariel, Frances and Evelyn Gere, 2811 South Twenty-fourth street. All women of the senior class are invited.

The program has been arranged by Miss Alice Howell and Miss Marjorie Barstow. Mrs. E. L. Hinman and Mrs. Frank Woods will speak to the guests. The assisting hostesses will be Mrs. W. E. Hardy, Mrs. H. B. Alexander, Miss Amanda Heppner, Mrs. J. S. Hyatt, and Miss Stella Kirker.

The A. A. U. W. annually entertains the women of the graduating class who become eligible for membership when they receive their degrees. The association awards \$200 as scholarship prizes to lower class women on the basis of scholarship, campus activities, and financial independence. These awards will be made within the next month.

Geologic Seminar Meets this Evening

An important meeting of the geologic seminar will be held tonight at the Grand hotel at 6 o'clock. Talks will be given on the geologic expedition that was taken to Newcastle, Wyo., during spring vacation. Mr. Strong will talk on the Paleontology of Newcastle. Mr. Scholl on the Stratigraphy. Mr. Funk on the Osage oil fields. Mr. Hopper on the Wind Caves. Mr. Kelly on the Oil Refinery, and Mr. Wong on the Cambria Coal Mines.

TEN HUSKER ATHLETES WIN TRACK NUMERALS

List is Announced Wednesday; Many Points Made In Interfrat Meet.

The names of ten members of the Husker track squad were added to Coach Schulte's list of numeral holders, it was announced by the Athletic offices Wednesday morning. Many of the numeral points were earned in the interfraternity meet.

The men who received numerals were:

- J. W. Ross, Gibbon.
- E. L. McCartney, University Place.
- Robert Jackson, Lincoln.
- George E. Ready, Hartington.
- H. L. Dwyer, Plattsmouth.
- L. A. Wallen, Lincoln.
- Claire Fairchild, Lincoln.
- Harold Lewis, Harton, Kas.
- R. T. Rogers, Gibbon.
- Lester K. Howard, Orchard.

Many of the men who are reporting regularly for track have several numeral points to their credit, and by the end of the present season a score of names should be added to the list.

Twelve points are necessary to win the numeral, which is honorary in nature, being given to the men who make marks equalling the standards in the different events. The system was originated at Nebraska, several years ago by Cash "Indian" Schulte.

TO EXHIBIT ELECTRIC EQUIPMENT AT FEST

Engineers Preparing Laboratory Material for Annual Celebration.

All the electrical equipment in the electrical engineers laboratory is being put in readiness for the annual Engineers night to be held on Thursday, April 24.

The 150,000 volt transformer in the electrical engineering building is being overhauled. No one has yet ventured to measure the voltage of this transformer which has a spark gap of 18 inches. During the exhibition a guarded railing will be constructed around the apparatus because "sure death" is the label of electricity of this nature. Sparks will be made to follow a "V" shaped spark gap from the level of the floor to the ceiling. Such a spark gap is called a Jacob's ladder.

The first generating equipment of the University will be on exhibition. It consists of two old generators which were used by the University (Continued on Page 4.)

Only Two Days Left To Order Invitations

There are but two days left for seniors to order their invitations, Audley Sullivan, chairman of the committee stated yesterday. A large number of the graduating class have already placed orders, he added, but a few seem to be postponing it until the last moment. No orders will be taken after Friday night.

Three designs of invitations are on sale. One carries an imitation leather cover with a high finish paper inside. The other carries a well-prepared cardboard cover and the other is the plain announcement.

GLEE CLUB CONCERT COMES NEXT WEEK

Annual Musical Program to Be Presented in Temple Theater.

The annual home concert of the University of Nebraska glee club, will be given Friday and Saturday evenings, April 25 and 26, at the Temple theater. The club is fresh from a 500-mile tour of Nebraska towns.

Unusual success was met with on the spring tour, and the club was well received everywhere, club members report. The program includes glee club harmonies, quartette novelties, vocal solos, and instrumental numbers.

Tickets are on sale at Ross P. Curtice company, Tucker and Shean and the College Book Store, or may be bought from any member of the Glee Club for fifty and seventy-five cents. Reservations are to be made at the Ross P. Curtice company.

Students Inspect Omaha Stockyards

About forty members of the freshman animal husbandry class under the direction of Professors W. W. Derrick and W. J. Loeffel, made an inspection tour of the South Omaha stock yard and the Swift & Co. packing plant, last Tuesday.

The morning was spent in an inspection of the yards. At noon the class were entertained at a luncheon by the Live Stock Exchange. The afternoon was spent in going thru the Swift & Co. packing plant. Stress was laid on the government inspection of all the meat. The boys were taken through the large cooling rooms and were shown the processes of the packing industry.

Michigan—The first faculty-student mixer ever held was a decided success. The mixer will be made an annual event.

Weather Forecast

Thursday—Partly cloudy; slightly warmer.

BERGE REPORTS ON WASHINGTON MEETING

Tells World Forum that Re- spect for Law Was Issue at Conference.

"Are we students going to side with the bootleggers or with the Constitution?" asked Wendell Berge at the World Forum luncheon held at the Grand hotel Wednesday noon. Mr. Berge told of the Student Citizenship Conference which he attended at Washington, D. C.

Prohibition was not the subject of the conference he stated and added that some of those present were entirely out of sympathy with the Volstead Act. The purpose of the conference was to cultivate among the students of the country a strong opinion in favor of law enforcement. In the discussion of drinking, morals were not mentioned.

The question was whether or not the Constitution should be nullified by a law-defying minority. Senator Borah of Idaho was said to be one of the strongest speakers heard.

No matter what a citizen thinks of a law it is his duty to uphold it as long as it is on the books was one of the points brought out. Mr. Berge also stated that it is one of the students' obligations to teach and to preach patriotism. No matter how great is his opposition to war he cannot desert his country in time of need.

Reverend H. F. Huntington suggested that a resolution protesting against the Japanese Exclusion Act be prepared by a committee of students and faculty members. Because the subject was not thoroughly understood, the suggestion was not acted upon.

ART CLUB DISPLAYS WORK OF MEMBERS

Exhibit Includes Work Done in Fine and Applied Arts.

Exhibits consisting of fine and applied arts, work in china and oil painting, batik work and gesso are on display in the art gallery this week representing work done by the students of the Art club together with some pieces of work by alumni members.

This is the first exhibit ever put on by the members of the Art club. All the work on display represents the best work of the student as adjudged by himself and much of it was done outside the class, Lloyd Tucker, president of the Art club said yesterday.

Heretofore the student exhibits have been chosen by the instructors in the department and put on display according to their judgment but this year all the displays have been chosen by the individual students. Mr. Tucker further said that the Art club wishes to ask all the students of the University to visit the gallery.

PI LAMBDA THETA ELECTS FOURTEEN

Kathryn McWhinnie.

Jean Hoitz, retiring president, Barbara Wiggenhorn, new president, and Frances Mentzer, new vice-president, will leave for the W. S. G. A. convention to be held at Columbia, Mo., April 21.

Balloting for the W. S. G. A. board was unusually heavy, about 200 votes being cast.

The board consists of five members from the senior class, four from the junior and four from the sophomore classes. Two members of the senior class are nominated for presidency, the highest is elected and the other becomes an automatic member of the board. Out of the six nominated for senior members the highest becomes vice-president and the two next highest become members. The junior member and the sophomore member receiving highest number of votes become secretary and treasurer, respectively. The three highest of both classes constitute the rest of the members of the board.

UNI JOURNAL FOR APRIL IS MAILED

Alumni Journal Contains An- nouncement of June Roundup.

The April number of The University Journal, monthly publication of the Alumni association, was put in the mails this week. It contains an announcement of the third annual Roundup which will be held June 4, 5, and 7, and a history of Phi Beta Kappa.

Hundreds of former students will return to Lincoln to take part in the reunions and entertainment this spring. The Roundup will officially begin on Ivy Day. On Thursday of that week, the University Players will present "Smilin' Through" and fraternity and sorority banquets will be held. The general reunions of all classes will be held on Friday. The alumni meeting and alumni address by Emory R. Buckner, '04, a member of the law firm of Root, Clark, Buckner & Howland of New York City, will also be held Friday.

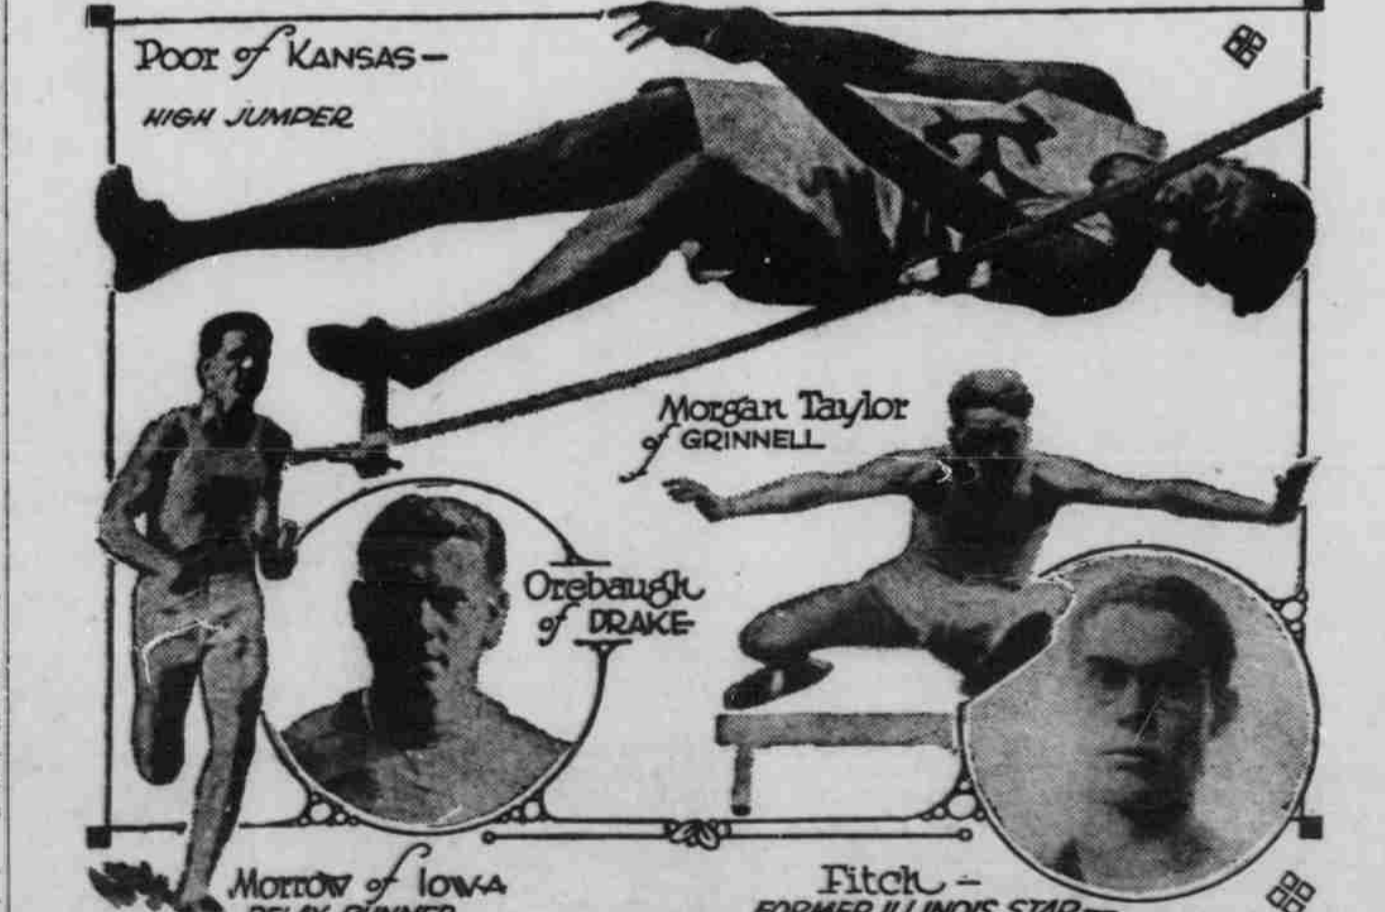

P. B. K. Oldest Fraternity.
Phi Beta Kappa is the oldest of the Greek-letter fraternities and is the progenitor of the entire college fraternity system, according to the article devoted to its history. Plans are now being made to celebrate the 150th anniversary which will occur December 5, 1926.

A large picture of the Minneapolis Symphony Orchestra which will appear in concert in the stadium on May 14, occupies a central position. An editorial states the concert will probably be the forerunner of a series of fine concerts to be presented in the stadium.

"The Chancellor's Corner" is devoted to an article by Chancellor Avery inviting all who have pictures of historical interest to the University to send them in to the secretary of the alumni association for a collection of such pictures that is being prepared.

The work of the University Players for the past year is reviewed and the statement is made that this (Continued on Page 4.)

Many Track and Field Stars to Compete in Drake Relays

Track and field stars who will compete in the 15th annual Drake University relay meet, in the Drake stadium, at Des Moines, Ia., April 25-26, include:

Poor, of Kansas, leading contender in the high jump. In winning this event at the Drake meet last year Poor cleared the bar at 6 feet, 4 inches.
Morrow, of Iowa, member of the

Hawkeye mile relay team which set a new American collegiate record of 3:16.9 in this event at the western classic last year.

Taylor, of Grinnell, phenomenal hurdler. Twice last year Taylor broke the world's record in the 220 yard low hurdles, only to be nosed out by inches in each race by Brookings, of Iowa.
Fitch, of Illinois, who will com-

pete in a special quarter-mile race against Wolters of Ames, Wilson of Iowa, and Hagen of Northwestern. This quartet includes the fastest men in the West in this event.

Orebaugh of Drake, captain-elect of the Bulldog football team, and consistent hurdler and jumper. He has been showing fine form in the hop-step-and-jump, which will be a new event at Drake this year.
