**STANDARD UNIVERSITY NOTE BOOKS**  
HERE'S a line that is of interest to everybody. The need for a substantial, durable note or composition book is perpetual and universal; felt from kitchen to president's sanctum. And here's the line of them that's *right*—in quality, in tough "stand the gaff" sturdiness. Come in—we're here to show you.

**Form the Time-saving Habit Now**  
The use of the typewriter is a tremendous time-saving help to anyone in any walk of life—business or profession. Use the handy Remington Portable for your themes. Typewrite your lecture notes and assignments. See how quickly it lightens and lessens all your writing tasks. The Remington Portable is easy to operate; light, compact, and can be used anywhere. Full, four-row keyboard like the big machines, and many other big machine features. Yet it fits in a case only four inches high.  
Price, complete with case, \$60. Easy payment terms if desired

Phi Kappa Psi-Omega Beta Pi.  
Ball parks used last spring in the tournament will probably be available for this year. The University drill field, Lincoln high school, Agricultural College, Municipal, Cushman Motor Works, and Rock Island parks were utilized last year.

**TWO DELEGATES LEAVE FOR Y.W.C.A. MEETING**  
Miss Appleby and Agnes Kessler to Represent Nebraska at Conclave.

Miss Irma Appleby, Y.W.C.A. secretary, and Miss Agnes Kessler, Y. W. C. A. president, leave today for New York city where they will attend the national-convention of Y. W. C. A. to be held from April 30 to May 6 at the Hotel Commodore. The national convention is held every two years. The last meeting was at Hot Springs, Ark., and Dorothy Williams, then president of the University organization, was the Nebraska delegate. The convention is the authoritative legislative body of Y. W. C. A. It determines the character and extent of the national program for the next two years. The convention also takes care of the national budget. Mrs. Frederic M. Paist of Philadelphia, the national president, will preside. Members of the world committee, composed of representatives from many of the countries in which the Y.W.C.A. is working, will be guests at the convention. This committee will have its biennial meeting in Washington the following week.

**They Are Coming from York, Grand Island, Hastings and Everywhere to the N. V. A. Ball and Mid-Nite Frolic at the Auditorium Friday Night.**

Manager Garman has received word from ten of the surrounding towns of parties who are going to attend the N. V. A. ball and Mid-nite Frolic which will be held at the auditorium Friday night. It will be the biggest event of its kind ever held in Lincoln. Just think of it, five dance orchestras, Paul Zimm and his Chicagoans, a famous dance orchestra that is headlining the Orpheum circuit theaters everywhere; Leo Beck and his orchestra; Jess Williams and his orchestra, Dick Harshman and his Louisiana Ragadors and Belshaw's orchestra. Fifteen vaude-

ville acts will appear between the dances with Arthur Babich and his augmented orchestra composed of musicians from the Liberty, Lyric, Rialto and Orpheum orchestras. You will not only have a wonderful time and a great show, but will also help a worthy cause as the entire proceeds go to the National Vaudeville Artists association fund for the sick and distressed of its members. Tickets on sale at the Orpheum, Liberty, Lyric, Rialto and Colonial ticket offices.—Adv.

This is National Vaudeville Artists week throught the world. Vaudeville artists have always been willing to donate their services to any worthy cause, this was fully demonstrated during the war and Liberty Loan drives. The entire receipts from the N. V. A. Benefit ball and

Mid-nite frolic to be held at the Auditorium Friday night of this week will go to the N. V. A. fund

**MINNESOTA**—A part of the equipment of the anti-aircraft division of the R. O. T. C. is an instrument used to compute data necessary for firing an anti-aircraft gun.

It solves problems of mathematics in eight seconds that would take a professor over eight days to do.

**CALIFORNIA**—Rescuing of men entombed in a gas-filled mine and fighting of an actual underground fire will be demonstrated by mining engineering students.

**THE Edwin Clapp SHOE**  
  
"THE FAIRLEE"  
"The Fairlee" courts the admiration of all who see it and demands the heartfelt respect of all who wear it. For it combines marked attractiveness with unusual comfort. A heavy, single, wide-edged sole and a broad substantial heel accentuate the sturdiness of this popular model.  
Come in and see "The Fairlee" today.
