PLAN MEET FOR FROSH TRACKMEN

Valley Freshman Telegraphic Track Meet to Be Held May 14.

NEBRASKA FRESHMEN ARE TITLE-HOLDERS

The fourth annual Missouri Valley freshman telegraphic meet, will be held Wednesday, May 14, the week preceding the Valley meet at Lincoln. Competition takes place on the home fields of the competing universities, and the results are tabulated, and the winner is decided.

This meet is held in accordance with the rules governing the regular Valley meets and consists of the customary fourteen field and track events, and two relay events. Places and points will count the same as regular meets, and a trophy will be awarded the winning team. In events where more than four men are entered, preliminaries will be run off the day preceding the meet, to determine the four men who will take part in the telegraphic meet.

The blanks for reporting the meet will be sent this year to A. E. Eilers

at Washington University for tabulation. Only men of freshman rank who have had less than one year residence at the institution which they represent will be eligible.

The meet last year was won by the Nebraska University freshmen who made 47 2-3 points. Washington U. took second honors with 35 1-2 points. Some excellent records have been made by Valley freshman competing in the telegraphic meet, two of them being set by Nebraska athletes. A number of promising freshman have been reporting regularly for track this year, who will make the personnel for a strong freshman team.

The dual meet between the University of Kansas, and the University of Missouri, to be held at Lawrence, Kansas, May 9, has been changed to Wednesday, May 7, because of baseball games scheduled at Kansas U. of the former date.

TRACK SQUAD LEAVES FOR DRAKE RELAYS

Layton Probably Ineligible and Bloodgood Is Added to Team.

Twenty-two Husker track and field men left yesterday afternoon for the Drake relays at Des Moines today and tomorrow. Bloodgood, quarter-miler was added to the Husker list late in the day and left on an evening train. "Red" Layton, fast 440-man on the mile relay team, whose scholastic standing is in doubt, also left last night, and will probably run in the meet under the banner of the Illinois Athletic club if he is still ineligible for the Nebraska team.

One of the events that will be of special interest to Husker followers of the classic sport will be the 100-yard-dash in which Paddock, world champion sprinter will compete with Roland Locke, Husker ten-second

man. Early in the season Coach Shulte predicted that Locke would beat the California wonder in the Drake relays if he was in condition. In practice races Locke has never had to extend himself, in fact he has had no real competition save when he was handicapped several yards, and no one in the Nebraska camp knows just how fast he can run.

Hartman, who won first place in the 16-pound shot put at the Kansas relays, will probably lead Husker

performers in the field events. He made first place in the Drake relays last year with 42 feet, and has been heaving the shot farther than that this year.

Hobb Turner will be the other bright light in the Husker field events. He established a new Husker high jump record at the Kansas relays when he cleared the bar at 6:3, which was one inch less than Poor of Illinois who won first place. The two will meet again at Des Moines together with other outstand-

ing jumpers from all parts of the United States.

Nebraska's greatest strength will be in the middle distances, the quarter-mile and half-mile races. Schulte has a crew of fast 440 men in Crites, Whipperman, Hein, and Hatch. Captain Maurice Gardner who established a new Husker record in the half-mile dash last year is back in old-time form and will be one of the stellar performers in this feature of the relays. He may run in the quarter mile races.

CHENEY TUBULARS
Judge a tie by the company it keeps
A TIE, as well as a person, may be known by the company it keeps. Cheney tubulars are proud of their association with well-dressed college men. The name "Cheney" on the neckband of a tie guarantees correctness of style and pattern, craftsmanship of weave, and excellence of materials.

THE Edwin Clapp SHOE
"THE FAIRLEE"
"The Fairlee" courts the admiration of all who see it and demands the heartfelt respect of all who wear it. For it combines marked attractiveness with unusual comfort. A heavy, single, wide-edged sole and a broad substantial heel accentuate the sturdiness of this popular model.
Come in and see "The Fairlee" today.
